Dear Mr Adeniyi,

Further to the email below and your communication with my colleague Susana Figueiredo, it would appear that you do not wish to provide regulated entertainment in the premises.

If this is the case, please confirm in writing that you no longer wish to provide regulated entertainment as part of the application by emailing to business.licence@brent.gov.uk

Once we are in receipt of your written confirmation, the Licensing Authority will assess your application based on the rest of the licensable activities which you have applied for.

Our Ref 223709983

Dear Sir/Madam,

Licensing Representation to the Initial Application for the Premises License for 036 Limited, 47 Cricklewood Broadway, London, NW2 3JX

I certify that I have considered the application shown above and I wish to make a representation that the likely effect of the grant of the application is detrimental to the Licensing Objectives for the reasons indicated below.

An officer of the Licensing Authority, in whose area the premises are situated, who is authorised for the purposes of exercising its statutory function as a ‘Responsible Authority’ under the Licensing Act 2003.

The application has been made for a new premises licence under section 17 of the Act.

The Licensing Authority representations are primarily concerned with the four licensing objectives;

- the prevention of crime and disorder;
- public safety;
- the prevention of public nuisance; and
- the protection of children from harm.

The Licensing Authority require the following points to be included in the operating schedule or added as conditions on the premises licence:

1. CCTV shall be installed to Home Office Guidance standards and maintained in a good working condition and recordings shall be kept for 31 days and shall be made available to police and authorised Officers from Brent Council.
2. The CCTV system shall be capable of obtaining clear facial recognition images and a clear head and shoulder image of every person entering or leaving the premises.

3. Customers shall not be permitted to take open drink containers outside the premises as defined on the plan submitted to and approved by the Licensing Authority.
4. A "Challenge 25" policy shall be adopted and adhered to at all times.
5. The supply of alcohol at the premises shall only be to a person seated taking a table meal there and for the consumption by such a person as ancillary to their meal.

7. All deliveries shall take place during the normal working day (i.e. 09:00 to 18:00 daily).
8. Notices asking customers to leave quietly shall be conspicuously displayed at all exits.
9. Regular documented staff training on licensing legislation and operating procedures shall be given. The training shall be signed and dated and a copy of these training records available for inspection by Police and local authority enforcement officers.
10. An incident log shall be kept at the premises, and made available for inspection on request to an authorised officer of Brent Council or the Police, which will record the following:
 - (a) all crimes reported to the venue
 - (b) all ejections of patrons
 - (c) any complaints received
 - (d) any incidents of disorder
 - (e) all seizures of drugs or offensive weapons

11. The designated smoking area (DSA) shall be located at the front of the premises facing Cricklewood Broadway.
12. When the premises licence is in operation the DSA shall be limited to no more than 6 people at any one time.
13. All licensable activities shall operate:

Dear Esther,

Am sorry for the late reply to your email, the terms of the licence is fine with the exception of Friday and Saturday opening times. It is essential that we are open late on these days for the survival of the business. My understanding was that the opening times agreed in principle with Charles Rockwell on the 10th of January will be recommended.

I think it is unfair on 036 to be compared to the previous occupants of the premises as stated by the public representations.

I await the hearing date

Thanks and kind regards

A Adeniya

Dear Sirs

I would like to object to the application to open a business with an entertainment licence at the above property.

This property is in the middle of a residential area with lots of families with elderly people and young children alike.

We object on the grounds of the noise and inconvenience this will cause.

I [REDACTED] was plagued with noise pollution and violence from this when it was open as D'Den restaurant. The customers would leave in the very early hours of the morning screaming, shouting, arguing, fighting, and playing loud music in the vehicles they were getting into, sometimes congregating around such vehicles for hours.

This affected me getting up for work in the morning and my children getting up for school.

My mum is an OAP and has suffered from serious health problems the last few months. [REDACTED]

As a family we object to this application as we believe that this will happen again as the customers and staff/managers have no consideration for their neighbours.

Kind regards

Dear Gillian Murray

We most definitely want to object to any application for either last night food/refreshment or drinks alcoholic or not. If you please get in touch with your own department for Noise Nuisance you will see how many times in the past you were contacted with regards to noise from D Den when it was operating previously. This part of the Broadway has residential units above all the shops, we have tenants at ***** across the road and also five flats at ***** Cricklewood Broadway, most with school going children and all were disturbed by late night noise in the past. People outside talking, occasionally outside fighting, cars coming and going, it was hell. We are absolutely dumb founded that an application would be considered after all the trouble in the past. Why would you even consider an application for alcohol use till 5.30am and yet allow residential units, which you charge council tax for, all around that unit. Please explain that to me.

Subject: Objection to Music license at D Den - 47 Cricklewood Broadway, London NW2

Dear Sir/Madam

Re: D Den - 47 Cricklewood Broadway, London NW2

I write to advise that I own a flat at *** Cricklewood Broadway and we manage four flats at **** Cricklewood Broadway, London NW2. In the past D Den has had the noise abatement people around on numerous occasions and am horrified that you may grant them a licence to 3.30am on a weekday and 5.30am over the weekend for music. The music is very loud and not to mention the behavior of the people when they come out in the early mornings. It has been so peaceful, quiet and no trouble over the last few months the restaurant has been closed.

I totally object to the license for music so late at night. This is a very residential area with lots of residential flats above and to the side of D Den. Can you please take into consideration of the people that live nearby. I am sure you would not like especially loud music below where you live till 3.30 or 5.30am in the morning. I do not mind if it was just an ordinary restaurant but with with no music.

Yours faithfully

Objections received on 17/01/2017 from [REDACTED]

I am begging you. Please, please, please don't let them have this licence. I am listing reasons below.

1. Their parties always start around 1am and go through till anywhere between 4am and 6am.
2. They ALWAYS let people come in after 11pm even though their previous licence said they couldn't.
3. I had Brent Noise officers at 4.30am meetings to hear the noise. The Brent Noise officers, in conjunction with complaints from the people above number 47, and myself fought successfully to have the licence revoked from something like 6am to 2am.
5. This is why they want a new licence, because, culturally, they need to be open from roughly 1am to around 6am. But why should it be EVERY DAY? This is absurd.
6. Any limits set by the licence will be ignored.
7. There is no soundproofing in this stretch of Cricklewood Broadway.
8. The licence for Persia II at 45 Cricklewood Broadway (currently closed) only went till midnight. Why should their neighbour have a later one?
9. I was on sleeping tablets because the noise was so bad that there was no way to sleep. Persia II was playing loud music from around 8pm to around midnight (sometimes later). Then D'Den would start from around 1am to around 6am. This means the whole night was loud music.
10. I am on sickness benefits because of Chronic Fatigue Syndrome/Myalgic Encephalitis and because of a suicide risk. I need to sleep. My daughter also has CFS/ME and suicidal thoughts. She needs to sleep.
11. New buildings have to have proper soundproofing. But the council grants licences to companies in old buildings even if there is no soundproofing. Why should I be discriminated against just because this is an old building?
12. I understand that this stretch of Cricklewood Broadway is commercial. But it is ALSO residential. The council should insist that soundproofing is carried out before granting any licences for music.
13. If the council wants to insist how commercial this stretch is, then they should declare it a commercial zone and not allow property in this stretch to be used as residences. I am begging you. Please, please, please.

Subject: Re: Acknowledge receipt of representations (ref: 223709983)

Dear Ms Murray

I thought it might be helpful if I wrote in more detail regarding my concerns:

1. The previous licence was granted to D'Den and the clientele was Nigerian. The current applicant (036) is Nigerian and I am assuming that the restaurant will be Nigerian with a Nigerian clientele. In my experience, this clientele is culturally upbeat and lively and congregates socially in restaurants in the early hours of the morning.
2. From previous experience of living above a Nigerian restaurant, I know that the music that is played - from CDs or radio or streaming - is played very loudly and with enhanced bass. The floor and furniture in my flat vibrated from the beat of the bass. I am referring to music from CDs or radio or streaming. I am NOT only referring to live music/DJ music which I understand has been removed from the application. I could always hear when the DJ was on or when it was CDs being played. I could hear the DJ introducing the records that he was playing and speaking to the crowd. I would wait desperately for him to introduce the last record and say goodnight. I often could not hear my television over the sound of the music.
3. This clientele is very loud in terms of talking and shouting. Susana Figueiredo has previously attended my flat at 4.30am and has been able to hear talking, shouting and music from my bedroom and throughout my flat. She also attended at the adjacent flat to mine (47A) and heard the same thing and witnessed the floorboards shaking from the bass.
4. I would like to request that Susana Figueiredo attend the hearing to present the information that she has. I would like to request a 10am hearing and NOT a 7pm hearing, if possible.
5. My previous neighbour at 47A, directly above the premises at number 47, complained of the noise. Her floorboards were shaking from the noise - whether live music (which I know has been removed from the application) or CDs/radio/streaming. Removing the live music problem will not solve all the problems we have faced. My previous neighbour has moved out and a new neighbour is there. I feel very sorry for her because she has no idea what she is in for if the talking, shouting, CDs/radio/streaming, enhanced bass, mobile phones ringing, and congregating on the street in groups of 30 or more should continue as before.
6. The groups of people congregated on the street outside to smoke and talk. Sometimes the door was open and they would also be dancing to the music. They often stood smoking directly in front of my front door and the smoke

came in around my front door and through my bedroom windows. It is disgusting. My daughter and I both have asthma and respiratory allergies.

7. In this stretch of Cricklewood Broadway there is no soundproofing. I request that 036 be required to install **high quality** soundproofing. I believe that any responsible restaurateur would willingly do so.

8. I suggest that there be a maximum limit to the licence of midnight every night of the week. This is because of the extra half-hour granted which takes it to 12.30am. For a small restaurant in north west London surely this is appropriate. We are not talking about a West End club.

9. Previously, the clientele who attended this restaurant barely ate anything - the premises functioned as a bar more than a restaurant. If a restaurant licence is granted, I would like to be reassured that it will **ONLY** function as a restaurant and that alcohol is served with food only.

10. I would like to have a clause on the licence saying that after 11pm no-one can enter. That only people who are in by 11pm are allowed to stay on till 12.30am. This is because I know from previous experience that a Nigerian clientele aims to arrive at around 1-2am and drink and dance until 5 or 6am. This causes disturbance with cars pulling up and doors slamming all through the early hours of the morning. Also talking and laughing and shouting and car radios playing loudly as people are entering and leaving the premises.

11. I had to take sleeping tablets to be able to get any sleep. I had to sleep in the lounge and even the kitchen to try to get away from the noise. My daughter's sleep was also disrupted. My daughter and I both developed insomnia and Chronic Fatigue Syndrome/Myalgic Encephalitis. Since the restaurant has been silent I have started to be able to sleep again without sleeping tablets. It's early days but there are now several nights a week where I have learnt how to sleep again. My daughter is also managing to sleep better now. However, in case the noise starts up again, I am aware of websites where I can buy sleeping tablets to get us through.

12. I am on sickness benefits and unable to work. If I am unable to sleep I don't know how I will ever be able to recover. I want to work as a teacher again and make a contribution to society but without sleep, I don't know how I will be able to do it.

13. I am extremely anxious that these issues are addressed at the hearing and incorporated into the licence. If they are not, then I potentially face many months of noise and complaints. The Brent Noise team stops taking calls at 2am. This has meant my arranging for visits from the Brent Noise team at 4.30am. In order to avoid potential problems it makes sense to start off with a licence that is respectful to all concerned and will allow the restaurateur to enjoy their new business, while my daughter and I enjoy a peaceful life with the possibility of normal sleep.

14. I am very concerned that the applicant states that music will be played 'low'. I imagine that 'low' means different things to different people. Does it mean 'low with a pounding base'? In a building with no sound-proofing, 'low' has very little meaning. Combined with the talking, shouting, car doors slamming, car radios playing, mobile phones ringing, the whole cacophony of sounds adds up to a lot more than 'low'.

With kind regards

Dear Mr Abiodun Adeniyi

Please accept this statement as a formal representation against your application for a Premises Licence.

Thank you once again for taking my call on 9th January 2017 with regards to your recent application for a new Premises Licence. As a Responsible Authority the Council's Nuisance Control Section have been asked to consult on the above application with regards to the licensing objective the Prevention of Public Nuisance.

The closest noise sensitive premises are the residential units sited directly above the ground floor commercial A3 Use at 47 Cricklewood Broadway. You were advised that regulated entertainment in the form of recorded music presented challenges and subsequent formal action by the Council when the premises operated not dissimilar to a Night Club. During our discussion you confirmed that your business model was designed on operating as a traditional sit down restaurant with only background music being played, and the occasional live music on demand (potentially once a month). If music is played and maintained at such a level not to support dance, but as to create an atmosphere within the restaurant where people can simply converse without raising their voices, this would be deemed as background music which is not a licensable activity. When questioned you indicated that Live Music wouldn't be an integral part of the business, but you wanted the option available. I advised you that live music was difficult to regulated as it's spontaneous and varies in composition. If Live Music was still required on a daily basis, the Council will recommend a higher level sound insulation as well as an approved sound limiting device being installed in the venue. This would result in excessive cost without any guaranty that you can operate live music at the level you desire. It was suggested that if Live Music is required infrequently it would prove best to remove Live Music from the operating schedule and apply for Temporary Event Notices to cover live music events as or when required.

If the Council is mindful to grant this application in its entirety, the applicant will benefit from the following licensable activities;

- | | | |
|-------------------|--------------------|------------------|
| 1) Live Music | Friday & Saturday | 19.00 – 00.00hrs |
| 2) Recorded Music | Sunday to Thursday | 10.00 – 04.00hrs |
| | Friday & Saturday | 10.00 – 06.00hrs |

- | | | |
|--|--------------------|------------------|
| 3) Late Night Refreshment | Sunday to Thursday | 23.00 – 04.00hrs |
| | Friday & Saturday | 23.00 – 06.00hrs |
| 4) Sale by Retail of Alcohol | Sunday to Thursday | 10.00 – 04.00hrs |
| | Friday & Saturday | 10.00 – 06.00hrs |
| 5) Hours Premises are open to the Public | On all days | 10.00 – 23.00hrs |

To promote the licensing objective the prevention of public nuisance, I further raised my concerns of potential nuisance caused by patrons smoking outside during the early hours of the morning. (1) to (6) below which were agreed in principle.

- 3) *Live Music shall be removed as a licensable activity from the operating schedule.*
- 4) *Recorded Music shall be removed as a licensable activity from the operating schedule.*
- 3) *The designated smoking area (DSA) shall be located at the front of the premises facing Cricklewood Broadway.*
- 4) *When the premises licence is in operation the DSA shall be limited to no more than 6 people at any one time.*
- 5) *All licensable activities shall operate*

<i>Sunday to Thursday</i>	<i>10.00 –</i>
<i>02.00hrs</i>	
<i>Friday & Saturday</i>	<i>10.00 - 04.00hrs</i>
- 6) *The Hours Premises are open to the Public*

<i>Sunday - Thursday</i>	<i>10.00 – 02.30hrs</i>
<i>Friday & Saturday</i>	<i>10.00 – 04.30hrs</i>

As Council Officers are not able to impose conditions without going through the formal hearing process I have forwarded this email to our Entertainment Licensing Team **as a formal representation against this application**. I shall be prepared to withdraw this representation once I receive confirmation by email that you are in agreement with the above additional conditions (1) - (6) as conditions on your licence.

**Police representation for a new Premises Licence at 47 Cricklewood Broadway
London NW2 3JX.**

I certify that I have considered the application shown above and I wish to make representations that the likely effect of the grant of the application is detrimental to the Licensing Act 2003 Objectives for the reasons indicated below.

If these conditions were accepted in full I would withdraw my representation.

Officer: **Michelle Heath PC 928QK**
Brent Borough Police Licensing Constable

An officer of the Metropolitan Police, in whose area the premises are situated, who is authorised for the purposes of exercising its statutory function as a 'Responsible Authority' under the Licensing Act 2003.

The application has been made for a new premises licence under section 17 of the act.

The Police representations are primarily concerned with crime and disorder.

Police require the following points to be included in the operating schedule or added as conditions on the premises licence.

Closed Circuit Television (CCTV)

Good quality CCTV is essential as a deterrent for the prevention of crime and the detection of offenders. It allows for both covert and overt monitoring of the premises. With proper signage, this reassures both staff and clientele, that this is a safe environment where illegal activities are not tolerated. Closed circuit television cameras and recorders of an agreed image standard will be installed at locations on the premises and in accordance with advice from the Police. All cameras and recording equipment will be installed and maintained in accordance with Home Office Guidance and the manufacturers instructions and will be fully operational when the premises are open to the public. Notices shall be displayed at the entrance to the premises, and in prominent positions throughout the premises, advising that CCTV is in operation.

Operating Hours to be displayed on Premises

A notice displaying the opening hours, the type of licensing activity and licence conditions should be clearly displayed and visible to anyone outside the premises. This may be incorporated in the summary of the licence, which must be displayed, or take the form of a separate item. Likewise the name of the Designated Premises Supervisor (D.P.S.) should be similarly displayed. This will allow the Police and other responsible authorities to readily identify the licence details. Clearly displayed opening hours will also reduce any confusion for customers prior to entering the premises and possible conflict when the premises close/stop selling alcohol.

The conditions that Police require to be added to the Premises Licence are listed below:

I am aware that you are no longer having live music and regulated entertainment and are therefore running as a restaurant? As such request alcohol shall only be provided as an accompaniment to a main meal. If you are running as a bar then I would request that door supervisors are employed who need to be licensed by the SIA (when required)

1. CCTV shall be installed to Home Office Guidance standards and maintained in a good working condition and recordings shall be kept for 31 days and shall be made available to police and authorised Officers from Brent Council upon request.
2. A “**Challenge 25**” policy shall be adopted and adhered to.
3. A sign stating “No proof of age – No sale” shall be displayed at the point of sale.
4. A copy of the premises licence summary including the hours which Licensable activities are permitted shall be visible from the outside of each entrance to the premises.
5. An incident log shall be kept at the premises, and made available for inspection on request to an authorised officer of Brent Council or the Police, which will record the following:
 - (a) all crimes reported to the venue
 - (b) all ejections of patrons
 - (c) any complaints received
 - (d) any incidents of disorder
 - (e) any faults in the CCTV system
 - (f) any refusal of the sale of alcohol
 - (g) any visit by a relevant authority or emergency service.

6. Substantial food and non-intoxicating beverages shall be available during the whole of licensed hours in all parts of the premises where alcohol is provided.

7. Customers shall not be permitted to take open containers of alcohol off the premises.

8. The designated smoking area (DSA) shall be located at the front of the premises facing Cricklewood Broadway.

9. When the premises licence is in operation the DSA shall be limited to no more than 6 people at any one time.

10. Notices requesting customers to leave quietly shall be displayed at each exit.

Yours Sincerely,

Michelle Heath PC 928QK

Dear Mr Adeniyi

Licensing Act 2003
Application for a New Premises Licence
Premises address 036, 47 Cricklewood Broadway, London, NW2 3JX

I refer to your application for a premises licence for the above premises. The Public Safety Team is making a Representation to the Licensing Authority on the grounds of public safety.

Providing you are willing to accept the following proposed licence condition the Representation will be withdrawn.

Licence Condition

1. The socket outlets or other power supplies used for DJ equipment, band equipment and other portable equipment that are accessible to performers, staff or the public shall be suitably protected by a residual current device (RCD) having a rated residual operating current not exceeding 30 milliamps.
2. Remove the sudden and imperceptible change in the floor level between the restaurant and bar/restrooms/kitchen to prevent trips and falls to customers and staff. If this is not possible provide a ramp to minimise the sharpness of the change in level.

In order for the Public Safety Team to withdraw this representation, it will be necessary for you to **confirm in writing or via Email** that you accept the above licence condition.

We will require this condition to appear on the licence schedule should the licence be granted.

Please see a photo of the floor as discussed during my visit.

Please note that the setting of the capacity for the premises and means of escape in case of fire is dealt with by the London Fire Brigade and you are advised to contact them regarding those matters.

If you are in control of any part of a commercial premise, you are under a legal obligation to carry out a detailed fire risk assessment to identify risks and hazards in the premises. A fire risk assessment is essential in keeping your premises safe for everyone. You must keep a written record of your fire risk assessment if your business has five or more people.

More information can be found here: <http://www.london-fire.gov.uk/FireRiskAssessment.asp>

Please let me know if I can assist you further.

Yours sincerely

(Give a brief description of why other procedures such as a standard review process are thought to be inappropriate, e.g. the degree of seriousness of the crime and/or disorder, the past history of compliance in relation to the premises concerned)

PROTECTIVE MARKING

I am giving this certificate because I am of the opinion that other procedures under the Licensing Act 2003 are inappropriate in this case because:

The premises has a long track record of both crime and disorder most recently on the 29/01/2017 at about 02.40 hours, police were alerted to a large disturbance outside the venue by a Brent Council CCTV operator, from viewing the councils CCTV a large group of male can be seen fighting after it appears people are ejected from the club, there are between 30 to 40 people involved, fighting amongst themselves and with door supervisors, barriers are seen being used as weapons, this continues into the road where people return waving belts and wrapping them around their knuckles, the fight then starts again in the middle of the road and continues until police arrive and arrest three of the males for an Affray.

Further disorder was captured by the Brent Council CCTV operator at 04:48 again large groups of male are seen fighting between themselves, one group are seen being chased down the road in their vehicle, only for them to reverse into the chasing crowd narrowly missing one male who just manages runs out of the way, the fighting continues until 05:08 with no sign of any SIA trying to stop the males from fighting.

On Tuesday 27th December 2016 at around 2.20am police were called outside the venue following reports of a large fight involving bottles as weapons. Although the incident had concluded upon police arrival, a review of council CCTV, shows some of the incident, where a door supervisor can be seen on the ground injured. Shortly after this another door supervisor can be seen in possession of what appears to be a friction lock baton, an offensive weapon, which he can be seen brandishing towards a group of males who have belts wrapped around their hands. Later at around 3.20am hours, police were again called back to the venue. On this occasion one male was arrested. As they arrested this man, officers became under attack by others in the group and a police officer was assaulted in the disorder.

The Premises has previously received a warning letter and an action plan. These were primarily around breaches of the premises licence in particular around CCTV failures.

A standard review was submitted on the 21st January 2017 after no sign of any positive changes were seen. As a result of these incidents, police lost faith in the management. Police believe that the immediate suspension of the premises licence is necessary to prevent any further crime and disorder.

This is deemed an appropriate and proportionate measure in view of the above evidence and to reduce any further threat to the public's safety and the prevention of crime and disorder.

(Please read guidance note 2)

Crystal's Sports & Shisha Bar (Mango) is a night club situated on South Way Wembley, since August 2016 police have seen a large increase in disorder at the venue, serious incidents occur in the early hours of the morning when the emergency services are already stretched.

Over this time police have tried to work with the Premises Licence Holder and the Designated Supervisor to try and improve the running of the club, however this has not been successful and eventually saw a Review being submitted by the police asking for conditions to be placed on the licence, this Review was submitted on the 21/01/2017, but on the 29/01/2017 police were called to the club in the early hours of the morning to a large disturbance involving males fighting outside the venue, 3 people were arrested for an Affray. A further incident of disorder was also captured by the Councils CCTV operator as the club was closing a few hours later, police believe that if the club is allowed to remain open then there will be a continuation of these type of incidents, and ask that the clubs licence be suspended until a full hearing can be heard.

The premises has a long track record of both crime and disorder most recently on the 29/01/2017 at about 02.40 hours, police were alerted to a large disturbance outside the venue by a Brent Council CCTV operator, from viewing the council's CCTV a large group of male can be seen fighting after it appears people are ejected from the club, there are between 30 to 40 people involved, fighting amongst themselves and with door supervisors, barriers are seen being used as weapons, this continues into the road where people return waving belts and wrapping them around their knuckles, the fight then starts again in the middle of the road and continues until police arrive and arrest three of the males for an Affray.

Later at around 3.20am hours, police were again called back to the venue. On this occasion one male was arrested. As they arrested this man, officers came under attack by others in the group and a police officer was assaulted in the disorder. a second male was arrested and later charged with Assault Police, Obstruct Police, and Possession of an offensive Weapon.

This incident resulted in Police serving a Closure Notice on the venue over the New Years Eve weekend, to prevent any further incidents.

Since October 2016 there have been significant incidents at the venue, which include Affray, GBH and ABH. Every weekend in October saw an incident of public order and VAP Following Police intervention in November there was a small improvement, but this has steadily escalated through December resulting in the above incidents,

Police have tried working closely with the venue due to the amount of incidents arising from the premises. They have already received a warning letter on the 04/10/2016 this was after the venue did not provide CCTV of incidents on two occasions.. The premises have also been subject to an action plan which was issued on the 18/11/2016. this was primarily around breaches of the premises licence and in particular around CCTV failures, and members of staff acting as Door supervisors without the correct Licence. .

It is now not felt suitable for a standard review as there has been no sign of any positive changes made by the venue. As a result of these recent incidents, police have lost faith in the management. Police believe that the immediate suspension of the premises licence is necessary to prevent any further crime and disorder in particular an immediate review of the door supervision team.

This is deemed an appropriate and proportionate measure in view of the above evidence and to reduce any further threat to the public safety and the prevention of crime and disorder licensing objectives.

Notes for guidance

- A certificate of the kind mentioned in the form must accompany the application in order for it to be valid under the terms of the Licensing Act 2003. The certificate must explicitly state the senior officer's opinion that the premises in question are associated with serious crime, serious disorder or both.

Serious crime is defined by reference to section 81 of the Regulation of Investigatory Powers Act 2000. In summary, it means:

 - conduct that amounts to one or more criminal offences for which a person who has attained the age of eighteen and has no previous convictions could reasonably be expected to be sentenced to imprisonment for a term of three years or more; or
 - conduct that amounts to one or more criminal offences and involves the use of violence, results in substantial financial gain or is conduct by a large number of persons in pursuit of a common purpose.

Serious disorder is not defined in legislation, and so bears its ordinary English meaning.

Crystal Sports Bar (Mango) holds an extensive Premises Licence which allows ten licensable activities in particular the supply of alcohol from 10.00hours until 05.00 hours Monday to Sunday. Music dancing and the likes 1800 hours until 0500 hours Monday to Sunday and is open to the public from 0630 hours until 0530 hours Monday to Sunday.

Crystal Sports Bar (Mango) is failing to promote three of the licensing objectives, prevention of crime and disorder, the prevention of public nuisance and public safety.

The premises licence holder is Mr Kuppusamy Kirupakaran.

The designated premises supervisor since April 2016 is Mr Paul David Kelly.

The arrangement of this licence premise is unlike any other within the Borough. It is located on the ground floor within an industrial, commercial building with a warren of doors, stairs and corridors. There are internal doors leading directly in to other licence premises that have differing designated premises supervisors and much larger capacities. There are other influences within the operation of this premise in particular the owner of the entire building and financial investors none of whom the effect of the Licensing Act would have any impact upon. The building is located in an industrialised area of the borough with no residential properties in the vicinity which should be of benefit and was part of the consideration for responsible authorities not objecting to such extensive late operating hours. However Police now believe that the operators have taken advantage of the hours and remote location to allow drunkenness and deplorable activities.

Police have no faith in the ability of the designated premises supervisor to operate the premises responsibly in its current state as a night club and the premises licence holder has a very distant, weak influence on the running of the premises. Police therefore wish to bring the matter before the sub-committee for consideration.

The Brent Police Licensing team know Mr Kelly and Mr Kuppusamy Kirupakaran mainly because of the proximity of the premises to Wembley Stadium and the impact of alcohol on event days. The majority of Police dealings are with Mr Kelly as he deals with the day to day operations of the venue. In general this working relationship has been satisfactory but has gradually deteriorated since September 2016 when Mr Kelly began breaching the conditions of the premise licence.

Below is a chronological list of recent events:

On **21st August 2016** at 0430 hours Police witnessed fighting and disorder involving a group of Asian males in South Way, Wembley. One male was arrested for brandishing an offensive weapon, this male had been a customer at Crystal Sport Club (Mango) an altercation had occurred between two different groups and the disorder ensued. Mr Kelly was spoken to over the phone on 21st August 2016 by the investigating Officer PC Garner, and CCTV footage was requested. On **31st August and 10th September** PC Garner phoned Mr Kelly asking for the CCTV footage, however he got no response. On **1st October** 2016 at 1300hours PC Garner attended the venue in South Way but Mr Kelly was not there and the premise was closed to the public. However he did find an office open at the rear of the venue and spoke to a member of staff and left a message for Mr Kelly to contact him re the footage. PC Garner then contacted Brent Police Licensing informing that he was having difficulty getting hold of Mr Kelly and the CCTV footage vital to charge a male with offences. PC Mike Sullivan spoke to Mr Kelly on **3rd October** 2016 and discovered Mr Kelly had not downloaded the footage that he 'looked at the CCTV and could not find any relevant footage, he was not aware that police wanted a copy and this has now been deleted from the system'.

In the early hours of **10th September 2016** a serious life threatening and left changing road traffic accident occurred in Greenford. One vehicle was involved that contained a male driver and 3 male passengers. The investigation was conducted by Detective Constables Zenga and Bowers. Statements taken from the passengers concluded that the prior to the accident they had been for a night out in Mango (Crystal Sports Bar) South Way Wembley. In order to build a criminal prosecution against the driver highlighting dangerous driving CCTV is obtained from the scene of the accident and back along all the roads he travelled, this required CCTV footage from Mango (Crystal Sports Bar) when investigating officers could identify occupants of the car and place them within the vehicle. The occupants entered Mango (Crystal Sports Bar) at 2238 hours and left at 0138 hours. Detective Constables Zenga and Bowers made contact directly with Mr Kelly and a male who gave his name as Abi 07763838387 and made a verbal request for the CCTV footage.

During this time other Detectives were making a similar investigation after a serious road traffic accident in The Mall, Kenton. Again Mr Kelly had been contacted directly by the investigator requesting CCTV footage.

Unfortunately after making the initial request the investigating officers had difficulty contacting Mr Kelly or Abi and due to the premises only opening after 2300hrs on weekends (no weekday openings) they contacted Brent Police Licensing on 21st September 2016 to request our assistance to obtain this footage. In addition Mr Kelly has said to the investigating Officers that CCTV would not be any relevance to them as were the vehicle was parked was not covered by the cameras.

On **21st September 2016** a meeting was held with Mr Kelly at Brent Civic centre I handed him a formal letter requesting CCTV footage from all the cameras coving premises licence number 222004769 on 10th September 2016 from 0135 hours. Mr Kelly was aware of both traffic accidents and explained the delay in providing was because he had forgotten the password for the hard drive. He said he would get an engineer in to assist him.

Exhibit NM/1 - CCTV request letter

On **4th October 2016** I wrote a formal warning letter to Mr Kelly outlining condition 1 of the premises licence regarding CCTV. I expressed how disappointed Police were that footage was still outstanding and he had taken it upon himself to make a decision whether the footage was of relevance when he did not know the full details of the investigation. He was told in order to uphold the licensing objectives his role was to download the footage and inform officers it is ready for collection and Police will assess the footage for any relevance to the allegation.

On **8th October 2016** I visited Crystal Sport Club (Mango) During this time the premises was open to the public and relatively busy due to a major football game being played at Wembley stadium later that day. Alcohol was being sold and loud amplified music being provided. Mr Kelly would have been expecting a visit from Police on this day. I was in full uniform in company with PC Michelle Heath. As I entered the venue Mr Kelly guided us to the office area where the CCTV system for the ground floor and first floor premises. In the office was an Asian male, he did not wear any identifiable work logo but was apparently a CCTV engineer. He appeared to be working on the hard drive of the CCTV system. A rather staged scenario ensued whereby Mr Kelly asked the engineer to download the footage from 10th

September 2016 as required. The engineer then said 'no I told you it would all be lost'. Mr Kelly then said 'no I told you the reason I wanted you to do this was to download this footage'. Both men then had a verbal disagreement and the engineer left the office. The final result being that all footage that was required for the investigation of 10th September 2016 had been deleted.

Police asked to see the door supervisor register. Mr Kelly said it was not on the premises and that it arrives with the security staff. Some of the security staff were already at the venue as it was open to the public. This was an unusual procedure and Police understood the door supervisors were provided by Mr Kelly's security company called 'Defuse Security'.

Offence Section 57 Licensing Act 2003 During this visit the premises licence summary was not displayed as required by the licensing Act 2003 and the premises licence was not available for me to examine.

Offence Section 136 Licensing Act 2003 Unauthorised licensable activity; on this day providing amplified recorded music on the premises otherwise than as authorised (after 1800 hours)

Offence Section 136 Licensing Act 2003 Unauthorised licensable activity; on this day breaching conditions 4 of the premises licence (security register/log)

Offence Section 136 Licensing Act 2003 Unauthorised licensable activity; on this day breaching condition 11 of the premises licence (incident log)

On **Sunday 9th October 2016** at 0230 hours an offence of GBH occurred between customers of Crystal Sports Bar (Mango) the victim of the assault was intoxicated, he bumped in to the suspect spilling his drink. The victim was ejected by security. Outside the venue the suspect has punched the victim several times in the head causing him to loose consciousness for a short period and receive a gash to the face. Even though Licensing Police had been present at the venue a few hours before and a CCTV engineer had apparently installed a new Hard drive in front of them; there was no CCTV footage available from the venue to assist the investigation. An incident log has not been provided regarding this crime.

A copy of the letter was delivered to the venue, Mr Kelly's home address and sent to him electronically.

On **Sunday 23rd October 2016** at 0350 hours an assault occurred at Crystal Sports Bar (Mango), the Asian male victim was aged 18 years and was heavily intoxicated when seen by Police. On **Sunday 30th October 2016** at 0500 hours violent disorder occurred at Crystal Sports Bar (Mango). Two of the victims were Asian males aged 18 and 19 years, the remainder of the victims/witnesses were under 25 years of age. CCTV captured by Brent Council identifies Mr Kelly witnessing the chaos and having no control over the door staff. Two males were arrested by Police, these males were working at the venue that night in the position of door supervisors; however neither were registered with the Security Industry Authority. This is a mandatory condition of the premises licence and contrary to Section 136 Licensing Act 2003. Mr Kelly was spoken to at the time by the investigating officer Detective Sergeant Paul Connelly. Mr Kelly claimed the two suspects were employed as fire marshals and stewards. This practice has never been carried out at the venue before and is not the truth. Both of these males have been charged with affray and assault. Mr Kelly claimed not to be able to operate the CCTV system and requested DS Connelly assist him. Efforts were made to copy all footage for the last 40mins onto a USB stick however he did not know how to burn it and the system froze when he was trying to view. Any responsible designated premises supervisor would be able to operate the CCTV system and if Mr Kelly is unable to, it begs the question whether he is in a position to check the system is working correctly before conducting daily licensable activities. Mr Kelly told Police he would call a CCTV engineer and be in touch with the footage. Mr Kelly was asked for a list of all the door staff working that evening, he provided a very poor list, largely unreadable and written in felt tip. It was incomplete partial names and badge numbers.

On **Wednesday 2nd November 2016** at 1900 hours I visited Crystal Sport Club (Mango) in the company of PC Sullivan. During this time the premises was open to the public due to a major football game being played at Wembley stadium later that evening. Alcohol was being sold and loud amplified music being provided. Mr Kelly had been in contact with me with regard to the letter I send to him dated 19th October 2016 where I requested to see the incident logs and door supervisors' registers from 1st January to 19th October 2016. He had informed me that I could view these documents at the venue on that night and he wanted to show me the CCTV system was now operating fully. Both Mr Kelly and an Asian male I know to be Abi Sattar or Abi kattar were with PC Sullivan and I in the office. Mr Kelly provided me with Seven Sia logs 2nd September, 3rd September, 30th September, 1st October, 21st October, 22nd October and 28th October only. They were all incomplete with vital names, and badge numbers missing. Most concerning is the same name appearing on different time sheets with different badge numbers alongside. This appears to be a clear act to mislead authorities so any door supervisor involved in any incidents within the premises can not be traced. This is emphasize with lack of SIA log's provided for 8/9th October 2016 when there was a serious assault (as above) when the victim was ejected by security. When I asked Mr Kelly where ther door supervisors' logs were for the remainder of the year (as requested) he said ' I bin them every three months'. This practice would never be endorsed by any authority, I believe this to be a lie. Surely they would be kept for tax purposes. He could not give an reason for throwing them away.

Exhibit NM/8 SIA Logs provided on 2nd November

Mr Kelly provided four incident reports. Two for 29th October 2016 and two for 16th October 2016. They are all completed by Eric job title Steward. The first incident on 29th October 2016 was at approximately 0200 hours and a group of males were refused entry to the Shisha area, they were unhappy about this and a member of door staff was hit in the face. Door staff was threatened with a knife. The second incident on 29th October 2016 was at 0445 hours when a customer was attacked and then a large fight broke out where bottles knives and spades were used as weapons. When I asked to see the remainder of the incident reports Mr Kelly said they were at home. Our meeting was specifically arranged for me to see the incident book/records. Mr Kelly has not made them available to view since that date. I do not think Mr Kelly had been maintaining an incident book He could not operate the CCTV in our presence because he could not find the remote control for the monitor. When we explained the premises were being poorly operated and serious improvements needed to come about quick time Mr Kelly and Abi made suggestions that an ID scanner would assist and deter bad behaviour from customers. They informed PC Sullivan and I that they had one already and it just needed fitting. Police explained to Mr Kelly as he was not a front line SIA badge holder and therefore could not employ door supervisors directly. Police described how to get the relevant badge

and clarified he would need to employ door supervisors from a company. Police suggested at this time that an SIA approved door supervisor company would be the best option and to browse the SIA website for a list. Mr Kelly was advised to maintain an incident book and retain it for seven years in case of civil claims and the same with the doors supervisor log and that both should be stored at the venue. Both Mr Kelly and Abi agreed with the suggestions.

Several persons arrested and charged.

Officers attending claimed the door staff were less than helpful saying it all happened outside and then disappeared out of sight. Excessively drunk customers

As a result of Police Licensing Officers' visits to the premises and conversations held with Mr Kelly, in addition to the continuous incidents of crime and disorder at the venue (every weekend bar one from 4th October to 13th November 2016) a formal Action Plan was compiled. The action plan was developed by the Police in consultation with both The Designated Premises Supervisor and Premises Licence holder over several weeks of discussions. The plan highlighted the primary responsibility of the PLH and DPS to ensure that the premises are a safe and secure environment. The aim of the Action Plan was to adopt practical options to ensure that the conditions of Premises License, (2003 Licensing Act) were met and erase the criminal offences that have plagued the venue for the previous two months.

On **18th November 2016** the Action Plan was delivered electronically to Mr Kelly and Mr Kuppasammy

There are five main points to the action plan.

CCTV

Door Supervisors (from an SIA approved company)

Stop sales of full bottles of spirits

Install and operate an Identification Scanner

Retained the incident log for a minimum of seven years.

Half of the party involved got in to a vehicle and drove off. The display of driving leads the CCTV controller to allege a possibility of drunk driver.

This vehicle was not located by Police.

On **Thursday 24th November 2016** Licensing Officers PS Paul Riley and PC Paul Whitcomb had a meeting with Abi (the business man), Mr Paul Kelly (DPS), My Kuppasamay (PLH) (accompanied by his nephew Tharshan Navaratnarasa).

Abi did most of the talking. He has said that the club is happy to accept and fully comply with the action plan. They said that the I.D Scanner has been purchased. They will no longer sell single bottle of spirits. These can be purchased retained behind the bar and waiters/waitress will serve these in the correct measures. The CCTV has been arranged and the only part outstanding is the fact that they need to install a wi-fi modem so that Mr Kuppasamay can remotely monitor the CCTV. A signed copy of the Action Plan was handed over.

On Wednesday 7th December 2016 Licensing officers PC McDonald and PC Sullivan visited

Mango (Crystal Sport and Shisha). During this time the premise was open to the public due to a major football game being played at Wembley stadium later that evening. Alcohol was being sold and loud amplified music being provided. Officers met with May Paul Kelly, Abi and David Bates Managing Director of an approved SIA door supervisor Company 'Task Personnel Solutions Security Services' Popeshead Court Offices Peter Lane, York. YO1 8SU. Mr Bates explained he would be appointing a head door man who will be in charge of booking all door staff off/on checking logging and SIA badge numbers. He is introducing a lone working app where he can see where the staff are at any time it will be available for Police. When incidents are logged or statements are required they can be provided to Police immediately electronically however hard copies will be retained at the venue. No more bottles of spirits or champagne are served at the tables and the ID scanner was in place. Mr Bates advised Officers to contact him directly with any requests relating to This meeting gave Officers hope that the venue was operating in a more positive way and the action plan assisting with this.

The allegation was of a fight involving customers and one possibly wearing a knuckle duster. Upon Police arrival there was a large amount of people in the road, the fight had stopped. There was no allegation of crime made to Police and due to the amount of persons it was difficult to identify who had been involved in the fight.

PC McDonald never received any response.

On **Saturday 17th December 2017** at 0551 hours a female phoned Police from an address in East London. This woman had been woken by a male who had banging on her front door, the male was covered in blood and asking for help.

Investigating officers have established this male was a customer of Mango (Crystal Sport and Shisha) earlier that morning. He had gone to the club alone. While in the club he had met a group of men whom he befriended and bought a number of drinks for. At some point in the morning they had gone outside and he said that his phone had run out of power, and he needed to charge it to order himself an Uber cab. One of the suspect stated that he could charge the phone in his vehicle. The victim willingly went into the vehicle to charge his phone. At some point one of the suspects stated that they would drop him home and not to call a cab. The victim agreed, however what then occurred was that the victim was beaten, kidnapped and robbed. The victim could not give a statement at the time because he was drunk.

Licensing Police emailed MR Kelly on **20th December 2016** and asked him to provide CCTV footage of the venue from 0200 hours to 0600 hours on 17th December 2016 in order to identify the suspects and verify his story.

Investigating Officer discovered that a male had been stabbed and attacked with glass bottles in South Way Wembley. Prior to the assault the victim and his friend had been customers in Mango (Crystal Sport and Shisha). When leaving the bar they had been chased by several other customers from that venue who then using bodily force and glass bottles had stabbed the victim in the leg and caused a head injury that required stitches. PC McDonald also Emailed David Bates Managing Director of the newly assigned approved door supervisor company and requested a copy of the incident log and list of staff working at Mango on the weekend of 16th/17th/18th December 2016.

On **Tuesday 27th January 2016** at 0218 Hours Police and ambulance services were called to Crystals Club. Callers and Brent Council CCTV operator could see serious disorder and fighting outside the location involving patrons. During the chaos glass bottle were used as weapons and missiles, belts were removed from trousers and the used as weapons and a door supervisor brandishes a friction operated baton. There were several persons arrested for affray assault and possession of offensive weapons.

It became apparent after a later investigation by Police licensing that both Mango (Crystal Sport and Shish) and Crystal Aqua were open on the night of 26th/27th December 2017 and that Mr Paul Kelly was managing both events. Mr Kelly responded immediately the same day stating the footage had been downloaded and was ready for collection.

PC McDonald had not received any correspondence from Mr David Bates from the door supervisor company so telephoned him. Mr Bates said that Mr Kelly had wanted to retain all the door supervisor staff that had worked for him previously and not willing to accept new staff. Mr Bates claimed that his company name was just being used by Mr Kelly but he was unwilling to implement the improvements. As a result of this conversation Mr Bates sent PC McDonald an Email outlining going forward he would not be engaging with Mr Kelly and the venue.

Exhibit NM/19 Electronic correspondence with Mr Bates

On **4th January 2016** PC McDonald asked if she could collect the footage from the venue on either 6th or 7th January.

On **7th January 2016** PC McDonald had a telephone conversation with Tharshan Navaratnarasa with regard to the footage. He said Mr Kelly had left it in the safe at the premises, however he could not hand it to me because only Mr Kelly had access to the safe.

PC McDonald therefore emailed Mr Kelly again asking for a reassurance that the footage could be got to Police by the end of the weekend (8th January) as it was an allegation of serious assault and the investigating officers needed to progress.) PC McDonald also asked about details stored in the ID Scanner (part of the action plan) and could this be examined/viewed by Police.

On **10th January 2016** Mr Kelly sent an odd reply to PC McDonald stating she should liaise with Angelique from Trade Inn Licences as they are acting on my behalf.

PC McDonald replied immediately asking if he had the footage downloaded and that there was two criminal investigations urgently awaiting this.

Exhibit NM/20 Electronic correspondence in relation to obtaining the CCTV footage and ID Scanner data.

By **13th January 2016** Brent Licensing had still not received any CCTV footage from the venue relating to criminal offence over the weekend of 17th and 18th December 2016, so PC McDonald and PS Riley at 1100 hours attended Crystal Sport and Shisha (Mango). Mr Kuppasamy and Tharshan Navaratnarasa were both present and gave permission to enter the office where the CCTV system was operating. Using powers under the Police and Criminal Evidence Act 1984 Police seized the hard drives (Two) for the venue. These are in the process of being viewed in relation to the above investigations.

Summary

There is a pattern at this venue of drunkenness leading to violent behaviour and injuries requiring vast utilization of emergency service resources. This all comes about due to the excessive authorised hours and a designated premises supervisor that is unable to manage the premises by upholding the licensing objectives. Unfortunately there is mistrust, Police have lost all faith in the DPS. Police request Mr Paul Kelly be removed as the DPS.

The only reason an expedited review has not been submitted is because Police believe the Premises Licence Holder is working in good faith and as assured Police the premises will not operate in the future as a late night club venue. This has been displayed by the recent removal of the Shisha smoking area to the front of the venue. Police understand there are legal leaseholder/tenant issues that are not relevant to this review but to assist the licence holder and strengthen his position Police requested the hours for licensable activities cease at 0100hours with the premises closing to the public at 0130hours. All the crimes evidence in this application has happened after 0100 hours.

Police believe if the Action Plan had been implemented correctly the operation at this venue would have improved and licensing objectives upheld. Therefore Police request the Action Plan be added as conditions to the premises licence.

Police reserve the right to give evidence on any further incidents where the licensing objectives have not been promoted which may take place at, or in the vicinity of the premises, between the service of this application and the hearing and/or during the time allowed for any appeal proceedings.

Dear Mr Kelly

You are the designated premises supervisor for Crystal Sports and Shisha (also known as Mango's 2) Unit 2, Popin Commercial Centre, South Way, Wembley, HA9 0HB.

To investigate a serious road traffic offence thoroughly Police require a copy of the CCTV footage covering all cameras from 0135 hours to 0445 hours on 10th September 2016. I understand you have spoken to Detective Constable Bowers about retrieving this footage. In accordance with the premises licence number 222004769 condition 1, I am requesting this CCTV footage.

I would appreciate either an email or phone call when this footage has been downloaded and ready for collection.

If you have any further queries, please do not hesitate to contact me.

Yours Sincerely,

Nicola McDonald PC157QK

Dear Mr Kelly

I am writing this letter in response to two recent criminal investigations involving the use of your premise in South Way, Wembley. On both occasions you have been requested by Police to provide CCTV footage from the venue. Disappointingly Police are still awaiting both sets of recordings and on both occasions you have stated you had viewed the footage and nothing of relevance was viewed.

The condition of the premises licence is:

CCTV shall be installed to Home Office Guidance standards and maintained in a good working condition and recordings shall be kept for 31 days and shall be made available to police and authorised Officers from Brent Council.

It is not for you to analyse the video recording and decide whether it is suitable for an investigation. Your role is to download the footage and inform officers it is ready for collection. Police will assess the footage for any relevance to the allegation.

A failure to comply with the premises licence could lead to a review of the premises licence.

I appreciate your co-operation on this matter.

Yours Sincerely,

Nicola McDonald PC 157QK
Brent Police Licensing Officer

I am a Police Constable of 27 years experience, the last 21 years I have worked on the London Borough of Brent. Since 2005 I have been attached to the Licensing unit for the borough. I have been authorised via a delegated authority to represent the Borough Commander for the London Borough of Brent and for the Commissioner of the Metropolitan Police Service to act on licensing matters. One of the premises I supervise is Crystals Sport and Shisha Club unit 2, Popin Commercial Centre, South Way, Wembley, HA9 0HB. This club has in recent months become known as Mango Club. The premises licence number is 222004769. This premise is situated on the ground floor corner in a commercial building, the unit above on the first floor and directly joining behind are also licensed premises all with very late closing times.

The premises licence holder for both Mango Club and Ruby Lounge (premises Licence number 575291 Mezzanine Floor, Unit 1 Popin Commercial Centre, South Way, Wembley, HA9 0HB) is Mr Kuppusamy kirupakaran 69 Meadowbank Road, London, NW9 8LJ. The designated premises supervisor (DPS) for both of these premises is Mr Paul Kelly 44 Fairbanks Road, Tottenham N17 9JL. The role of the DPS in a licensed premise is to manage and supervise the day to day operation of the premise and make sure it functions by upholding the four licensing objectives, inevitably these means complying with the conditions of the premises licence.

In mid September 2016 I was contacted by DC Zenga from the Roads and Transport Policing Command. She informed me of an investigation she was involved with that involved a vehicle that had been involved in a serious accident the driver of which prior to the accident had been in the area of the Popin Commercial Centre, South way, Wembley. DC Zenga informed me that Police Officers had spoken to Mr Paul Kelly and had requested he download footage to assist the criminal investigation. However since making that request they had failed to make further contact with him and the footage had not been obtainable.

On Wednesday 21st September 2016 I held a meeting with Mr Kelly at Brent Civic Centre and during it I spoke about the required CCTV footage. He appeared to be familiar with what was necessary and claimed that the delay had been due to him forgetting the password for the hardrive. Through experience I was cautious of this reason and began a more staged approach to the matter. I presented him with a written formal request for the footage, I exhibit this letter dated 21st September 2016 as NM/1. He said that he would get a CCTV engineer to the premise to assist.

As part of my investigations around licensing matters at the premises I began to examine other recent crime reports relating to allegations at the venue. Frustratingly I discovered Mr Kelly had been viewing footage on behalf of investigating officers, informing them there was nothing of value on his recordings and not downloading it for the officers to view. As a continuity of the staged approach recommended in the Licensing Act 2003 guidance I wrote a formal warning letter to Mr Kelly and I hand delivered this to him on 8th October 2016. I exhibit this as NM/2. During this time the premises was open to the public and relatively busy due to a major football game being played at Wembley stadium later that day. Mr Kelly would have been expecting a visit from Police on this day. I was in full uniform in company with PC Michelle Heath. As I entered the venue Mr Kelly guided us to the office area where the CCTV system for the ground floor and first floor premises. In the office was an Asian male, a CCTV engineer from Hawkeye Technologies, 47 Lennox Close, Chafford Hundred, RM16 6AP. He appeared to be working on the hard drive of the CCTV system. A rather staged scenario ensued whereby Mr Paul Kelly asked the engineer to download the footage from 10th September 2016 as required. The engineer then said 'no I told you it would all be lost'. Mr Kelly then said 'no I told you the reason I wanted you to do this was to download this footage'. Both men then had a verbal disagreement and the engineer left the office. The final result being that all footage that was required for the investigation of 10th September 2016 had been deleted. I will be investigating this venue further with powers under the Licensing act 2003. I am willing to attend court and give evidence if necessary.

19th October 2016

Dear Mr. Kelly

I am writing this letter in response to Police attendance to Crystals Sports and Shisha Bar (Mango) South way Wembley during the afternoon of 8th October 2016. On this day there was a major football event at Wembley Stadium, namely an international world cup qualifier between England and Malta. Approximately eighty two thousand tickets had been sold to supporters. The designated kick off time for this football match was 1700 hours. Police visited the premises as a routine pre-match operational licensing check and in the hope of collecting CCTV footage that had been request on an earlier occasion.

The venue was open to the public, alcohol was being sold and entertainment in the way of amplified music being provided.

Condition 4 of the premises licence states:

A register/log containing the names, badge numbers, dates and times of duty of security staff and any incidents that occur shall be kept and made available to the Police and Licensing Authority.

I asked to see the door supervisor register and you informed me it was not at the premises. You informed me it arrives with the security staff. This is an unusual procedure and I understood the security were employed by your security company.

Could you now provide me with the Security register for this year (1st January 2016) to the date of this letter.

Condition 11 of the premises licence states:

An incident log shall be kept at the premises, and made available for inspection on request to

an authorised officer of Brent Council or the Police, which will record the following:

- (a) all crimes reported to the venue**
- (b) all ejections of patrons**
- (c) any complaints received**
- (d) any incidents of disorder**
- (e) all seizures of drugs or offensive weapons**
- (f) any faults in the CCTV system or searching equipment or scanning equipment**
- (g) any refusal of the sale of alcohol**
- (h) any visit by a relevant authority or emergency service.**

Could you now provide me with the incident book for this year (1st January 2016) to the date of this letter.

Condition 13 of the premises licence states:

A copy of the premises licence summary including the hours which licensable activities are permitted shall be visible from the outside of each entrance to the premises.

This condition was being breached. There was no licence summary or Part B displayed on the premises. In addition there was no Part A of the premises Licence at the venue for me to examine, contrary to Section 57 Licensing Act 2003.

Part B of the premises licence must be on display in a prominent position.

Part A must be available for inspection.

The premise licence conditions must be adhered to if you wish to conduct licensable activities.

I look forward to hearing from you in the near future

Yours Sincerely,

Nicola McDonald

Brent Police Licensing Officer

Hi Nicola,

As per my conversation earlier with Paul, Crystals caused several issues for us on night duty Saturday 12th Nov.

Team responded to 3 calls (as per the cads listed below), on all occasions we were met by mostly excessively drunk individuals.

The door staff were less than helpful, stated as far as they were aware nothing had occurred inside the premises. If you read Cris 1928974/16 relating to a GBH you'll learn it clearly starts inside the venue.

I attended CAD 1686 and an Asian male informed me his friend was too drunk to get inside but as he was pleading with one of the door staff they said for £250 he could come inside. This male has allegedly handed the money over only to be left outside. The 'victim' did not wish to substantiate any allegation but whilst he was speaking to me the 2 males working the door disappeared inside very quickly.

This informant also stated Crystals was a popular location because people go out elsewhere and can carry on drinking here. Also getting in isn't usually a problem even if you're drunk.

I will write an MG11 detailing the above, this email is just to provide you with a general idea of what has occurred.

CAD 1205/13NOV16 02:52 hours - GBH 1928974/16

CAD 1686/13NOV16 04:31 hours - fight seen on CCTV by Pyramid

CAD 1698/13NOV16 04:34 hours - fight involving knives and guns

If you require anything further please do not hesitate to get in contact with me.

Tej

Dear Paul

Please find attached the action plan for Mango club (Crystal sport and Shisha)

A copy has also been sent to the Premises Licence Holder Mr Kuppasamy.

Please read it carefully any questions get back to me.

I am aware of another serious assault involving customers from the club in the early hours of 13th november. Police insist that the club does not open for late night events until the Action plan recommendations have been implemented.

Action Plan

Venue Name	Mango Club (Crystal Sports/Shisha)	Licence No: 222004769	
Venue Address	(Ground Floor front) Unit 1 Popin Commercial Centre South Way	Date	18/11/2016
	Wembley	Borough	Brent
Postcode	HA9 0HB	Officer Completing DPS/Licence Holder	PC McDonald 157QK Mr Kuppusamy Kirupakaran (PLH) Mr Paul Kelly (DPS)

As a professional operator Police expect you to demonstrate a primary responsibility to ensure that the premises are a safe and secure environment and as a commercial licensed premises anticipate your full commitment to your customers and responsibilities under the Licensing Act 2003. This plan has been developed by the Police in consultation with both The Designated Premises Supervisor and Premises Licence holder over several weeks of discussions. The aim is to adopt practical options to ensure that the conditions of Premises Licence, (2003 Licensing Act) are met and erase the criminal offences that have plagued the venue for the last two months.

Actions to be implemented

Door Supervisors

There have been issues of persons conducting the role of door supervisor not in possession of SIA door supervisor licenses. These males, when questioned by police, have then claimed to be 'stewards' There should be no 'stewards' employed at the premises unless monitoring the rear car park and that person should be clearly identifiable by wearing a separate high visibility jacket.

The door supervisors are working for Mr Paul Kelly (the DPS) Mr Kelly's security company is called Defuse security. Mr Kelly does not possess a non front line SIA security authority to employ door supervisors. Condition 2 of the premises licence has not been complied with. There must always be a suitable gender mix of SIA door staff.

1. Ensure that only SIA approved security company are used for supply of door supervisors.
Contact Brent Police Licensing team when this company has been accepted for employment.

2. All door supervisors to wear high visibility jackets.

3. Condition 4 of the premises licence requires a register/log of door supervisors. This must be completed with full names and full SIA badge numbers. These logs/registers must be retained for a minimum of seven years. This will assist you in any civil claims are made.

4. This security staff will be equipped with a radio system to be able to communicate with each other and the DPS or duty manager to enable a quick response to any incident or complaint.

CCTV

There have been recent issues of the CCTV system not operating correctly, issues with downloading the footage the time and date being incorrect. The recent serious crime and disorder at the venue required footage of the victims and suspects within the venue prior to the actual offence. This paints a better picture to a judge and jury and is expected in criminal trails. In order to prevent any further inconsistencies with the premises licence conditions around CCTV:

1. The premises licence holder shall have remote access to the CCTV system that shall be streamed to a mobile device.

- 2. The DPS shall take training in the CCTV procedure and retain a secure log in code.
- 3. A CCTV camera shall be positioned within the external covered area where customers now enter the premises and searching takes place. This camera shall record a clear head and shoulders shot of anyone as they walk towards the entrance door (not top of head shot).

Prevention of crime, disorder and drunkenness.

1. Stop sales of full bottles of spirits.
 In accordance with The mandatory conditions this does not promote responsibly drinking and it is impossible for staff to monitor how much alcohol is being consumed by customers.

2. Install and operate an Identification Scanner on the entrance of the premises excluding when open for customers attending events at Wembley Stadium.

3. In conjunction with Premises licence condition number 11, The incident Log should be retained for a minimum of seven years. This will assist you is any civil claims are made.

Police advocate the use of Mango club for late night events end until the above action plan recommendations are implemented.

Subject: Meeting with Crystals

Importance: High

Nix,

Meeting notes from Crystals this afternoon.

Present for Crystals: Abi (the business man), Paul Kelly (DPS), Kupusamay (PLH) (accompanied by his nephew Darshan).

Abi did most of the talking, as usual. He has said that the club is happy to accept and fully comply with the action plan. They said that the I.D Scanner has been purchased (they did not feel it was financially viable to rent). They will no longer sell single bottle of spirits. These can be purchased by waiters/waitress will serve these in the correct measures. The CCTV has been arranged and the only part outstanding is the fact that they need to install a wi-fi modem so that Kupusamay can remotely monitor the CCTV.

They also mentioned that they want to put a variation in to extend the Sports Bar (Mango's) into Aqua abd extend the capacity in order that they can add extra seating. We said that we would discuss this as a team. They said that they are still discussing the idea as a business but wanted to gauge our views.

Following the main meeting, Kupusamay and his nephew wanted a chat. Nephew stated that he and his uncle were simply the licence holders and that they do most of the function/catering work. They wanted to distance themselves from Paul Kelly. I had to remind him that he is the licence holder, and that if he was at all uncomfortable then he considers transferring the licence or holding discussions with Paul Kelly and co. They said that they were happy for now. Attached is the signed copy of the action plan.

Hi Nichola,

Due to the way that the premises has been operated which we agreed to help in good faith. None of the online systems which we tried to implement have been used. So as a bi product of this there is no information to send over to you. The only information will be handwritten on site. As discussed on the phone unless there are some dramatic developments we will not be engaging with the venue going forward. I am writing to request a copy of the incident log for the your staff at the above location on 17-18th December 2016.
Two males were chased and one seriously assaulted in South Way Wembley. Both suspects and victims had been customers at the club earlier that night and apparently the victim said he was refused re-entry (he did not elaborate why).
For continuity of the case I am trying to ascertain their behaviour and what occurred earlier in the evening to result in the serious assault.

Paul

I have spoken to Darshan and apparently the cctv is in a safe that he doesn't have access to.

Can I have your assurance you will get it to Darshan by the end of the weekend.

Also was the ID scanner in operation on the weekend of 16/17/18th December and can Police have access / view the contents with you? If it was in operation can you make sure the information is not deleted before Police have examined it.

Thank you

Nicola

London Borough of Brent

**Decision of the Alcohol and Entertainment Licensing Sub-Committee following a hearing
on 1st February 2017 at Brent Civic Centre, Engineers Way, Wembley HA9 0FJ**

NOTICE OF DECISION

PREMISES

Crystal Sports Bar & Shisha Lounge (Mango)
1a Poppin Business Centre
South Way
Wembley
HA9 0HB

1. Members of the Sub-Committee

Councillors Harrison (Chair), Hylton and McLeish.

2. The Application

The application is for a summary review of the premises licence held by Mr Kuppusamy Kirupakaran under section 53A of the Licensing Act 2003.

The application was brought by PC Michael Sullivan on behalf of the chief officer of police for the Metropolitan Police.

3. Representation

The applicant was represented by PC Michael Sullivan and PC Paul Whitcombe.

The licence holder, Mr Kirupakaran, attended unrepresented.

Mr Tharshan Navaratnarasa also attended.

4. The Hearing

PC Sullivan set out the police representations. The premises is split into 5 different licences. The problems have been with the front part known as Mango. Mr Kirupakaran is the premises licence holder for all the licences in the unit.

There have been significant problems at the premises in recent months. It has been sub-let to a company who seem to attract a young Asian group. Mr Kirupakaran has not been involved in the day-to-day running which has led to the problems.

In the early hours of the 29th January Brent CCTV picked up a large disturbance at 2.40am.. When police arrived, it had calmed down a bit but three arrests were made. The CCTV of that first incident was played. PC Sullivan has requested the CCTV from inside the premises but it was not available today. It appears there had been a disturbance inside leading to door staff ejecting people. That then led to the disturbance outside shown on the CCTV.

The CCTV at 2.42 shows a male coming around the side of the building to the front. He picks up a barrier and is stopped by door staff. A brawl then starts at the front of the premises involving a large number of people. Barriers are used as weapons and are knocked over. People are also knocked over. The incident then spills out onto the street, preventing cars getting past. One of the door staff can be seen adopting a boxer-like stance towards a male. A number of males in the street can be seen holding belts and wrapping them around their hands. One of the door staff can be seen getting up from the floor. More incidents break out in the road until police arrive at 2.49. Three arrests were made.

Unfortunately, the premises were not closed after that. PC Sullivan asked the designated premises supervisor ('DPS') why that did not happen. He conceded that should have happened but it did not.

The CCTV at 4.46 a.m. shows limited door staff around which was unfortunate when it was nearly closing time. They have disappeared when the trouble starts. There are a lot of vehicles in the road and people start spilling out into the road and getting into vehicles. A group of males chase other males in a car. The car reversed back towards one of the chasing males and narrowly missed him. It was pure luck he was not injured.

The CCTV operator was communicating with the police but the police did not attend at that point because they did not have sufficient officers. A number of officers were still dealing with the earlier incident.

There was then a third incident at 5 a.m. at closing time. It looks as if the door supervisors have finished for the night. There is no sign of them. The group of males are therefore allowed to continue fighting in the road. One of them is the male who had almost been run over during the second incident. There are drunk people in the road preventing vehicles from getting past. That continues until 5.08 a.m.

That alone would be enough for a summary review but in addition the history has not been good. A review had already been put in prior to this incident.

On the 27th December 2016 there was disorder of a similar nature and a Closure Notice was obtained for the New Year's Eve weekend when a large function was due to take place.

In PC Sullivan's view, if this is allowed to continue there will be more serious offences committed. It was pure luck there were no injuries on the 29th January.

The club is only open on Friday, Saturday and Sunday nights. There were incidents of this nature, including a GBH, virtually every weekend from October to December 2016. This was the first weekend it had opened in the New Year and this is what has happened.

He added that other events such as weddings take place without incident in other parts of the building. It is the events that take place at the front using this particular group that cause the problems.

PC Sullivan therefore asked for a suspension of the premises licence.

Councillor McLeish asked about the licence holder's responsibilities in respect of door staff. The officers said that, whilst there are people there, there is a responsibility to ensure their safe departure. In fact they seem to clock off at 4.45. No one at the club called the police. The police only knew about it because the Council's CCTV operator brought it to their attention. Condition 2 of the licence requires the licence holder to employ door supervisors from 21.00 on any day they are open after midnight. There is no end time but common sense says they should be there until the last person has left.

PC Sullivan said there have been a lot of meetings between the police, the licence holder, DPS and the people running these events. The new DPS was already in place on the 29th January. He has been involved previously and knows about the set-up and the running of the place. He was spoken to on Monday morning to make enquiries about the CCTV. He did not have an answer to why it had not been closed after the first incident. He is an experienced DPS and should have closed it. It appears that he does not have the influence to close the club. The group running it seem to be forceful and intimidating. They are there to make money and do not appear to be concerned about how the club is being run.

The licence holder asked Mr Navaratnarasa to speak on his behalf as he deals with the day-to-day running. The sub-committee were happy to allow that.

Mr Navaratnarasa said he had spoken to Abdul Khan who runs the events at Mango. He had confirmed all the people involved in the incidents on the CCTV came from inside the club.

Mr Navaratnarasa became involved in October. He runs the banqueting in the lounges. He said the front site is a bit of a mess. It should have been stopped a long time ago. It doesn't give a proper picture of what they do. They run catering and banqueting events. He said that no rent has been paid for Mango for months. They owe £40,000 but have made money from the events there. There is no proper contract. He said he was not here to justify what had happened. They were happy to work with the police. If the police said that the best thing was to suspend the licence, they were happy to go along with that. They had already worked with the police e.g. by changing the security company, introducing body-scanners etc.

He said that Mr Khan had been involved with the dialogues with the police and had the action plan.

Mr Navaratnarasa did not know why no one called the police. He was not there and could not speak for those who did. He has asked them and they said they felt they were in control.

Mr Navaratnarasa confirmed that the other events at the premises had finished by 1a.m.

Mr Navaratnarasa said they have CCTV cameras at the front. They are trying to connect all the cameras so they can see them from one room.

The Mango people hired the security people who were there that night. He had told them they needed to use a company approved by police. They had been doing that for 2 weeks.

Mr Kirupakaran said he did not feel he could get rid of them. He has now told them to go although he has not yet changed the locks.

Mr Navaratnarasa said he was only asked for the internal CCTV yesterday. He had not obtained it himself as they are having to arrange weddings etc.

Mr Navaratnarasa said his Uncle was too nice. They did not want to surrender the licence because in the long-term they need to front part to use it as a waiting area for the banquets.

Neither Mr Navaratnarasa or Mr Kirupakaran could tell the sub-committee what the four licensing objectives were.

PC Sullivan summarised by saying the footage speaks for itself. It's lucky there were no serious offences committed. The licence-holder does not appear to have control of the premises. He therefore asked for a suspension.

Mr Navaratnarasa said that they were happy to work with the council and police. They acknowledged their mistakes. In the long-term they wanted to try to resolve it and to run a completely different type of business there.

5. Determination of the Application

Pursuant to sections 53A and 53B of the Licensing Act 2003, the sub-committee considered whether it was necessary to take interim steps pending the determination of a review of the premises licence. The sub-committee considered whether to modify the conditions of the premises licence, to exclude the sale of alcohol by retail from the scope of the licence, to remove the designated premises supervisor from the licence, or to suspend the licence.

Those matters were considered with a view to promoting the licensing objectives, namely:

- The prevention of crime and disorder
- Public safety
- The prevention of public nuisance
- The protection of children from harm.

In making its decision the sub-committee also had regard to the Guidance issued under Section 182 of the Licensing Act 2003 and Brent's licensing policy. In addition, the sub-committee took account of its obligations under section 17 of the Crime and Disorder Act 1998.

The sub-committee were mindful of the need to reach a decision that was necessary, proportionate, and justified on the evidence before them.

6. Decision

The sub-committee has listened carefully to the submissions made by both parties.

They felt there was no option but to suspend the licence as an interim step pending a full review.

It was of particular concern that no one from the premises had called the police despite the fact that the DPS was on site.

This was not an isolated incident. There had been a history of serious incidents at the premises since October.

The sub-committee did not feel that the premises licence holder had any control over the premises.

The changes recently made such as the new DPS and the use of a different security company did not appear to have had any effect at all.

The sub-committee did not feel that modifying the conditions of the premises licence, excluding the sale of alcohol by retail from the scope of the licence, or removing the designated premises supervisor from the licence would address the concerns that had been raised. The only option was therefore to suspend the licence.

7. Review Hearing

A review of the premises licence will take place on a date to be notified.

8. Right of Appeal

The parties have a right of appeal to Brent Magistrates' court against this decision.

If you wish to appeal you must notify Brent Magistrates' Court within a period of **21 days** starting with the day on which the Council notified you of this decision.
