This statement refers to an illegal rave which took place between 6th June and 8th June 2014 on the industrial Estate near Woodgrange Avenue.

On Thursday 14th August 2014, I spoke with a resident who lives in Woodgrange Avenue, Enfield. The resident is an elderly female and both she and her husband are retired.

She has stated that on Saturday 7th June 2014, she contacted Police regarding a rave that was happening on the industrial estate close to her home address. Her reason for contacting Police was because the music noise was horrendously loud and this was disturbing their peace and had been going on for sometime. She states that both her and her husband were extremely distressed about this whole incident because something similar had happened in the past.

She states that lots of youths had been jumping over fences and she was very concerned and frightened about this and feared that something would happen to them or one of their neighbours. This made them both extremely anxious, nervous and made them worry.

This lady is worried that an incident like this could happen again. She did not want to provide Police with a direct statement as she is frightened that the organisers could trace where they live and make their lives even more of a misery. She is extremely concerned that something like this may happen again in the future.

This statement refers to an illegal Rave which took place between 6th June and 8th June 2014.

On Thursday 14th August 2014, I spoke to a resident in WOODGRANGE AVENUE N9, who wished not to be named and remain anonymous.

The resident stated that the rave/Party at Progress Way started on the Friday 6th of June and ended on the Sunday 8th June 2014.

He stated that he and his wife had contacted the Police numerous times regarding the level of noise. This was so loud that he and his wife had to go and sleep in a different part of the house.

He mentioned that an Ambulance had to attend an incident that happened in the street, apparently someone had fallen off a roof and the ambulance could not gain access. The ambulance men had to attend on foot.

He states that he had discussions with local neighbours during that weekend, who stated that youths had been climbing over fences, and causing damage to the fences.

He stated that this whole incident caused both him and his wife a great deal of distress over this particular weekend.

I am a police officer in the London Borough of Enfield and have been tasked to contact residents of the borough who had called police to inform them of an illegal rave that took place over the FRIDAY 7th JUNE 2014 and SATURDAY 8th JUNE 2014, in a warehouse in PROGRESS WAY, ENFIELD

On TUESDAY 19th AUGUST 2014 I contacted the caller of CAD 10471/07JUN2014 by telephone, who was happy to give an impact statement regarding how the illegal rave effected her and her husband over the above dates mentioned.

The caller wishes to remain anonymous. I will refer to her as Complainant "A". The original notes taken for the below statement are present in my pocket book serial 370/14, page 1.

Complainant "A" said "It was a warm evening and we had to keep the windows shut because of the noise. The next day we could not even go out into the garden because of the noise. It kept me and my husband up all night, and made us very anxious the next day. The illegal rave totally ruined our weekend".

This concluded what complainant "A" said regarding this matter. *Eric Barker PC 5111*

I spoke to the resident at number [redacted] regarding the illegal party. I live here with my wife and children. This party has had a very negative impact on our lives in that we could not sleep. The music was so loud that it penetrates through the double glazed glass. The music went all through the night and into the next day. I was unproductive at work the next day because of the lack of sleep. My children all between the ages of 11 and 7 did not get any sleep, they were restless because of sleep deprivation. My wife was very tired the next day. On the Sunday we had to leave the house in order to get away from the noise and pollution. *[Signature]*

I am a resident living at [redacted] Woodgrange Gardens and have lived at this address for 28 years. I am retired and live with my wife who suffers from Dementia. As a result of the noise which takes place at the Warehouse, my wife and I have suffered a lot. As a result of my wife's condition it is hard for me to get her to sleep and the noise from the party has made it 100 times worse. The party normally goes on from about 8pm until the next day. The noise is so severe that even though my house is double glazed, the noise penetrates through the wall. On the last occasion we had people spilling over from the warehouse onto our roads and they are very noisy. This is a lovely area, but things change when the party is on.

On Wednesday 20th August 2014 at about 12:00 hours I was with Pc McMillan when we attended Woodcreech GARDENS in ENFIELD and spoke to residents about a rave which had recently taken place at a nearby Warehouse. We both conducted a door to door enquiry and spoke to the following residents:

I spoke to resident (1) one who wish not to be named. This resident is (18) eight months pregnant and also has a very young child. She informed me that as a result of the noise coming from the rave, she and her young child could not sleep for the whole weekend. Also at home was her elder mother who also did not get any sleep for the weekend. She described the music as very loud, annoying which vibrated the windows and doors all weekend. She further stated that at one point she thought of finding somewhere else to stay for the weekend.

Resident (2) Two informed us that the rave had a devastating effect on her and her family. This resident does not wish to give her name, however she told us that she is a shift worker and for the entire weekend she did not get any sleep, because of the loud music and people from the rave making noise outside all night. On the mornings after the rave, there were people in cars sleeping and drinking alcohol. There were people vomiting all over the road and young men urinating on the streets. She found the crowd very aggressive and intimidating and there were men peering over the walls into the houses which was quite scary.

This statement refers to how an illegal rave held in Progress Way, Enfield, impacted upon me and my families lives during the period between Saturday 7th June, and Sunday 8th June 2014.

I am the above named person and what I say in this statement is best to my knowledge and memory from the dates mentioned. Progress way is approximately a fifth of a mile away from my address as the crow flies. My address is known to police.

On Saturday 7th June 2014 at approximately 0120hrs me and my family were woken by a very loud thumping music. I could hear that the music was coming from the direction of an industrial estate on Progress way. It was so loud and deafening. It was a hot evening and even with all the doors and windows closed I couldn't ^{hear} a constant thumping noise that led me to have no sleep all night. I even had to wear ear plugs, but they didn't help me at all. I called the police for the first time to report this, but they said

they were aware as other people had already called to report this. At approximately 2pm the music stopped for 15 minutes, and then started again through to the morning. I contacted the police again shortly after the music started and they referred me to the noise nuisance team. Unfortunately there was no one there to answer the call. The music carried on all night and into the next day. It totally wrecked my weekend. At 1000hrs Saturday morning we left our home to go a family gathering and returned back in the early hours of Sunday 8th June 2014 at around 0100hrs. On our return I could not believe that the music was still playing! I could not believe that I may have to suffer another night of no sleep. I felt miserable and cranky, this effected my family due to the fact I had no sleep. The music continued until the early hours of Sunday morning, causing me to get no sleep. I contacted the police again and also spoke to a member of the noise nuisance team at the council who told me there was very little they could do due to the vast numbers of people in attendance at this illegal rave. This type of illegal rave is not the first time it has been held at Progress Way, one took place over Christmas 2013 which kept us up as well! I really hope the person organising this type of event stops as he is causing so many problems for me and residents of Enfield, ~~On 12th~~
