I am Simon Cordell; my date of birth is 26th January 1981. My home address is as stated above. I am making this witness statement in response to members of the police and local authority's application for an anti-social behaviour order.

I am currently in the process of trying to establish my company. I have not yet incorporated it; however, I am currently working on having it registered as a company. I am aiming to have it registered as a limited company with charitable status within the articles of the memorandum of association. I have become a member at general meetings held at my local community hall in turn taking part in the daily challenges a community hall can be presented with. This has introduced me to various people who have helped me with good advice.

I have always wanted to give something back to the community. I have established my web site with a lot of help of others and have now "parked" my company, and I exhibit proof of this as SC/1. The company is not yet trading, but I aim to trade soon.

I was placed in the care system as a child, and I try to help vulnerable people. I know what it is like to have to fend for yourself. I exhibit letters of proof that I have helped homeless people as exhibit SC/2.

I believe that this application is an attempt by members of the police and local Authority to find me guilty of offences I have not committed in turn having a effect on my health and stopping me from developing my company, and it is not acceptable or reasonable. I am in the process of developing a business plan for a festival at Barley lands in Essex. I had planned to have this event in 2014, however, the stress of the ongoing ASBO proceedings have stopped me from putting this festival on. I exhibit a draft business plan as exhibit SC/3, and a business submission form for a community festival as exhibit SC/3A

I was once arrested by members of the police outside White Sands Nightclub on 14th November 2013 at Brixton Hill and I had my van seized. The reason given for stopping me was that I had "tools of the trade" in my van and my insurance did not cover driving a vehicle on this basis. My vehicle was seized as it was alleged that I did not have insurance. I was actually insured at the time, and there were no tools in my van. I exhibit proof of my insurance as exhibit SC/4. A police officer gave incorrect evidence in court that he had not taken my vehicle because there were tools in it; however, he had made an inconsistent statement previously saying that there were tools in the van. I exhibit proof of this incident as exhibits SC/5, a witness statement authenticating the sound recordings I have submitted, exhibit SC/6, transcripts of sound recordings of conversations with police personnel and my insurance company, and exhibit SC/7, a sound recording of a phone call from a police officer to my insurance company, and exhibit SC/8, a further sound recording of a phone call between the insurance company and the police car pound. I was convicted of driving without insurance on the basis of his evidence. I am appealing against conviction on the basis that the police officer gave incorrect evidence to court. My insurance company has provided me with a letter of indemnity and witness statement in this respect; however, I am currently banned from driving as a result of the officer's incorrect evidence. I exhibit the clerk's notes from the Magistrates Court trial verifying that the police officer told the court that my Van had not been seized because of there being tools in the Van, and a covering email from Lavender Hill Magistrates Court, as exhibit SC/9, and I exhibit proof that I am currently banned from driving as exhibit SC/10. I had a legitimate reason for being at White Sands Nightclub as I was discussing becoming entertainment manager for White Sands Nightclub; I was going to see a friend about the possibility of a job interview. My van was empty on the date in question.

I accept that I own entertainment equipment. I have acquired these for my company. I am trying to build a company, and the aim was to rent the equipment out to people. I have prepared draft terms and conditions of business that I exhibit as SC/11. I was trying to hire the equipment out to conferences, school fates, local community events, private birthday parties until the stress became too

much. I would hire the equipment out to private parties, and to people who could provide me with sufficient identification, and who could cover any damage to the equipment.

I have worked and attempted to work with charitable organizations, in particular Muswell Hill festival helping kids with cerebral palsy, as well as the local scouts Ponders End festival, Lock to Lock festival, Enfield Town Festival, Durant's Park Festival. I am a member on the committee at my local community hall, I have also been working alongside D.E.M.S event management service's in aid of Bliss who are a charity that helps premature babies. I have been building strong relationships with a view to developing a running business helping make a positive effect of today's people and society. I exhibit proof of my business relationship with D.E.M.S as exhibit SC/12. I am very concerned that this application is damaging my attempts to build a legitimate business by way of darkening my name and company brand. I had arranged a community charity children's fashion show fundraiser, and I exhibit proof of this in the form of tickets that had been printed for the event as exhibit SC/13. However, this event did not go ahead as planned as the stress of these ongoing proceedings meant I could not take part in it.

I am currently signed off from work due to problems that I am having. I exhibit proof of this in the form of my doctor's authorisation as exhibit SC/14. These proceedings have taken a large part in the deterioration of my health, by way of the stress caused.

I will now comment on the incidents that I am alleged to have been involved in and that form the substance of the complaint that has been laid against me.

I am alleged to have been involved in the organisation of and/or supplied equipment for and/or attended an illegal rave at Canary Wharf on 12th January 2013. I accept having attended a private party on this date I had been invited to; I did not organise any event on the 12th January 2013, and I did not hire out or lend any sound equipment or encourage anybody else to do so. I arrived at the occupied building at about 10 or 11pm. I was there for about 3 hours, and then I was attacked by an occupier of the building and I was hospitalised. I was taken to hospital at about 2am. I do not know what happened after I left, but I was not involved in organising any event and I did not rent or lend out any sound equipment in respect of this. I exhibit proof that I was hospitalised as exhibit SC/15. I also dispute that I have any criminal convictions for Class A drugs or for supplying any drugs. I did not cause any Anti Social Behaviour on the 12th January 2013.

On the 7th April 2013, I was going out with my friends and I had some off road bikes in the back of my van. I was looking forward to this day, and it had been arranged for a Sunday. We were waiting

at Ellesmore Road when the police stopped my van out side my friends. Ellesmore Road is a house on a housing estate. I do not see how this is relevant to proceedings for an anti-social behaviour order; in addition, the prosecution offered no evidence in respect of the charges that were brought even though they were reliant on police witnesses. I had been wrongfully arrested for not having insurance when I was insured to drive. I did not cause any Anti Social Behaviour on the 7th April 2013.

It is alleged that I was looking for venues in which illegal raves could be held on 24th May 2013. I dispute this. I had been contacted by a friend called Joshua who was living at 204 High Street Ponders End EN3 4EZ known as the Old Police Station at Ponders End. As I was driving towards 204 High Street I was stopped by members of the police. I consented to having my person and my car searched; however, I had not done anything wrong and nothing was found. I dispute making any comments about being able to attract people to illegal raves and illegal 3 day events. I did not cause any Anti Social Behaviour on the 24th May 2013

In respect of evidence raised concerning an event at Hyde Park on 20th April 2014; I was hired by norml-co.uk to attend the event. I was told it was legal, and I was hired on a dry hire basis. I was doing the job on a 'no profit' basis, and this was because the person who hired me had been let down by someone else. Members of the police told me at the event that I had not been hired by the organisers of the event, and that I was not supposed to be there. I had been hired by norml-co.uk, and I had been told that this was a licensed event. I took the police at their word, and I did not use my equipment on that day. I exhibit proof that I was hired as exhibit SC/16 I did not cause any Anti Social Behaviour on the 20th April 2014.

In respect of my presence at Unit 5 St George's Industrial Estate, White Hart Lane on 25th May 2014. I attended a commercial building that the occupiers were residing in having displayed s144 LASPO notices and in turn treating the premises as their home. There was no music played. I was not involved in the organisation of an illegal rave of any sort. I did drive there in my van VRM CX52JRZ, and I accept that I had 2 speakers in the van; however, I did not have a full sound system with me. I was using my van for storage. I had my van searched by members of the police, nothing was seized, and I went home I did not cause any anti social behaviour on the 25th May 2014.

In respect of the 6th June 2014 at an occupied Warehouse on Progress Way in Enfield; I do not accept that I was present at this warehouse on that date. I was with a friend at my house on this date and attended my mother's house Lorraine Cordell my sister was present Deon Benjamin and

family friend Jamie Duffy who has housing difficulty's and lives' at all my family's addresses and helps out where needed due to health problems my family has.

In respect of the 7th June 2014 at a Warehouse on Progress Way in Enfield; I had been having a family drink in the pub/hall with my cousin Dwaine Edwards his leaving party went from the 07/06/2014 till the early hours on the 08/06/2014. I had arranged to drop a friend's locker keys off to him, I left the pub/hall to go and visit my friend who was residing at Progress Way. I accept that I was approached by members of the police, he asked me my name and my details, and I did not reply to him. He asked me to follow him back to where I had just come from, which was where my car was parked along the Great Cambridge Road. I did what he asked. I felt like I was being accused of organising a rave, which I had not done. I then waited in the petrol station across the road for my friend so that I could give him his locker keys back. I then left and went back home. I was not involved in organising any event at a Warehouse on Progress Way. At no point was any of my sound equipment used for this event or did I cause any anti social behaviour on the 7th June 2014.

I was not present at any event on Progress Way on the 8th June 2014. I was at my mother's house with my mother, Lorraine Cordell and my Nan, Sister Deon Benjamin, and a family friend, Jamie Duffy.

On the 20th June 2014 I am alleged to have been involved in the organisation of and/or supplied equipment for and/or attended an illegal rave at 1 Falcon Park, Neasden Lane, NW10. I had been contacted and asked if I would hire a sound system out for a gentleman's birthday party. I agreed to do so, and the sound system and a van were collected from my house. My terms and conditions were signed and a deposit was given to me. I exhibit the terms and conditions and a copy invoice in respect of the transaction as exhibit SC/17. I received a phone call at 1am in the morning by a client who said that the sound system was being seized, and that the police were in attendance. I remember getting up and attending at around 1am to 2am. It took me 1 hour and 10 minutes to attend. I remember there being lots of members of the police present when approaching the address I had been given. I parked my car and approached the police at the doors and spoke to the police officers I explained and showed the invoice and a copy of my terms and conditions of hire. I was allowed entry to pack the sound system away, and it was explained to me that it was being confiscated. I was allowed to collect the sound system from the police at a later date. I never returned the sound system to the client as he had breached my terms and conditions. I did not knowingly supply equipment for an illegal party. I did not cause any Anti Social Behaviour on the 20th June 2014

On 19th July 2014 I am alleged to have been involved in the organisation of and/or supplied equipment for and/or attended an illegal rave at the 198 Great Cambridge Road, Enfield Town, EN1 1UJ. This road is between my house and my mother's house, and it is the route that I usually drive when going to Mac Donald's. I was passing what is known at the old Carpet right, 198 Great Cambridge Road when I saw a man who I know to be homeless being detained by the police. As I was travelling on the opposite side of the Great Cambridge Road, travelling from Lincoln Road, I had to turn around at the closest traffic lights next to the Odeon Cinema. I noticed a car park a few premises before 198 Great Cambridge Road, a general car park open to the general public and belonging to Magnet. I parked there as I could see that the police had blocked access to the car park belonging to 198 Great Cambridge Road. I locked my vehicle and walked up to where the police were detaining the person I knew. On doing so, a police officer approached me and told me I was under arrest for a possible breach of the peace. I was later released from police custody without any further action being taken. I was not involved in the organisation of any event on this day at 198 Great Cambridge Road, nor did I supply any equipment. I did not cause any Anti Social Behaviour on the 19th July 2014.

On the 24th July 2014 I am alleged to have admitted to police officers that I organized illegal raves. At about 16:30 I was driving down Alma Road. I use this road to travel between my mother's house and my flat as it is the shortest route between both. My Nan also lived just off Alma Road just before her recent death. On travelling from my mum's house on the 24th July 2014 after visiting my Nan and my mother due to my Nan's illness my Nan was staying at my mum's house. I was going home to my flat. I used Alma Road as a route to travel as I often do. I noticed an unmarked police car as it was indicating to take a right turn, the opposite way from which I was travelling. I realized it was an unmarked police car as I had seen the driver on active duty in the local area. As I drove past it changed its indication to the way I was heading. It indicated left. The car followed me and then put on its blue lights. I pulled over to the left hand side of the road, opposite the BMW repair centre along Alma Road. On the left hand side of the pavement leading to the back entrance of Durant's Park a male officer got out of the passenger side and approached my driver's door. I opened my window to a little and asked why I had been pulled over. The police officer said he was not sure why but his colleague had instructed him to do so. He then went back to his unmarked police car, and re-approached my car window with his colleague the driver of the police car. I asked again why I had been pulled over, and the driver of the police car pulled out his truncheon and said I had to get out of my car, and that if I declined my window would be smashed. I got out of my vehicle as I did not have anything to hide, I had not committed any offence whatsoever, and I was not wanted. I was told I had been pulled over because I had driven too close to the car in-front of me. This car did not stop and had not been stopped by police. I was then accused of having drugs, and I was searched, and my vehicle

was searched and nothing was found. I was then asked by the police what I was up to. I said that I was setting up my catalogue that I had been building with a friend, and that my website was nearly completed. I said that I was trying to achieve positive effects within today's society with my business I was trying to build a brand. This was a Thursday at 16:30. Once the police had checked everything they needed to we parted after I had shaken hands with them. I then made my way home. I did not cause any Anti Social Behaviour on the 24th July 2014

On 27th July 2014 in respect of an alleged rave on private land with a warehouse being occupied at the rear of Milmarsh Lane, Enfield. I am said to have been involved in the organisation of and/or supplied equipment for and or attended an illegal rave on this date. I attended a 20th birthday party at Milmarsh Lane, and I had dinner with people who were living there. I never new of any event taking place on. I did not have any sound system on the premises. I understand that the sound system was moved at the request of police, the owners of the PA equipment was the occupiers, and I did not have any hand in this. I had been invited as a visitor. The occupants had placed LASPO notices on their premises. I did not own any of the sound equipment that was found there, and I did not rent or lend any sound equipment to anyone in respect of this occasion or take part in the organisation. I did not cause any Anti Social Behaviour on the 27th July 2014.

I am further alleged to have been involved in the organisation of and/or supplied equipment for and or attended an illegal rave on the 9th to 10th August 2014 at Milmarsh Lane. I dispute this. I was not involved in organising any rave, and I did not supply equipment. The police have alleged that this event was run by Every Decibel Matters. I can confirm that I am not an employee of this organisation, or a shareholder, or a director and have no controlling interest in this company. I exhibit a letter sent from Every Decibel Matters Ltd "to whom it may concern" verifying this, I exhibit this as exhibit SC/18. I had gone to have a birthday dinner, but I was not present at an illegal rave. Police came and requested that people leave and so I left. I did have a conversation with the police concerning three empty CO2 gas canisters that I had in my vehicle, VRM MA57LDY. I did display knowledge of nitrous oxide, but this was just in a general conversation with the police as it is information I had to learn when carrying CO2 cylinders for welding. I do remember talking to a police officer about an occupier I had met called Jena having passed her first aid test. This was general conversation. I dispute encouraging any crowd behind a gate to come in. I did not try to incite others to breach the peace, and I did not try to put anyone in danger. I deny behaving in an anti-social manner on this date. I did not cause any Anti Social Behaviour on the 9th 10th August 2014.

Statement of Simon Cordell Further to my statement dated 24/02/2015

In regards to Steve Elsmore Statement further to his statement
Dated 11th August 2014
Amended on the 14/01/2015
Pages 26 to 30

In relation towards an application for an Anti Social Behaviour Order regarding myself the defendant Simon Cordell.

C Steve Elsmore States;
On the 5th November 2014 at Highbury Corner Magistrates, that I Simon Cordell made certain representations in regards to my company Too Smooth.

I Simon Cordell State;
I did explain that I was establishing my company and had become a valid member at Kemp Hall Community Centre there for committing my self to working for my local community centre, I did also say that I had been establishing my company brand and reputation, by way of provision of hire under a pro bono agreement with companies working on behalf of them self's, in connection with Enfield Council as they were all licensed outdoor events within the borough of Enfield contained within the local parks and such land marks.

Pc Steve Elsmore States;
That he has searched the police systems in reference to my statement made in court, "that I was in fact on curfew and had not been leaving my place of residence.

Signed

I Simon Cordell State;

I do agree that I did state that I had been of police curfew during dates 28/06/2013 to 21/05/2014 during court proceedings which I was found not guilty for on the 02/07/2014. Through out the Interim stage of the ASBO order held at the Magistrates Court, I do not understand how PC Steve Elsmore when checking the Metropolitan police databases could not find my statement to be true,

As on the date of 03/08/2015 at my trial the clerk of the court checked her computer system in front of the DJ and all else present in the trial proceedings and found my statements to be true. I had been on curfew from the 28/06/2013 until the 21/05/2014 a long with other bail conditions.

PC Steve Elsmore States;

That he had discussed entertainment licences with the police and Council Licensing Officers and they had informed PC Steve Elsmore, I would not need to apply for licensing if premises was already in place of licensing or that I can apply for A Ten Note if on outdoor land.

Simon Cordell State;

I had been in negotiations with Lee Valley in regards to Premises and Licensing to hold an out door community event within my local borough which was going well until the court proceeding became too much inclusive of the conditions imposed upon my self.

With regard to Barley Land Farm, due to everything that was going on in 2013, 2014, I had to take a step back from the event I wanted to host at Barley Land Farm, this was going to be picked up after I proved I had not done anything wrong which was the case. Barley Land Farm I did want to host this in 2014, but knew this could not happen as the case I was on lasted over a year, before I was found not guilty. I was due to pick up contract with regard to hosting this for 2015. This was stopped due to this ASBO order and the ongoing court proceedings becoming the priority over all in my life.

It was also noted by my mother due to the case in 2013 / 2014 that my PNC record was not correct and there were errors on it.

Please see emails and court file.

was made manager of club Juice Brimsdown Enfield and trusted with the keys and all operations of the company till the police made this impossible to manage due to being continuously being pulled over out side.

It was agreed for me to be the manager of the lunch of White Sands night club once known as the Beach club Brixton Hill, till the police publicly embarrassed me and shamed my name by arresting me out side at an arranged meeting with the owner, to which I proved my case at court The police officer lied to the lower court and I was found guilty so had to take it to appeal which I won my case, please see file. There was also a complaint put in and at this time the Serious Misconduct Investigation Unit have agreed the police officer lied my complaint is still on going.

I had committed a lot of time towards the launch of this venue prior. And walked away due to how I was being treated by the police.

The last I heard of the club was that it had turned into a chapel, the owner had spent a large amount of money doing the club up, and had verbal licensing agreement with the council to reopen it, but the local people did not want to club to reopen and the council refused licensing at the last stage.

PC Steve Elsmore States;

The Licensing officer had checked in Steve Elsmore presence that I Mr Cordell has never applied for licensing regarding entertainment.

I Simon Cordell State;

I had no reason at this time of my life to apply to the council as pickets Lock, Barlylands and all festivals, inclusive of Night clubs and community halls I was committing my personal time to while establishing my company and representing my brand, have or had licensing all ready in place, I have also listed a few more companies names I was working with and for below with correspondents.

Lock To Lock

Muswell Hill Festival is a fundraising community event for children with cerebral palsy and their families from across London.

Enfield Town Fire Works

Ponders End Festival

Durant's Park Festival

HD Festival

At the same time I was constructing and in development of my website with help from my mother and friends, hosted at www.TooSmooth.co.uk

PC Steve Elsmore States;

That he has spoken to Enfield Council with regards to my self Simon Cordell hiring Generators to them for events also that I had only hired out a human gyroscope to Enfield Scout for the local town fire works display dated 2013.

Simon Cordell State;

AS listed above is the name's of some events I was working within and for at the dates in question mainly before the interim stage and while other ongoing court proceeding progressed to which I was being accused of, to which I rightfully was found not guilty in my plea of innocence.

I had a curfew so could not stay with the equipment over night and as a company getting ready to start to trade I could not afford the higher of an experienced employee, so in turn I lost the contracts and faith in the justice system that was the main contribution towards the key elements need to cause my self to lose the contracts I and others had worked so hard to gain, due to the value of the products it was impossible to comet my self to a contract of hire any longer, at the same time the probationary conditions thought the interim stage imposed that represented the ASBO order made it once again even harder to continue forward than it all ready was.

PC Steve Elsmore States;

A company House Check has been conducted under the name Too Smooth and Mr Cordell's post code and there is nothing registered. I am also asked by Steve Elsmore to provide my company number.

I Simon Cordell State;

My company name was registered on the 10/03/2015 and this was shown to the court at trial.

I think there was a mistake in how I explained myself and due to this think you believe my company had been registered before this date.

However what I was trying to explain was my domains had been registered since 2010, and 2013.

The reason my company was not registered in 2013, which it was meant to be was due to the court case and the conditions of bail I was on.

I could not do the contracts I had in 2013 so my company was put on hold until after I was found not guilty at court on the 02/07/2014.

But then as soon as I had been found not guilty for that case, I then had to deal with this ASBO order.

PC Steve Elsmore States;

On Wednesday 10th 2014, in regards to obtaining Mr Simon Cordell's role also inclusive of any more information that could be obtained relating to him at Kemp Hall Community Hall. Diana Johnson hall manager was unavailable due to being sick, PC Elsmore spoke to assistant Hailey "Football Team Manager" who stated she was not sure of Mr Cordell role and had not seen him for about Two moths in advance to the last meeting to which he had attended due to being ill.

I Simon Cordell State;

Regards Kemp hall, I Simon Cordell was given a Business card by a friend of a woman name as Luvinia De-Terville.

Her business card represented a company known as Dems event management who provides licensed out door and indoor events, so I called the number in hope of making good relations relating to professional business possibilities, a meeting was agreed and went well.

I was later contacted by Dems Management to help with the on goings of a charity event in aid of a charity called Bliss that helps premature babies, this event had been cancelled and was supposed to have taken place at another community hall other than Kemp Hall to which she had lost her deposit.

I arranged another meeting with her and asked her to bring all documents for the event so I could see if there was away to rectify the problems, I took on the project to re launch the event at a new location and Kemp Hall was chosen, a meeting was arranged at Kemp hall for 19th September 2014 with Diana hall manager and Dem, at the meeting I noticed the community halls absinth of articles of association and the down full in the maintenance of the hall, it was explained by Diana that she was having issues with managing the hall due to a lack of communication with committee members and local Authority and that the hall was absent of licensing and no constitution was in place neither funding, on taking a tour of the hall I took a list of problems I could fore see for holding an event for Dem's and that could be rectified for Diana. I prioritised the list as I was going around here is some of the problems I listed.

No lights in girls/ woman's toilets / this was winter so it was dark early.

No Baby changing mat

Girl's toilet door no hinges.

Boys / Mans toilets no lights
 Décor dull
 Guttering out side Missing
 Front Car park needs cleaning
 Rear fence broken
 No safer foods controls for regulated provision of food or sale of alcohol
 No fridge controls
 Combustible papers in fridge's no temperature controls
 Electrical fuse board needs testing and cables 3 double plug sockets are burnt out
 Stage dangers and needs maintenance.
 Dance stage in main hall need reconstructing
 No internet
 No telephone
 No CCTV 8 cameras not working
 Kitchen facilities out of date
 New 1 new PC missing a grant was issued by local authority for 8 new laptops
 No sound Equipment
 No TV facility
 Pool table Broken
 Tennis table broken

The list went on, I agreed to come back and help out where I could, and did do so at my own expense, I fixed most of the listed above over time and a lot more to which I still have all the notes of and information relating to the contract work. I have and provide evidence of Diana hall manager thanking me for my help and that she had not meet any one in 15 years that she could trust with the keys and management of the hall and because of this she had neglected time with her own family in the aid of keeping the hall running for the local children and community. This was because she trusted me with full management of the hall under her supervision. I can provide the information.

I also do not understand why PC Steven Elsmore would want to obtain more information as to my role at Kempe Hall and why he would speak to someone he does not know about me and any role I have at Kempe Hall. If the person who currently run Kempe hall was not there he should have asked for a number to contract her on, not gone about speaking about me to someone else he did not know what role they had in Kempe hall.

PC Steve Elsmore States;

On Sunday 23/11/2014 police stopped the following two males who were seen walking around an industrial estate Stockings Water Lane Enfield at 01:10 hours.

Both males seem to be under the influence of drugs.

On page 28 the CRIMINT reference states the other male, This has been blacked out, it also states that this person was living with my self Simon Cordell.

I Simon Cordell State;

On the 22/11/2014 I had been at my home address with a friend named Josh who was homeless when my mobile phone rang a person claiming to be a police officer spoke to my self he called me unexpectedly it was around 23:45 hours to 00:20 hours I got the call. This person said they had been at my flat earlier but could not get the entrance code to my front door, they had returned to the police station to call me and get the door code, to which I thought and knew to be out of place I asked for the police officers badge number to which the person speaking would not give it to me, making me not believe this was a police officer I was in fact speaking to I would not give the door code out, on putting the phone

down I called the police and asked if it was them asking me for my entrance code to which the reply was no.

This worried me even more because I live in a communal building that does not have an intercom system or CCTV. You must know the door entry code to the main entrance and you can get to my front door.

This made me and my friend scared, and could not understand how someone had got my number and called and wanted the main door code.

I called my mother who told me and Josh to come to her house, my mother had been cooking something to eat so I turned everything off and left my flat with Josh.

We walked along Green Street, towards Brimsdown train station going towards the river lee.

I had called my sister and she agreed to pick us up in a cab at Ponders End train station as it was raining very badly.

As we was walking the police pulled us over they said they were the police care team and asked us what we were doing, I told the police what had happened about the call and was told it was them that had called me for the door code.

They said that they had been at my flat early and could not get in, so had gone back to the police station to get my number to call me to get my door code.

I asked why they wanted my door code and why they wanted to see me, they would not tell me.

We both got searched by the police and then let go, me and my friend Josh was not under the influence of drugs, and the police never found anything on us when they searched us both. They asked Josh why a boy from East London was in North London and he told them to see his friend.

I called my mother again and was really upset as the police was not leaving me alone, I had done nothing wrong and never went out of my flat any more, but the police kept coming to my flat when they wanted.

When we got to Ponders End my sister was waiting in a cab, which we got into and went to my mother's home, my sister then left in the cab to go home.

My mother was really upset and made a call to the police at 02:04 to find out what was going on and why the police kept turning up at my flat CAD 1129:23/11/2014.

She was told that I called the police, she asked me and Josh if we had called the police which me and Josh replied no to, I told her I had only called the police after the police had called me. She carried on talking to the police on the phone.

Calls that were made on the 23/11/2014 by my mother to police due to what happened on the 23/11/2014.

02:04 lasted 12:00

13:57 lasted 07:00

14:52 lasted 04:00

Please see print out of my mums phone bill with times and date of the 23/11/2014 CAD numbers 1129:23/11/2014. and the email that was sent to my solicitor by my mother.

Pc Steve Elsmore States;

On Friday 19th September 2014 at approximately 14:15 AT Kemp Hall

I Simon Cordell State;

This date Friday 19th September 2014, I was at Kemp Hall with Luvinia De-Terville we were due to have a meeting with Diana hall manager in regards to the higher of the hall for the charity Bliss.

.....

.....

Yes I agree the police did come to Kemp Hall while I and Luvinia De-Terville were there in the meeting with Diana hall manager about hiring the hall for the bliss charity.

I did speak to them as they spoke to me; I told them why we were there about hiring the hall for the bliss charity the police could also see we were in a meeting. They seemed interested about the charity, and I went on to say about my goals for my company and showed the police a project I was working on, on my laptop, the police did ask some things which I told them.

I do not see how the police was utterly bemused I was not the only person who was talking and mostly it was the manageress talking to the police, as the police was there to speak to her and our meeting had run over and we were waiting for the police to leave to carry on talking to the hall manageress.

I did not tell the police I had 3 lockups, the police know where I keep my equipment and that is not in lockups.

I do not understand why PC Steve Elsmore has gone on in his statement to say about GMG members nor do I understand why gang members have been included in his statement. Nor do I understand why he has included in his statement about issues with Kempe Hall. I had done nothing wrong and had nothing at this time to do with Kempe Hall I was there about hiring the hall for a charity event run by Dems.

I also do not understand why the police when got the opportunity did they start to ask the manageress tactfully how long she had known me, they knew already the reason I was at the hall and that was for a meeting about hiring the hall for a charity event.

Shortly after this date the police started to publicly make a bad example of me and started to harass me by pulling me over as I was attending the hall one method was to strip searching me in there van in the front car park in front of all the children and other community members that I was there trying to help which is not mentioned and there are no Cad's relating to within the ASBO application, the police also attended the hall more than the twice mentioned by Steve Elsmore and the once I mention when I was publicly embraced by the police in relation to questions regarding my self, I gave up and walked away as I did with the night clubs, as the police were set out to destroy all myself and every one had worked so hard to gain.

PC Steven Elsmore Updated statement dated the 26/06/2015

PC Steven Elsmore again says about Kempe hall page 30B as said above I stopped going to Kempe Hall around Dec 2014 due to what the police was doing, but was still getting emails from them I believe they did not take my email out of the email list. The police are aware of this as I have had more calls that the police have been there asking about me. PC Steven Elsmore states that Kempe Hall was taken back into possession of the council due to the way in which it was being run.

This is not correct it was taken back due to accounting not being completed on time that Enfield council was asking for. Please see email dated 21/01/2015 from Monica.Kaur@enfieldhomes.org

Also please see email dated 17/02/2015 from Monica.Kaur@enfieldhomes.org and Simon.James@enfieldhomes.org

Also please see Letter dated 25th February 2015 From Simon James.

So by 18th March 2015 Kempe Hall was already back in Enfield Councils possession when the police did a search of the grounds and found a firearm. And I had not been at Kempe Hall since Dec 2014.

I am Lorraine Cordell; my date of birth is 03/10/1963. My home address is as stated above. I am making this witness statement in response to the police and local authority's application for an anti-social behaviour order on Mr Simon Cordell. I am the mother of Simon Cordell.

I am writing this statement due to the situation my son Simon Cordell is faced with. Due to the police saying he is the person that is setting up raves on dates within this ASBO.

My son has had many problems with the police since a young age, this has not just stopped there as when the police see my son's friends they are pulled, not due to them doing anything wrong but just to talk about Simon and what he is doing. This has had a large effect on the whole family for many years. If the police saw my son Simon Cordell they would pull him for no reason. I am not saying my son was innocent he does have a record. But the police have harassed him since he was around 15 years old. Many complaints have been put into the police and IPCC due to the police will not leave him alone when the police see him they just have to pull him.

Signed *L. Cordell* Witnessed By

At this time there is an outstanding complaint that they are waiting to deal with due to the police pulling him for no insurance. Then trying to void his insurance by saying there were tools in his Van when there was not this case is on appeal due to him being found guilty. I have been trying to get the records from his insurance company since this started in 2013, it has taken me to put a complaint into the financial ombudsman, I have only just managed to obtain the prove that there was no tools in his van like the police officer said for the appeal case.

There is not just this case where he had problems with the police there was around 9 cases for the time frame of 2013 to 2014 when he was insured to drive.

On 25/06/2013 my son was arrested at his home address. This case had a large impact on my son Simon Cordell heath, due to this his long team girlfriend ended there relationship due to the impact the police was having on there relationship.

My son new he had done nothing wrong, but he was remanded by the court on the 26th June 2013.

On seeing my son's Simon Cordell PNC record which was sent to me on 26/06/2013 at 20:34 via email from his solicitor I was shocked to see an error on there from many years before hand of failing to surrender which I believed had been corrected years before. This was one of the reasons for refusing him bail was the failing to surrender on his PNC.

His solicitor applied the court to get him released on bail at Southwark crown court the judge did release him on the 28/06/2015 with 6 bail conditions.

- Surety £1000 from Ms Lorraine Cordell (To be surrendered to the nearest Police Station) – prior to release from Custody.
- Residence @ 109 Burncroft Road, Enfield, EN3 7JQ
- Not to enter the London Borough of Southwark
- Surrender Passport to nearest Police Station
- Report daily to Edmonton Police between 1400 - 1600
- Curfew 8pm - 6am (doorstep condition – the Defendant should show himself to any officer upon

Prosecution's reason for opposing bail:

Signed L. Cordill Witnessed By _____

- Commit further offences whilst on bail
- Failure to surrender

I do have the decision letter from the judge if needed for the bail application.
And the memorandum of conviction from the case of Simon Cordell heard on 03.03.2008 at City Of London Magistrate Court for failing to surrender, which showed the case was dismissed by the court due to my son proving he was in a bad accident and was in hospital.

I also noted there were more cases on his record that could be there in error so I contacted Highbury Corner Magistrates' Court who now deals with cases at Enfield Magistrates' Court this was on the 19 February 2014 via a phone call after speaking to someone at the court they asked me to send an email with all the dates and what was needed. I wrote the email and it was sent on the 19 February 2014 at 13:36 via email. It took until the 13/032014 to get the information I asked from by the court. I went to Enfield Magistrates' Court to collect the information and was told to be there by 16:00 to 16:30. Once I got to the court I spoke to the lady who had been gathering the information I had asked for, her name was Benedicta Odjidja. She came out of the office to speak to me and to explain to me about cases that was not in the courts register. She had a print out which I asked for a copy and she give me one to show the cases that was not in the court register I have been trying to get these cases corrected on the PNC but due to family issues I have not had a lot of time and there is still cases I would like looked into at other courts. This information was given to Woolwich Crown Court and the Judge told the CPS to look into this and address it this has not been done.

On I believe the 01 July 2014 Simon was found not guilty by the judge before the case went to trial. Due to information I had obtained. On the 02/07/2014 we made a call to the police to ask about getting my son's things back, to be told by the police officer in the case that the item they took from his home on the 25/06/2013 that the police had used to link my son to the crime, the police had damaged it when taking it from his garden so it was destroyed a few months after the case had started I still to this day cannot understand how evidence can be destroyed before a case went for trial. The police office in charge told my son he could not get it back due to this. there is also the fact in this case that the police let the person who claimed the burglary get away with insurance fraud, they pined everything on to Simon but new in the Feb 2013 police allowed people to walk out with loads of things.

On the 10/04/2014 my son Tyrone Benjamin was in a bad motor bike accident which the police had to attend. My son Tyrone Benjamin was air lifted to The Royal London Hospital where he had suffered a bleed on the brain, a multiple injuries to his legs and hip and ribs. When the police came to my home they could not even tell me if he was alive or dead.

- Bleed on the brain
- Shattered left hip.
- Shattered left knee.
- Left Femur was broken in 2 places.
Tibia on his left leg was broken in 2 places and had released the bone out through his left knee.
- Fibula was broken in 2 places.
- Nerves are damaged in the left leg.
- Right Ankle was shattered and above the Right Ankle, and bones in his right foot broken.

He also had a few ribs that were broken.

The hospital could not do the operation that was needed for his left leg due to the bleed on the brain so had to try to align his legs and keep them in place.

The hospital did the 1st 8 hour operation 3 days later as they could not wait any longer the damage to the left leg was very bad. On this operation they tried to repair the hip and Femur the rest of the left leg and knee was put into a cage and they cleaned the lower left leg as the bones had broken the skin and was a big cause for infection they did not have time to do anything to the Right leg.

Around 5 days later they did the 2nd 8 hour operation. This was to try to fix the left knee and the lower left leg and the right leg. The doctors was and still are very worried that the bones are going to die in his left leg as it is not healing the way it should. Since the accident his left hip and knee was showing no signs of healing, around July 2014 the knee was looking better and had started to heal but the hip was still showing no signs of healing in Sep 2014 the doctors told us that if there were no signs of healing to the hip by the Nov 2014 they would have to replace the hip. on the

Signed L. Cordell Witnessed By

check-up in Nov 2014 we had a little bit of good news the left hip had showed a little bit of healing so they was going to keep a close eye on it. But since the accident his has suffered from infection to the lower left leg, so has been on tablets to try and clear it but this has not worked. The doctors said they could not remove the plates, pins, screws and rods holding his left leg together, that they had to wait until it had healed more, so the infection in the lower left leg was just left to him taking tablets. in the Dec 2014 the infection was getting worse and the doctor said they are going to have to remove the plates, pins, screws and rods to that section of his lower left leg he had the operation for this on the 15/01/2015.

So how police officers could say Tyrone Benjamin was at a rave on the 07/06/2014 is beyond me Tyrone Benjamin could not walk was in so much pain and on very strong pain killers and needed care around the clock. The accident he suffered is life changing he still may need his hip and knee replaced, his bones can still die in his left leg. He has memory problems due to the bleed on the brain, the nerves are damaged in the left leg and he has no feeling down the outside of the left leg which the doctors have said will not come back. The left leg will be shorter or longer then the right leg but the doctors can not tell us which one as of yet. He is having very bad pain still and also very bad pain to his lower back and to date he is still on very strong pain killers. His left lower leg was infected since April 2014, but the hospital could not do anything but keep him on antibiotic tablets, this lasted until the 15/01/2015 when he had an operation to remove the plates, pins, rods, to that section of the lower left leg, there is still infection to the left lower leg but it has been better since the operation on the 15/01/2015

In March of 2014 my mother started to feel unwell, and we was up and down her doctors. The doctor did think it was her gallbladder so we were waiting for a scan date from the hospital. My mother was getting worse and feeling very unwell as time went on and the whole family was really worried.

On the 07/05/2014 she had an appointment at the hospital to see her oncologist due to in 2011 my mother having

- Bilateral Breast Cancer.
- Wild Local Excision and Sentinel Lymph Node Biopsy.
- Grade 2 Invasive ductal carcinoma T2 NO.
- Right grade 1 invasive ductal carcinoma T1 NO.
- Both tumours ER positive, PR positive, HER positive.
- She suffered from history of manic depression and was on Clozapine.

On the 07/05/2014 again my mother was given the all clear by her oncologist.

But my mother's health was getting worse; her GP could not understand why she had not had the date from her scan. So re sent off this time to Chase Farm Hospital hoping it would come faster. during the week of the 02/06/2014 she had her 4 weekly blood test due to her being on Clozapine, on this check up Jenny hunt noticed my mothers heart was faster then it should be so gave her the form to get a heart trace done at chase farm hospital. We had booked this to be done on the 09/06/2014 after we had seen her GP. But around the 06/06/2014 we had noticed my mother had a yellowing to her skin. At this stage my mother was really not feeling very well. I did take her for around 2 hours on the 07/06/2014 to Dwayne Edwards leaving party as she did not want to miss it as she would not see him again for around a year as he was leaving to travel the world. On the 09/06/2014 we went to her GP appointment we still had not had a date for her scan, and her GP was not happy about this, I told her again about the colour of my mothers urine but tests she had done had all shown up clear for infection on her urine over the past months, and that we had also noticed yellowing to her skin and about the weigh lose. And that we were going to chase farm that afternoon to have her heart test done. She asked if we could get a full blood tests done that afternoon which I said that would not be a problem.

I took my mother to the hospital and she had the tests done, the next day I got a call from my mothers GP asking us to come to the GPs at 10:20 on the 10/06/2014 that my mothers blood tests had come back grossly abnormal, I asked what this meant and was told that after she saw the doctor she would most likely need to go to the hospital. i said i would be there the next day with my mother. on the 10/06/2014 we went to the see her GP and they wrote a letter and made a call to the North Middlesex Hospital to say we was coming there right away.

We got to A&E and they done more blood test and x-rays by the time this was all done and the test was back it was to late for them to do a CT. they wanted to keep my mother in hospital, but she really did not like hospitals so it was agreed to allow her to come home and for us to be at the hospital at 09:00 on the 11/06/2014 to have the CT done we was told we would be at the hospital all day as they wanted the results of the CT before we left the doctors was still saying it could be her gallbladder but her liver was very enlarged which could be due to the gallbladder.

Signed L. Cordill Witnessed By

On the 11/06/2014 we went to the hospital for 09:00 and she had the CT at around 09:30 I saw Dr steel come onto the day unit around 12:00 and went into a room, i new there was something wrong and i believe so did my mother as she said he had been in there a long time. I said maybe he had come out and we had not seen him to try and stop her worrying. at around 15:45 Dr Steel came out of the room and walked towards us and asked us to come into the room.

We was told the news that the breast cancer had metastasis, I asked how many growths and he could not say, he said that the oncologist doctor and nurse was on the way down to see us. The doctor a nurse came to see us I again asked how bad it was had many growths was in the liver the doctor told us that it was severe and it was in the spine and ribs. That they were trying to book a CT biopsy and bone scan, this would be for the next day or the Monday. I broke down at the news how could this have been missed.

My mum was put on a lot of tablets to try and bring the enlarged liver down; she did not want to stay in hospital.

When we left the hospital I went to my sisters to tell her the news she new by my face it was bad when she opened the door. That day the family was all told.

We was all up and down the hospital a great deal from this point, the doctors gave my mother 6 to 12 months without treatment and 18+ with treatment. but there was still a huge problem as they wanted to treat her with chemo, which they had not done in 2011 due to her being on Clozapine both drugs have an effect on the white blood cells. I asked how could they treat with chemo now but could not do this in 2011 they never replied to that. They said they were going try a very low dose of chemo which I would have to gave daily for 2 weeks then I would give white blood cell injections the 3rd week when she was not on the chemo tablets and at the start of each session she would have to go to the chemo day unit and have the a drip due to it being HER2.

The problem was they gave her an overdose of the chemo tablets and I did not know. so I should have been giving her 500mg X two times a day I was giving my mother 1500mg x two times a day.

My mum went down hill very fast from when the 1st session started, when she had her next appointment before the 2nd session was due to start my mother looked very ill and was not eating or drinking. The doctor even said how ill she looked but carry

Signed L Cordell Witnessed By

on with the 2nd session of treatment but did not notice the mistake on the dose of chemo I was giving my mother. I called the hospital 2 times after the 2nd session of chemo had started and was told to just give her more tablets to start the diarrhoea, 9 days into the 2nd session I demanded my mum needed to be in hospital we was told after hours on the phone to the hospital to take her to A&E by the on call oncologist doctor. I took my mother to A&E on the 27/08/2014 where they took her in right away and done blood tests. They could see how ill she looked she could now not even walk by this time. They stopped the chemo right away as I believe this is when they saw the mistake on the drug dose. We were told they needed to get fluids into my mother and she was taken to the ward. We were not told my mother was in acute kidney failure. On the 28/08/2014 it was the Macmillan nurse who told my sister about the dose of chemo. And on the 29/08/2014 it was also the Macmillan nurse that told the family about acute kidney failure, the family asked my mothers oncologist doctor 4 times about the acute kidney failure on the 29/08/2014 and was told 4 times that it was not nothing to do with her Kidneys it was the cancer.

On the day of the 29/08/2014 a drug was put onto my mother chart of Codeine Phosphate. The family left the hospital at around 19:15 and I always went back to the hospital around 21:00 to 21:30 on returning to my mother's room I could hear there was something really wrong. The nurse asked if my mother had been like this all day I told her no she was fine when I left at 19:15. My mother went down hill very fast this night all the family came to the hospital my mother passed away 9 hours after being given the drug Codeine Phosphate. Codeine Phosphate should never have been given to someone on Clozapine there are only 2 outcomes and one of them is death. We are still waiting for causes of death.

On the 07/06/2014 a member of the family Dwayne Edwards was having a going away party as he was due to travel the world for 12 months. Most of the family was there including my son Simon Cordell. The party was held in a hall I did not stay long as my mother was not well but she did want to go for a few hours due to not seeing Dwayne for many months, we stayed around 2 hours and then I took my mother to my home where she stayed with me.

On the date of 22/11/2014 Simon was at home with his friend Josh, they were working on bits for the company to try and take Simon mind of things Simon at this stage was really unwell and unstable. It would seem police was at Simon Flat outside trying to get in this was late at night.

Signed Simon Cordell Witnessed By

They could not get the code to the main door and went back to the police station where they seem to have got Simon mobile number and made calls trying to get the code for his main door. They did say it was police and Simon got very scared why the police wanted his door code to get in to see him the police would not give him the reason as to why they needed the main door code or the police numbers they would not give a reason as to why they wanted to see him.

This did not just scare the life out of Simon but also Josh. and Simon just wanted to get out of the flat. Simon made a call to me and told me what had happened I told him to come to my house.

He would not even use his car as he was so scared of what was going on he did not even know for fact it was the police that had made the calls to his mobile.

Him and Josh left the flat and would not even go the way he as a rule uses to get to my house.

They went down Green Street over the train station and walked down Mollison Ave then got on to the river lee and walked along to come out by Ponders End train station where they was meeting his sister Deon in a cab to get them to my house. It was really raining that night and then they got here they was very wet.

I made calls to the police in fact 3 calls as I put a complaint in at what was going on as the police for some reason at this stage kept going to his flat for unknown reasons and he was not stable enough and very scared and was not coping. I did let Josey know what was going on each time.

I do have my phone bill with all the phone calls listed to police via 101 calls via my home phone if this would be needed. This is without all the phone calls Simon made himself to police. And he has some police officers numbers.

In the end an inspector stag I think his name was called and at 1st spoke to Simon, I was still not happy with what was going on so again made a call and asked for the inspector to call me back which he did some time later that day I think, on that call it lasted around 1 hour maybe a little longer I explained everything that was going on

Signed L. Cordell Witnessed By

with the police and Simon on that call and he said he would get the police to stop going to his Flat.

The police did pull Josh and Simon that night on the 23/11/2014 which had now been added to the ASBO application, which also made Simon very scared even more. They asked Simon and Josh what they was up to Simon told the police why they was out on the street that they was scared due to the calls they had for his main door code and said the person that called said it was the police, at this the police officers told him they was in fact the ones that had made the calls to him. But did not still tell him the reason they wanted to see him at his Flat. I do believe the police was watching and just doing all this to intimidate him as they new he was really not well at this time.

They did a search on both Simon and Josh and did checks then let them go. Simon and josh was not on drugs the pair of them was really scared at what was going on, and Simon was really unstable. The police and inspector at Edmonton Police Station would have all the CADs from the calls that were made on the 22/11/2014 and the 23/11/2014. the way in which this day has been added to this ASBO application is beyond words as if was not for the fact the police was harassing my son still my son would have been in his home with his friend I do believe the police was doing this to make my son more unstable in his health.

The police was going so far with going round his Flat all the time for no reason, when people from the AMHP team went out to do an assessment due to how unstable he was at this time it was late, when they got there they called me and said why are the police there I said I did not know why but I was really upset due to the police was not stopping with him. Simon was going mad and the assessment team told the police to leave him alone. I was still on the phone at the time to the assessment team and they asked the police why they was there, I heard what the police told them why they was there, they said they had a call from 1st they said 112 then they said 122 then they gave a next door number, which I did not hear right they did not know what to say to the assessment team they was mixing everything up. the police left but due to the state Simon was in the assessment team felt it better to leave and not upset him any more then he was already due to what the police was doing just keep turning up at his flat for no reason. All he kept saying is why does the police not leave me alone. i have done nothing wrong.

Signed L Cordell Witnessed By

The assessment team went to Simon flat the next day with no luck to getting to see him they spoke to him at the door but Simon would not open the door, they could clearly see he was not stable at all and did not want to push it. So left he kept saying the police just need to leave him alone he not done anything and was not leaving his flat.

The assessment team left it around 5 days to a week I think before they tried again this time Simon did let them in and spoke to them this was on the 25/11/2015.

On Friday the 12/12/2015 the police went to Kemp hall committee centre looking for Simon again.

The police are still popping round now and then just to keep him at a low and not feel safe. This can be the only reason the police keep doing this. They know his health is not good due to everything over the years the police has been doing to him they have not left him alone since he was a young age. I am not saying my son has done nothing wrong in his life as that is not true but the way in which the police have carried on it like nothing I have every seen, this has put the whole family in a state, this being worse over the last 2 years Simon health has got worse over the last 2 years and this is due to what the police are doing.

There was also a complaint put in to the IPCC on the 11/11/2014 about the police and what they was doing and about the ASBO and his PNC record.

from 2013/2014 there was an issue with my son's insurance not showing up on the MID database, as the court will be aware as the police have said this in the ASBO, it was recorded on the police system and we had tried to work out what the issue was by calling the MID database people and the police and his insurance company many times. I also wrote many emails, even the police tried to work out what was wrong. But this did not stop his vehicles getting seized at the weekend when his insurance company was closed. The police was always told when he got stopped to check there systems as they would see there is an error and that showed on the police system, my son always carried his insurance documents to show police. But police still seized his vehicles they did not care what was said on the police system or my son had his insurance documents.

Signed L. Cordill Witnessed By

Due to this my son driving licence is a mess for no fault of his own summons have not been received so dates was not known that he was due to be in court so he was found guilty, I have written many emails to courts to get cases reopened. On two cases we had to file statutory declaration with the court. One of these cases is awaiting appeal.

But on the 14/11/2013 my son was in Brixton, the police was doing stop checks but let my son pass, he was on his way to a meeting so not long after the police checks my son pulled over to the side of the road just outside where the meeting was due to take place about a job. He was with a friend Dean Read and Dean got out of the vehicle to go to a shop and buy drinks and food as they had got to the meeting around 1 hour early so needed to wait my son stayed in the vehicle, and then a police officer came to the vehicle and said he was not insured. My son got his insurance documents to show the police officer. And also made a call to his insurance company where he passed his phone to the police officer so they could talk to them. it was confirmed to the police he was in fact insured. But the police officer was not happy with this so called his insurance company again this time saying my son had tools in his vehicle. The police officer would have known by looking at my son's insurance documents this would void my son's insurance, and this was confirmed by his insurance company. For what reason the police officer did this i still do not know. My son was really upset and calls were also made to me, i spoke to one of the police officer and he did confirm there were no tools. but this did not stop the other officer from doing what he was doing. My son asked for an inspector to come which one did and the inspector went with what the police officer was saying. my son would not take the ticket the officer wanted to give him and asked to me arrested, that this was not correct what the police was doing. The vehicle was seized and my son taken to the police station. Where he was later released with no charge but they made him sign the ticket and accept it.

I made calls to the police again and put complaints in about what had gone on. but the police had gone of duty and would not be back on for 5 days. all I was told is we can take it to court and prove it. my son's insurance company was also making his insurance void. So there were many calls made to the police on 101. it was due to this a very nice lady told me that to tell my son to go to the compound as they would have to make a list of what was in any vehicles seized due to them becoming liable. i sent emails to the compound as we only had the week end my son's insurance was due to be stopped at 12.00 on the 25/11/2013 and I was also forwarding them over to

his insurance company so they got them as soon as they opened on the Monday. i called the insurance company as soon as they opened on the Monday also and they said they would try and contact the compound that they would not stop his insurance until they heard something. Later that afternoon i got an email asking if Simon could go to the compound and call Kelly Tiller at KGM and the phone number was given in the email. But due to the time if he had left then by the time he got to the compound his insurance company would have been closed so i wrote an email saying this and saying he would attend the police compound in the morning on the 26/11/2013 which he did and spoke to a manager who confirmed to Kelly Tiller on the phone there was no tools listed on the seizer notice and nothing taken out of the vehicle. if tools was in the vehicle when it came to the compound they would have been placed in safe storage and returned when the vehicle was picked up.

Each time the vehicles have been seized he had to pay to get them out of the compound.

The summons for this did come and I sent it off with a not guilty plea via email but it was what the police officer had written in his statement that shocked me, there was nothing about any tools.

I was still trying to get all the information for the insurance company for court i put in a number of subject access requests which they did not deal with.

On the 26/11/2014 my son was found guilty at Wimbledon court. For no insurance due to using the vehicle as business use. My son's insurance is trade insurance but not for odd jobs which the police officer had said. My son was banned for driving got a fine and points from the court. On that day my son's health was not good and the fact he was doing this case himself did worry me he was not up to it. on this day we put an appeal in which the court accepted.

This appeal was heard at Kingston upon Thames Crown Court on the 05/03/2015 but this time I had got the information form my son's insurance and had the audio's of the 14/11/2013 between the police officer and KGM and what he said to them, and the audio from the police compound and Kelly Tiller the email the compound had sent to Kelly Tiller, a Letter of indemnity and a section 9 witness statement.

The judge found my son not guilty and was appalled by what the police office had done, this was the 2nd time the police office lied to a judge under oath. The judge ordered the police officer not to leave the court building. it was also noted that the

Signed L Cordell Witnessed By

police did not have a 101 book his statement was not dated and was only a copy, and the police officer told the judge that the seizer ticket had been lost that he gaven my son. The judge ordered the real ones to be in court he wanted them. The remarks the Judge made showed he was not happy the judge also order the audio files stay on file, and told the CPS he needed to inform the right persons as to what had gone on. The judge released us from court. There is a complaint with the IPCC about this.

There is also the fact that the police know that the public order unit at Scotland Yard hold the people names that set these parties up. we have asked for this information but it has not been given. I have spoke to the public order unit a Val tanner and DS Chapman and have been told by them they took over dealing with raves from the Croydon Rave which has been said in this ASBO the fact is they only have my son's name on there system's once and that was when he was arrested at carpet right.

I know for a fact due to information I have gather since this ASBO was given to my son that the public order unit in fact knows who was the organisers are to the raves my son is said to have done.

there is facts on the 6th June the there was a party due to take place in Essex the public order unit had been in contact with the organiser of this party which was to last the 6th 7th 8th June 2014 for the weeks before it was due to take place. on the day of the 6th the police sent helicopters out in the Essex area to find the location of the private party, the police helicopters did find the location and within 10mins police was at the location.

Essex police officer found the person they was looking for and handed a police dispersal order for the people that was there at the location and also an order that he could not setup within the next 24 hours.

Simon was not anywhere near Essex and was not planning on going to Essex. that day or any other day.

The private party got moved to a new location by the person and this was Progress Way, Enfield, so how police can blame my son for this party is beyond me they have it on the police systems and know it was not my son.

I believe all the dates my son is changed with in this ASBO the police all ready have on there systems at the public order unit at Scotland Yard who was the real organisers and that was not my son.

On the 19/07/2014 police at the public order unit at Scotland Yard had also contacted the person they new was the organiser.

Signed

Witnessed By

Each date in this ASBO the police say my son was the organiser the police already have the information on the police public order unit at Scotland Yard system as to who done this and this was not my son.

I believe this ASBO breaches Article 6 of ECHR is a person's right to a fair hearing.

If information is withheld from the court that would show my son is innocent with the intention of causing a guilty verdict to be returned, that is perverting the course of the justice/conspiracy to pervert the course of justice and, quite possibly, misconduct in public office/conspiracy to commit misconduct in public office on the part of those involved, if police officers, local government officers, civil servants, government officers.

Where a verdict or decision is made by a court as a result of pertinent information being withheld and which no court or judge would have made had that pertinent information been made available, the verdict/decision is said to be perverse. It also goes against natural justice.

Any public authority or person whose function is known to be public, like a police officer, who acts in a way that is incompatible with a persons rights under the European Convention on Human Rights, acts unlawfully according to Section 6(1), Human Rights Act 1998.

I do believe if the police disclosed the information that is held at the police public order unit at Scotland Yard this would show my son as innocent.

Hi Simon,

have you forgotten our last chat today bro?

Not gonna patronise you but I did explain today my position of what I thought we had provisionally agreed.

I had in mind a budget of £200 per day and obviously thats why I was happy to use you.

It was originally only for always for Monday but then we started talking about the possibility of Sunday, which you know is not my main concern as they have always been responsible for their own power provision. They expressed an interest in having a generator and as you requested that you need to understand their requirements, which they have never provided it was not something that was likely to happen.

You phoned me about 3 times today to say you were unhappy because you thought you were getting 2 days hire. So for you I spent time and arranged that you could do tomorrow but under the understanding that they might need power for 1,2,,3 or 6 stalls, I do not know and their guy could not tell me. So not sure what to say about that as its a lot of work for 1 or 2 stalls but if you want to do it then kool.

The Space Ball was always an extra component which I was happy for you to bring if it wasn't impacting on my budget as it's not something I really need but you said you wanted to give one of your guys a chance to do something, so I was up for that.

Once again today I made a 'speech' for you and got a FREE pitch tomorrow with the money being for your own pocket.

As for monday, to be honest bro, it's not something I can be paying for but once again I will take the flak and give you a free space if you want it.

I can't say fairer than that right now. I know you've invested in your setup but you must understand you can't make it back on 1 job.

At the rough rate of £250 per day (including man) I will try and probably can get you more jobs and get you recognised as a local resource but you have to wrk with me bro and not try and kill me on this one.

Hope you understand where I'm coming from.

Thanks.

Hi Omar

i will agree with the £500 for the 2 days but remember this was not the agreement that was made at the start of this. But you will need to pay for the fuel. today i used £40 in fuel and will use this again tomorrow maybe a little more as tomorrow there is a lot more but i take £80 for fuel for both days. and can you pay me in the morning as i would like to pay my friends some money and not be paying out of my own pocket for the fuel.

any Thanks

Hello all,

In regards to the power provision for the Ponders End Festivals, we will have a generator so we are able to offer you power for the day.

However, in order for this to be done we need to know what your requirements are on the day. i.e. what you will be running? e.g. 2 tea urns, microwaves etc.

49

It would be helpful to know if you are running any thing different from a normal 13amp plug.

You will need to bring with you sufficient extension cables to plug into the generator.

Please note if you do not provide me with accurate information it may make it difficult to guarantee you will get the power you need.

Please get back to me.

Thanks.

Omar.

Hi Simon,

I'm not sure if you have previously received this but attached is a layout plan for the Festival on the 26th. I hope this helps to make sense of where the power provision is needed and get an idea of the length of cabling and type of distribution required. Let me know if the electrician wants to meet up.

If possible, I may be able to arrange you providing the power also for the event one day before on the 25th. Let me know if this is something you want to do. I'm not sure of what exactly the requirement is yet but we can talk.

There is also a registration form, just in case you didn't have it before. You need to let me know straightaway if you still want to have a stall.

Also please find attached a copy of the flyer for the Festival could you please share with anyone you feel maybe interested.

Speak Soon.

Thanks.

Omar.

Hi Simon,

Thanks for the email. Is there any chance we could also book your bouncy castle for the same weekend.. please advise price for both activities. We are checking we can get an electricity supply as generators are not allowed.

Both activities will need to in place on Friday between 4pm and 8pm. The park will then be secured and security guards will patrol through the night. The show is open to the public between 10am and 6pm both days.

We are very happy to organise the activities ourselves including set up and tear down if that keeps the price down. Taking down is always chaos and if you want we can tow from park and return to your address.

As far as the fireworks is concerned can you quote for your big generator for the day please. Our display is on Saturday 2nd November in Enfield Town Park.

Many thanks

Hi Darren

sorry for the late reply thank you for the email as we talked the cost for the Space Ball for the event for both days.

Bouncy Castles for the event for both days is one kids from up to 3 years old, one adventure playground 5 years old and above, and a 12x12 which is all ages.

I will do all of these for £300 this will include a man for the space ball and the Space Ball as this event is for the Enfield Scouts.

can you tell me the power for this event and how it will be powered.

Also the 70KVA generator with all leads and distribution board for Saturday 2nd November in Enfield Town Park, will be a cost of £300 for the generator plus fuel but the fuel would need to be paid up front which i would say is around £50. the generator has all its Electrical-Certificates.

For Saturday 2nd November in Enfield Town Park there will be an Electrician with me for safely reasons the Electrician cost will be £80.

I will send my public liability insurance and Electrical-Certificates and risk assessment when needed.

Can you please confirm the prices, and dates.

Many Thanks

Hello Simon,

I'm sorry but we won't be able to use the bouncy castles for the Town Show as the organisers have given the all the inflatable concessions to one company.. thanks for your time on this..

We still want to use your spaceball.

Ref the generator for 2nd Nov. We would be interested in a dry hire for the day. We have a team of electricians on site doing the sound, light and laser show. We need to keep the cost down. We would also be able to supply the fuel ourselves, we run our other generators on red diesel. Please let me know if you can supply the genny on this basis and what the dry hire price would be..

Many thanks

Hi Darren

sorry for the late reply thank you for the email as we talked the cost for the

Space Ball for the event for both days.

Bouncy Castles for the event for both days is one kids from up to 3 years old, one adventure playground 5 years old and above, and a 12x12 which is all ages.

I will do all of these for £300 this will include a man for the space ball and the Space Ball as this event is for the Enfield Scouts.

can you tell me the power for this event and how it will be powered.

Also the 70KVA generator with all leads and distribution board for Saturday 2nd November in Enfield Town Park, will be a cost of £300 for the generator plus fuel but the fuel would need to be paid up front which i would say is around £50. the generator has all its Electrical-Certificates.

For Saturday 2nd November in Enfield Town Park there will be an Electrician with me for safely reasons the Electrician cost will be £80.

Will send my public liability insurance and Electrical-Certificates and risk assessment when needed.

Can you please confirm the prices, and dates.

Many Thanks

Simon

Hi Simon,

Thanks for the email. Is there any chance we could also book your bouncy castle for the same weekend.. please advise price for both activities. We are checking we can get an electricity supply as generators are not allowed.

Both activities will need to in place on Friday between 4pm and 8pm. The park will then be secured and security guards will patrol through the night. The show is open to the public between 10am and 6pm both days.

We are very happy to organise the activities ourselves including set up and tear down if that keeps the price down. Taking down is always chaos and if you want we can tow from park and return to your address.

As far as the fireworks is concerned can you quote for your big generator for the day please. Our display is on Saturday 2nd November in Enfield Town Park.

Hi Darren

The generator with no fuel and an electrician will be £380, this will be due to me not taking a deposit that is why i want my own electrician on site.

if you want to hire the generator without an electrician then a deposit would need to be paid, this would be given back once my electrician confirms the generator is in the same state as it was before the event.

Ve have already given a 50% discount on the price for this event.

Many Thanks

Simon

Yes we still want your Genny, if you could confirm the price, and what cabling and connections you have. We need 3 phase supply for a smoke machine and could do with as long an extension as you can supply..

We would need you on site at midday. We make our final decision at midday about the weather and if we are go or no go..

Hi Gary

Thank you for the email. This very late notice has now made me lose contracts to hire out the gen, as i could have had other bookings, but knew i was booked for yourselves. I did email Darren last week to confirm the booking.

As for the gen not being able to cope with your needs, i know it would be fully capable to cope with all the requirements that we agree on and much more. As you know i did have a problem with my van which due to me knowing i was doing this event with you i made sure i paid to get it fixed so i did not let anyone down, as it was for the local community.

HIRE TERMS & CONDITIONS

- 1] The contract is made between Too Smooth Entertainment and the person named of the booking confirmation form.
- 2] The hirer is the person named on the booking confirmation form, and declares that he/she is over eighteen years of age and is legally entitled to enter into this agreement on their own behalf. If they are entering into this agreement on behalf of a company or organization that they have full authority to do so, and that we are advised if the company or organization has limited liability, failure to do so will render the hirer personally liable for any outstanding costs, charges or fees.
- 3] The hire booking confirmation form will usually be sent via email, when it is received it should be carefully checked to make sure all details are correct, then it should be printed off, signed by the hirer and returned to us without delay, either via e-mail, fax, post or in person. If the booking form is not signed the equipment may not be made available for hire, although once the deposit is paid condition 6 regarding cancellation will still apply.
- 4] By providing the information required on the booking form and paying the deposit you are agreeing to all our terms & conditions of hire.
- 5] All deposits paid to us to secure a booking are non-refundable under any circumstances.
- 6] If cancellation is made less than 14 days prior to the commencement of the hire then the full hire fee is due, even if you have only paid a deposit. By paying a deposit you are giving us your permission to debit your credit/debit card with the full outstanding amount for the hire if you fail to cancel in writing less than 14 days prior to the date of the commencement of the hire. If cancellation is made more than 14 days prior to the commencement of the hire you will not receive a refund of the deposit you have paid, but that will be the limit of your liability to us. It is important that cancellation is made to us in writing, and you receive written confirmation from us that we have received your instructions. Failure to do this may result in the full hire fee becoming due as though you had not advised us of the cancellation at all.
- 7] All balances are payable prior to the equipment being made available for hire. Account holders see clause 32. A charge will be made if you choose to pay by credit or charge card, please ask for details when confirming your booking.
- 8] The hirer must provide 3 forms of personal identification, one of which should be a current UK photo driving license or British Passport. We also require 2 other forms of positive ID which can be two current utility bills, or debit/credit card statement confirming your name & address. You must also provide a debit or credit card as a security against any loss or damage to the equipment whilst it is in your care. The identification must be that of the person named on the hire booking confirmation form. Any other person's identification is not acceptable.
- 9] Unless specified, hire charges are based on a minimum period of one day, or part thereof, irrespective of whether the equipment is in use or not. The prices shown on our website are for one day's hire. If you wish to hire for a longer period please call our sales office for details. Additional days are usually charged at a rate of 20% per extra day, although longer term hire rates are available. If equipment is hired on a Saturday it will usually be returned, or collected on Monday, but this will only be charged at one days hire fee.
- 10] Any equipment returned after the booked return date, and without advising us prior to the expiry of the booked return date will be charged at a minimum of one complete day's extra hire fee as shown on our website, regardless of the original hire period. If for any reason you are unable to return the equipment on time you must advise us immediately.
- 11] The hirer undertakes either to insure the equipment for the full replacement value at their own expense or to accept full personal liability for the full value of any losses or damage caused to the equipment when it is in their possession & away from the premises of Too Smooth Entertainment. Whether insured or not, the hirer is responsible for the full replacement cost of all the equipment on hire to them, including all cables, spares and accessories. A valuation is available on request.
- 12] All hired equipment remains the absolute property of Too Smooth Entertainment at all times.
- 13] The hirer undertakes to keep and return equipment in good order and condition. Any equipment returned in a dirty condition may incur a cleaning charge.
- 14] Too Smooth Entertainment reserve the right to charge for repair or replacement of any equipment damaged lost or stolen, howsoever arising, during the period of hire. The hirer's liability is for the full replacement value of the equipment and any cables.

15] Any equipment damaged, lost or stolen during the hire period will remain on hire and chargeable at our published prices until all repairs are complete and paid for in full, or the equipment has been replaced by the hirer paying for the replacement of all lost, stolen or damaged equipment and the equipment is again available for further hire.

16] Equipment will be deemed to be on hire until any invoice for repairs or replacements, relating to that equipment, have been paid for in full by the hirer.

17] All spares, including blown lamps must be returned for inspection, or they may be charged for.

18] The hirer assumes responsibility for the replacement of all lamps which fail under normal working conditions, but any dead lamps must be returned to us for inspection or they will be charged for. Spare lamps will normally be supplied by us for the purpose of replacement if required during the hire period.

19] Too Smooth Entertainment will always attempt to provide the hire equipment that has been ordered. However we do reserve the right to provide substitute equipment should the need arise. We also reserve the right to terminate this contract without liability to us if for any reason we are unable to supply the hire equipment which has been ordered. In the unlikely event of us not being able to fulfill the booking, all monies paid to us by the hirer will be refunded. If any individual items cannot be supplied a full refund for those items will be made, or suitable alternative equipment will be supplied, but this will be the limit of our liability in this regard.

20] In the event that the hired equipment is faulty, Too Smooth Entertainment shall not be liable for any consequential loss or damage whether financial or otherwise, arising there from. Should we not be able to fulfill the booking all monies paid to us by the hirer will either be refunded, or a credit issued at our sole discretion, but this will be the limit of our liability.

21] Connectors must not be removed from equipment. We reserve the right to charge for refitting, or inspecting, any connectors found to have been removed, or tampered with. No equipment must not be modified in anyway whilst on hire.

22] Failure to return any cable coiled and taped may result in a charge for doing so being made.

23] Packing supplied with equipment must be returned, or it will be charged for.

24] If the economy delivery option has been requested where no setup of equipment is provided by us (when applicable), or you have chosen to collect the equipment from us, all hired equipment should be installed by a competent person. Too Smooth Entertainment cannot accept any responsibility for damage done to personnel, property or equipment in this regard whilst it is on hire.

25] Too Smooth Entertainment will Endeavour to meet any agreed delivery times & conditions, but cannot accept responsibility for any delay in delivery or collection howsoever caused. Normal delivery and collection times are between 10-00am & 5-00pm Monday to Saturday, although distance & geographic location may restrict these times. Deliveries & collections can be made outside these times at additional cost, but all the above are subject to availability. If TBA or TBC is recorded in the delivery/collection clause on our booking confirmation the above conditions will still apply. The hired equipment is entirely the responsibility of the hirer until it is collected by us, or returned to us.

26] The Hirer will be held liable for the loss of any equipment confiscated because of a failure to comply with any relevant laws or regulations.

27] Too Smooth Entertainment gives no warranty that goods supplied for hire are fit for the hirer's purpose or purposes, or that any fluid used in any of our snow, foam, smoke or bubble machines, whether supplied by us or not, will not damage flooring, furnishings, clothing or any other material, either during use, or through leakage. The hirer warrants that they have satisfied themselves that the goods will be fit for every purpose for which they require them, and that they do not rely on any skill or judgment of Too Smooth Entertainment in this regard.

28] All quotations are made by Too Smooth Entertainment without obligation, and we reserve the right at any time to vary any quotation or part thereof, or to refuse acceptance of any order without assigning any reason for such refusal, although once the deposit has been paid the price will be fixed.

29] Too Smooth Entertainment reserves the right to inspect all hired equipment at any time during the hire period.

30] Where a Customer has Terms and Conditions covering purchasing and hiring that conflict with the Terms and Conditions of Too Smooth Entertainment then the Terms and Conditions of Too Smooth Entertainment shall take precedence unless specifically agreed in writing by a Director of Too Smooth Entertainment.

31] All quotations and prices are subject to the addition of Value Added Tax at the rate applicable on the date of invoice.

32] We will exercise our statutory right (Late Payment of Commercial Debts Regulations 2002) to claim interest and compensation for debt recovery costs under the late payment legislation if we are not paid according to agreed credit terms, subject to clause 7 for non account holders.

33] Where a delivery or collection cannot be completed because of a lack of access to the venue the hirer shall still be liable for all agreed charges, and for any additional costs incurred in completing the delivery or collection.

34] Failure to dismantle equipment booked on the economy delivery & collection service, and have it packed ready for collection at the end of a hire period will lead to extra charges which may include extending the hire period until dismantling and packing has taken place and the goods are collected by us and returned to our stores.

35] Too Smooth Entertainment reserves the right to change these terms & conditions at any time, and without notice.

36] All hired equipment must be used for the purpose for which it was intended by the manufacturer.

37] At our discretion we may take a security/damage deposit by credit/debit card prior to the commencement of the hire, cash or cheques will not normally be accepted for the deposit. The security/damage deposit will be refunded to the same credit/debit card upon the safe return of all the hired equipment. The amount of the security/damage deposit will vary depending on what is being hired, but will be advised to the hirer either when an enquiry is being made, or when a booking is confirmed. The amount of the security/damage deposit is arbitrary and does not limit your liability, which is for the full replacement cost of any loss, or any costs incurred by us in repairing equipment that has been damaged during the hire period. If for any reason a security/damage deposit is not taken from a credit/debit card prior to the equipment being made available for hire, then any loss or damage incurred during the hire period will be debited from the same card that was used for payment of the hire fee's. If this is not possible then we may debit the card that was originally used to pay the deposit to confirm the booking. If we are unable to obtain payment from any of the debit/credit cards supplied to us for this purpose then we reserve the right to issue legal proceedings against the hirer for default. Should this be necessary a county court judgment may be obtained and registered against them which will make it far more difficult for them to obtain credit in the future.

38] The terms above, and the contract to which this document relates, shall in all respects be construed and operate in accordance with English law.

Cooling off period

If having read our terms and conditions and within 24 hours of paying the deposit you wish to cancel, you may obtain a full refund of all monies paid less a £10.00 administration fee. This condition does not apply if you make your booking within 14 days of the commencement of the hire period, where upon the full hire fee will be due.

HIRE TERMS & CONDITIONS

- 1] The contract is made between Too Smooth Entertainment and the person named of the booking confirmation form.
- 2] The hirer is the person named on the booking confirmation form, and declares that he/she is over eighteen years of age and is legally entitled to enter into this agreement on their own behalf. If they are entering into this agreement on behalf of a company or organization that they have full authority to do so, and that we are advised if the company or organization has limited liability, failure to do so will render the hirer personally liable for any outstanding costs, charges or fees.
- 3] The hire booking confirmation form will usually be sent via email, when it is received it should be carefully checked to make sure all details are correct, then it should be printed off, signed by the hirer and returned to us without delay, either via e-mail, fax, post or in person. If the booking form is not signed the equipment may not be made available for hire, although once the deposit is paid condition 6 regarding cancellation will still apply.
- 4] By providing the information required on the booking form and paying the deposit you are agreeing to all our terms & conditions of hire.
- 5] All deposits paid to us to secure a booking are non-refundable under any circumstances.
- 6] If cancellation is made less than 14 days prior to the commencement of the hire then the full hire fee is due, even if you have only paid a deposit. By paying a deposit you are giving us your permission to debit your credit/debit card with the full outstanding amount for the hire if you fail to cancel in writing less than 14 days prior to the date of the commencement of the hire. If cancellation is made more than 14 days prior to the commencement of the hire you will not receive a refund of the deposit you have paid, but that will be the limit of your liability to us. It is important that cancellation is made to us in writing, and you receive written confirmation from us that we have received your instructions. Failure to do this may result in the full hire fee becoming due as though you had not advised us of the cancellation at all.
- 7] All balances are payable prior to the equipment being made available for hire. Account holders see clause 32. A charge will be made if you choose to pay by credit or charge card, please ask for details when confirming your booking.
- 8] The hirer must provide 3 forms of personal identification, one of which should be a current UK photo driving license or British Passport. We also require 2 other forms of positive ID which can be two current utility bills, or debit/credit card statement confirming your name & address. You must also provide a debit or credit card as a security against any loss or damage to the equipment whilst it is in your care. The identification must be that of the person named on the hire booking confirmation form. Any other person's identification is not acceptable.
- 9] Unless specified, hire charges are based on a minimum period of one day, or part thereof, irrespective of whether the equipment is in use or not. The prices shown on our website are for one day's hire. If you wish to hire for a longer period please call our sales office for details. Additional days are usually charged at a rate of 20% per extra day, although longer term hire rates are available. If equipment is hired on a Saturday it will usually be returned, or collected on Monday, but this will only be charged at one days hire fee.
- 10] Any equipment returned after the booked return date, and without advising us prior to the expiry of the booked return date will be charged at a minimum of one complete day's extra hire fee as shown on our website, regardless of the original hire period. If for any reason you are unable to return the equipment on time you must advise us immediately.
- 11] The hirer undertakes either to insure the equipment for the full replacement value at their own expense or to accept full personal liability for the full value of any losses or damage caused to the equipment when it is in their possession & away from the premises of Too Smooth Entertainment. Whether insured or not, the hirer is responsible for the full replacement cost of all the equipment on hire to them, including all cables, spares and accessories. A valuation is available on request.
- 12] All hired equipment remains the absolute property of Too Smooth Entertainment at all times.
- 13] The hirer undertakes to keep and return equipment in good order and condition. Any equipment returned in a dirty condition may incur a cleaning charge.
- 14] Too Smooth Entertainment reserve the right to charge for repair or replacement of any equipment damaged lost or stolen, howsoever arising, during the period of hire. The hirer's liability is for the full replacement value of the equipment and any cables.

- 15] Any equipment damaged, lost or stolen during the hire period will remain on hire and chargeable at our published prices until all repairs are complete and paid for in full, or the equipment has been replaced by the hirer paying for the replacement of all lost, stolen or damaged equipment and the equipment is again available for further hire.
- 16] Equipment will be deemed to be on hire until any invoice for repairs or replacements, relating to that equipment, have been paid for in full by the hirer.
- 17] All spares, including blown lamps must be returned for inspection, or they may be charged for.
- 18] The hirer assumes responsibility for the replacement of all lamps which fail under normal working conditions, but any dead lamps must be returned to us for inspection or they will be charged for. Spare lamps will normally be supplied by us for the purpose of replacement if required during the hire period.
- 19] Too Smooth Entertainment will always attempt to provide the hire equipment that has been ordered. However we do reserve the right to provide substitute equipment should the need arise. We also reserve the right to terminate this contract without liability to us if for any reason we are unable to supply the hire equipment which has been ordered. In the unlikely event of us not being able to fulfill the booking, all monies paid to us by the hirer will be refunded. If any individual items cannot be supplied a full refund for those items will be made, or suitable alternative equipment will be supplied, but this will be the limit of our liability in this regard.
- 20] In the event that the hired equipment is faulty, Too Smooth Entertainment shall not be liable for any consequential loss or damage whether financial or otherwise, arising there from. Should we not be able to fulfill the booking all monies paid to us by the hirer will either be refunded, or a credit issued at our sole discretion, but this will be the limit of our liability.
- 21] Connectors must not be removed from equipment. We reserve the right to charge for refitting, or inspecting, any connectors found to have been removed, or tampered with. No equipment must not be modified in anyway whilst on hire.
- 22] Failure to return any cable coiled and taped may result in a charge for doing so being made.
- 23] Packing supplied with equipment must be returned, or it will be charged for.
- 24] If the economy delivery option has been requested where no setup of equipment is provided by us (when applicable), or you have chosen to collect the equipment from us, all hired equipment should be installed by a competent person. Too Smooth Entertainment cannot accept any responsibility for damage done to personnel, property or equipment in this regard whilst it is on hire.
- 25] Too Smooth Entertainment will Endeavour to meet any agreed delivery times & conditions, but cannot accept responsibility for any delay in delivery or collection howsoever caused. Normal delivery and collection times are between 10-00am & 5-00pm Monday to Saturday, although distance & geographic location may restrict these times. Deliveries & collections can be made outside these times at additional cost, but all the above are subject to availability. If TBA or TBC is recorded in the delivery/collection clause on our booking confirmation the above conditions will still apply. The hired equipment is entirely the responsibility of the hirer until it is collected by us, or returned to us.
- 26] The Hirer will be held liable for the loss of any equipment confiscated because of a failure to comply with any relevant laws or regulations.
- 27] Too Smooth Entertainment gives no warranty that goods supplied for hire are fit for the hirer's purpose or purposes, or that any fluid used in any of our snow, foam, smoke or bubble machines, whether supplied by us or not, will not damage flooring, furnishings, clothing or any other material, either during use, or through leakage. The hirer warrants that they have satisfied themselves that the goods will be fit for every purpose for which they require them, and that they do not rely on any skill or judgment of Too Smooth Entertainment in this regard.
- 28] All quotations are made by Too Smooth Entertainment without obligation, and we reserve the right at any time to vary any quotation or part thereof, or to refuse acceptance of any order without assigning any reason for such refusal, although once the deposit has been paid the price will be fixed.
- 29] Too Smooth Entertainment reserves the right to inspect all hired equipment at any time during the hire period.
- 30] Where a Customer has Terms and Conditions covering purchasing and hiring that conflict with the Terms and Conditions of Too Smooth Entertainment then the Terms and Conditions of Too Smooth Entertainment shall take precedence unless specifically agreed in writing by a Director of Too Smooth Entertainment.

31] All quotations and prices are subject to the addition of Value Added Tax at the rate applicable on the date of invoice.

32] We will exercise our statutory right (Late Payment of Commercial Debts Regulations 2002) to claim interest and compensation for debt recovery costs under the late payment legislation if we are not paid according to agreed credit terms, subject to clause 7 for non account holders.

33] Where a delivery or collection cannot be completed because of a lack of access to the venue the hirer shall still be liable for all agreed charges, and for any additional costs incurred in completing the delivery or collection.

34] Failure to dismantle equipment booked on the economy delivery & collection service, and have it packed ready for collection at the end of a hire period will lead to extra charges which may include extending the hire period until dismantling and packing has taken place and the goods are collected by us and returned to our stores.

35] Too Smooth Entertainment reserves the right to change these terms & conditions at any time, and without notice.

36] All hired equipment must be used for the purpose for which it was intended by the manufacturer.

37] At our discretion we may take a security/damage deposit by credit/debit card prior to the commencement of the hire, cash or cheques will not normally be accepted for the deposit. The security/damage deposit will be refunded to the same credit/debit card upon the safe return of all the hired equipment. The amount of the security/damage deposit will vary depending on what is being hired, but will be advised to the hirer either when an enquiry is being made, or when a booking is confirmed. The amount of the security/damage deposit is arbitrary and does not limit your liability, which is for the full replacement cost of any loss, or any costs incurred by us in repairing equipment that has been damaged during the hire period. If for any reason a security/damage deposit is not taken from a credit/debit card prior to the equipment being made available for hire, then any loss or damage incurred during the hire period will be debited from the same card that was used for payment of the hire fee's. If this is not possible then we may debit the card that was originally used to pay the deposit to confirm the booking. If we are unable to obtain payment from any of the debit/credit cards supplied to us for this purpose then we reserve the right to issue legal proceedings against the hirer for default. Should this be necessary a county court judgment may be obtained and registered against them which will make it far more difficult for them to obtain credit in the future.

38] The terms above, and the contract to which this document relates, shall in all respects be construed and operate in accordance with English law.

Cooling off period

If having read our terms and conditions and within 24 hours of paying the deposit you wish to cancel, you may obtain a full refund of all monies paid less a £10.00 administration fee. This condition does not apply if you make your booking within 14 days of the commencement of the hire period, where upon the full hire fee will be due.

Hi Simon

Thanks for your help, the generator is needed for the Muswell Hill Festival at Cherry Tree Wood, Summerlee Avenue, Finchley N2 9QH, on Sunday 8th September 2013. Access to the site is from 6am and the event finishes at 6pm. The generator has to be operational by 8.30am.

The event is run for the benefit of The London Centre for Children with Cerebral Palsy, this centre is self funding as it receives no local authority or government funding as it does not use therapies which are approved by these bodies. The centre has a reputation for excellence as it uses therapies developed in other countries.

Your generous offer to only £ 200 is very much appreciated and I cannot thank you enough.

Subject: Generator

Hi Simon

Thanks for your help, the generator is needed for the Muswell Hill Festival at Cherry Tree Wood, Summerlee Avenue, Finchley N2 9QH, on Sunday 8th September 2013. Access to the site is from 6am and the event finishes at 6pm. The generator has to be operational by 8.30am.

The event is run for the benefit of The London Centre for Children with Cerebral Palsy, this centre is self funding as it receives no local authority or government funding as it does not use therapies which are approved by these bodies. The centre has a reputation for excellence as it uses therapies developed in other countries.

Your generous offer to only £ 200 is very much appreciated and I cannot thank you enough.

Regards

Jas Chadha

HIRE TERMS & CONDITIONS

- 1] The contract is made between Too Smooth Entertainment and the person named of the booking confirmation form.
- 2] The hirer is the person named on the booking confirmation form, and declares that he/she is over eighteen years of age and is legally entitled to enter into this agreement on their own behalf. If they are entering into this agreement on behalf of a company or organization that they have full authority to do so, and that we are advised if the company or organization has limited liability, failure to do so will render the hirer personally liable for any outstanding costs, charges or fees.
- 3] The hire booking confirmation form will usually be sent via email, when it is received it should be carefully checked to make sure all details are correct, then it should be printed off, signed by the hirer and returned to us without delay, either via e-mail, fax, post or in person. If the booking form is not signed the equipment may not be made available for hire, although once the deposit is paid condition 6 regarding cancellation will still apply.
- 4] By providing the information required on the booking form and paying the deposit you are agreeing to all our terms & conditions of hire.
- 5] All deposits paid to us to secure a booking are non-refundable under any circumstances.
- 6] If cancellation is made less than 14 days prior to the commencement of the hire then the full hire fee is due, even if you have only paid a deposit. By paying a deposit you are giving us your permission to debit your credit/debit card with the full outstanding amount for the hire if you fail to cancel in writing less than 14 days prior to the date of the commencement of the hire. If cancellation is made more than 14 days prior to the commencement of the hire you will not receive a refund of the deposit you have paid, but that will be the limit of your liability to us. It is important that cancellation is made to us in writing, and you receive written confirmation from us that we have received your instructions. Failure to do this may result in the full hire fee becoming due as though you had not advised us of the cancellation at all.
- 7] All balances are payable prior to the equipment being made available for hire. Account holders see clause 32. A charge will be made if you choose to pay by credit or charge card, please ask for details when confirming your booking.
- 8] The hirer must provide 3 forms of personal identification, one of which should be a current UK photo driving license or British Passport. We also require 2 other forms of positive ID which can be two current utility bills, or debit/credit card statement confirming your name & address. You must also provide a debit or credit card as a security against any loss or damage to the equipment whilst it is in your care. The identification must be that of the person named on the hire booking confirmation form. Any other person's identification is not acceptable.
- 9] Unless specified, hire charges are based on a minimum period of one day, or part thereof, irrespective of whether the equipment is in use or not. The prices shown on our website are for one day's hire. If you wish to hire for a longer period please call our sales office for details. Additional days are usually charged at a rate of 20% per extra day, although longer term hire rates are available. If equipment is hired on a Saturday it will usually be returned, or collected on Monday, but this will only be charged at one days hire fee.
- 10] Any equipment returned after the booked return date, and without advising us prior to the expiry of the booked return date will be charged at a minimum of one complete day's extra hire fee as shown on our website, regardless of the original hire period. If for any reason you are unable to return the equipment on time you must advise us immediately.
- 11] The hirer undertakes either to insure the equipment for the full replacement value at their own expense or to accept full personal liability for the full value of any losses or damage caused to the equipment when it is in their possession & away from the premises of Too Smooth Entertainment. Whether insured or not, the hirer is responsible for the full replacement cost of all the equipment on hire to them, including all cables, spares and accessories. A valuation is available on request.
- 12] All hired equipment remains the absolute property of Too Smooth Entertainment at all times.
- 13] The hirer undertakes to keep and return equipment in good order and condition. Any equipment returned in a dirty condition may incur a cleaning charge.
- 14] Too Smooth Entertainment reserve the right to charge for repair or replacement of any equipment damaged lost or stolen, howsoever arising, during the period of hire. The hirer's liability is for the full replacement value of the equipment and any cables.

15] Any equipment damaged, lost or stolen during the hire period will remain on hire and chargeable at our published prices until all repairs are complete and paid for in full, or the equipment has been replaced by the hirer paying for the replacement of all lost, stolen or damaged equipment and the equipment is again available for further hire.

16] Equipment will be deemed to be on hire until any invoice for repairs or replacements, relating to that equipment, have been paid for in full by the hirer.

17] All spares, including blown lamps must be returned for inspection, or they may be charged for.

18] The hirer assumes responsibility for the replacement of all lamps which fail under normal working conditions, but any dead lamps must be returned to us for inspection or they will be charged for. Spare lamps will normally be supplied by us for the purpose of replacement if required during the hire period.

19] Too Smooth Entertainment will always attempt to provide the hire equipment that has been ordered. However we do reserve the right to provide substitute equipment should the need arise. We also reserve the right to terminate this contract without liability to us if for any reason we are unable to supply the hire equipment which has been ordered. In the unlikely event of us not being able to fulfill the booking, all monies paid to us by the hirer will be refunded. If any individual items cannot be supplied a full refund for those items will be made, or suitable alternative equipment will be supplied, but this will be the limit of our liability in this regard.

20] In the event that the hired equipment is faulty, Too Smooth Entertainment shall not be liable for any consequential loss or damage whether financial or otherwise, arising there from. Should we not be able to fulfill the booking all monies paid to us by the hirer will either be refunded, or a credit issued at our sole discretion, but this will be the limit of our liability.

21] Connectors must not be removed from equipment. We reserve the right to charge for refitting, or inspecting, any connectors found to have been removed, or tampered with. No equipment must not be modified in anyway whilst on hire.

22] Failure to return any cable coiled and taped may result in a charge for doing so being made.

23] Packing supplied with equipment must be returned, or it will be charged for.

24] If the economy delivery option has been requested where no setup of equipment is provided by us (when applicable), or you have chosen to collect the equipment from us, all hired equipment should be installed by a competent person. Too Smooth Entertainment cannot accept any responsibility for damage done to personnel, property or equipment in this regard whilst it is on hire.

25] Too Smooth Entertainment will Endeavour to meet any agreed delivery times & conditions, but cannot accept responsibility for any delay in delivery or collection howsoever caused. Normal delivery and collection times are between 10-00am & 5-00pm Monday to Saturday, although distance & geographic location may restrict these times. Deliveries & collections can be made outside these times at additional cost, but all the above are subject to availability. If TBA or TBC is recorded in the delivery/collection clause on our booking confirmation the above conditions will still apply. The hired equipment is entirely the responsibility of the hirer until it is collected by us, or returned to us.

26] The Hirer will be held liable for the loss of any equipment confiscated because of a failure to comply with any relevant laws or regulations.

27] Too Smooth Entertainment gives no warranty that goods supplied for hire are fit for the hirer's purpose or purposes, or that any fluid used in any of our snow, foam, smoke or bubble machines, whether supplied by us or not, will not damage flooring, furnishings, clothing or any other material, either during use, or through leakage. The hirer warrants that they have satisfied themselves that the goods will be fit for every purpose for which they require them, and that they do not rely on any skill or judgment of Too Smooth Entertainment in this regard.

28] All quotations are made by Too Smooth Entertainment without obligation, and we reserve the right at any time to vary any quotation or part thereof, or to refuse acceptance of any order without assigning any reason for such refusal, although once the deposit has been paid the price will be fixed.

29] Too Smooth Entertainment reserves the right to inspect all hired equipment at any time during the hire period.

30] Where a Customer has Terms and Conditions covering purchasing and hiring that conflict with the Terms and Conditions of Too Smooth Entertainment then the Terms and Conditions of Too Smooth Entertainment shall take precedence unless specifically agreed in writing by a Director of Too Smooth Entertainment.

31] All quotations and prices are subject to the addition of Value Added Tax at the rate applicable on the date of invoice.

32] We will exercise our statutory right (Late Payment of Commercial Debts Regulations 2002) to claim interest and compensation for debt recovery costs under the late payment legislation if we are not paid according to agreed credit terms, subject to clause 7 for non account holders.

33] Where a delivery or collection cannot be completed because of a lack of access to the venue the hirer shall still be liable for all agreed charges, and for any additional costs incurred in completing the delivery or collection.

34] Failure to dismantle equipment booked on the economy delivery & collection service, and have it packed ready for collection at the end of a hire period will lead to extra charges which may include extending the hire period until dismantling and packing has taken place and the goods are collected by us and returned to our stores.

35] Too Smooth Entertainment reserves the right to change these terms & conditions at any time, and without notice.

36] All hired equipment must be used for the purpose for which it was intended by the manufacturer.

37] At our discretion we may take a security/damage deposit by credit/debit card prior to the commencement of the hire, cash or cheques will not normally be accepted for the deposit. The security/damage deposit will be refunded to the same credit/debit card upon the safe return of all the hired equipment. The amount of the security/damage deposit will vary depending on what is being hired, but will be advised to the hirer either when an enquiry is being made, or when a booking is confirmed. The amount of the security/damage deposit is arbitrary and does not limit your liability, which is for the full replacement cost of any loss, or any costs incurred by us in repairing equipment that has been damaged during the hire period. If for any reason a security/damage deposit is not taken from a credit/debit card prior to the equipment being made available for hire, then any loss or damage incurred during the hire period will be debited from the same card that was used for payment of the hire fee's. If this is not possible then we may debit the card that was originally used to pay the deposit to confirm the booking. If we are unable to obtain payment from any of the debit/credit cards supplied to us for this purpose then we reserve the right to issue legal proceedings against the hirer for default. Should this be necessary a county court judgment may be obtained and registered against them which will make it far more difficult for them to obtain credit in the future.

38] The terms above, and the contract to which this document relates, shall in all respects be construed and operate in accordance with English law.

Cooling off period

If having read our terms and conditions and within 24 hours of paying the deposit you wish to cancel, you may obtain a full refund of all monies paid less a £10.00 administration fee. This condition does not apply if you make your booking within 14 days of the commencement of the hire period, where upon the full hire fee will be due.
