The above CAD is missing but very important it is I believe a report from the public order unit at Scotland yard, who are the one that hold all the information to a lot of the dates in this ASBP application as the real person who setup these parties.

Jason Ames Statement dated the 15/08/2014 page 39 in bundle

On Saturday 09th August 2014 I was on duty in full Police uniform driving a marked police vehicle in the company of A/Insp King when at 2221 hours we were informed of CAD 9717 which related to some Intelligence received that stated there was likely to an illegal open air rave in the region of Millmarsh Lane, Enfield, EN3. As this was very new information we attended the location as quickly as possible so that we could assess whether there was a possibility of ending the rave before it began.

Aaron KING statement dated 15-08-2014 page 41 in bundle

On Saturday 9th August 2014 I was on duty in full uniform posted as Acting Inspector. Shortly before 2230hrs I. was informed via our GPC that Intel had been received via social media that there was going to be a large illegal rave somewhere in the region of Millmarsh Lane, Enfield, EN3. I was advised that this was being advertised on Facebook by "Every Decibel Matters" who run unlicensed events
