also recalled an incident when the perp spat in her face. It's been one issue after the other she advised

The recent event which took place a week ago. She was on her way out to attend her appointment with her CRN when he apprehended her and threatened to kill her. She was pretty shaken from the incident that instead of attending her appointment, returned home immediately. She advised that she contacted the police but, wasn't taken seriously as they assumed, she was drunk at the time of the call. She advised that she wasn't in the list drunk but, just the way she spoke due to her condition. She still wasn't taken seriously and had to abandon the call. She found this very frustrating and advised that it was not the first time this would happen to her. Her GPN also confirmed her statement and expressed her dissatisfaction at the way she was treated.

I felt completely let down by the police and became frightful for her safety especially, as she knows the perpetrators has shells in his flat.

I observed in her flat that her floors were very creaky, I was made aware by Dawn that most of the flats in the block are like that. Unfortunately, the creakiness exacerbates the noise level in the flats and cause more problems than usual.

I advised that I contact the police to make further enquiries. I will also contact MHT to enquire if Mr Cordell is known to them. At some point the perpetrator will need to be interviewed and a warning letter issued on him. I will contact the repairs team and try to arrange a surveyor

	<p>to visit her flat and see what assistance can be offered</p> <p>I further advised that her case will be investigated, and an officer will get back to her to discuss further with her. Her CPN and TMO will be kept informed of updates</p> <p>Bola Quadri has already put in place a safeguard alert.</p>

Enfield, Middlesex, EN3 7JQ</u></b> <b><u>A (SEC=PROTECT)</u></b> Hi Dolly, Nick and I attended while ago and spoke to the A while ago when she originally called Police. At the time she didn't want us to speak to her neighbour as things had got better. The lady handed us a letter		This was the real first date that was known about Debra to the Enfield Council and their Neighborhood watch team.

about what had happened but none of it made any sense. We believe she was suffering from mental health issues. On another occasion we popped round to see her and she wouldn't come and speak to us so instead she spoke through her letterbox to us. The male at 109 - Simon Cordell who is causing the problems is very well known to Police and is also very anti Police. I know some Officers went around and spoke to him and things seemed to get better After that we have had no further calls from the lady We will try and get around to see her when were back on duty on Monday. Kind Regards

**Classification: PROTECT**

Good afternoon Mark,

Could you kindly assist with this query please. Following reports of ASB by the above tenant, my colleague and I visited her this morning and were alarmed by the nature of her complaints. She has in the past few months being constantly harassed, intimidated, bullied, stalked and threatened to kill by her neighbour at 109. As a result of his behaviour, she has become too scared to leave her flat for fear of what may happen to her. She is a vulnerable tenant who requires support from services. However, the unsettling behaviour exhibited by number 109, has hindered her from attending her appointments and exacerbated her condition. At the moment, she feels very disorientated / agitated and will like the harassment to stop. She advised that she had reported this to the police a few times but, wasn't taken seriously. I will appreciate if you could stop over at to reassure her that the matter is being dealt with and also to stop by 109 and advise him that you are aware of what is going on and the repercussions should it continue.

Thank you for your support and assistance

She stated that she was with her neighbour Karen when they heard Mr Cordell shouting and as they came out to see what was happening, she saw Mr Cordell shouting at Mr Curtis. She alleged that he was shouting abuse and threats and that Karen told him to leave Mr Curtis alone, that he is an old man. Mr Cordell then started shouting abuse and threats at Karen. Christine stated that she is not prepared to give a statement and that she will not keep incident logs. We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September, she stated that Mr Cordell was shouting abuse and threats at Mr Curtis and that she told him to leave Mr Curtis alone as he is an old man and that Mr Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after 2 very vulnerable children and she will not be able to defend herself and them if Mr Cordell was to attack her when she is with them. Since the <b>16/11/2016</b> I have been calling every day to speak to Sarah Fletcher her phone is always set to do not disturb and I have asked for emails to be sent every day for her to call me back as a matter of emergency, I even asked to speak to her manager or any person in their team but it seems all their phones are set to do not disturb so I asked for emails to be sent for a call back, no one called me back. I was also told that the police had been in contact with the council and that Sarah Fletcher would talk to me about this when she called this was on the <b>21/11/2016</b> and I was told that Sarah Fletcher would 100% call me that day. On the <b>22/11/2016</b> I went to my son's home and there was a letter from Sarah Fletcher dated the <b>18/11/2016</b> which was to do with 1 CCTV camera my son has outside his front door, this CCTV camera</p>

In fact, on the <b>14/08/2016</b> when the police went to my son's flat to arrest him when they noticed the CCTV camera, they ripped the wire out and since this time it has not worked this is also getting address with the police. In the letter Sarah Fletcher said the CCTV camera had to be removed by the <b>25/11/2016</b> or Enfield Council would remove the CCTV camera and costs would be charged to my son for any repairs which there is none. At seeing the letter, I was upset as it seemed Sarah Fletcher could take the time to write this letter but not call me when each email that was sent said it's a matter of emergency, I speak to her.</p> <p>I tried to call and again like each other time I call it takes an hour or over to be able to speak to anyone, due to being busy I had to cut off to leave my son's flat and was going to call again later.</p> <p>When I got home, I showed my son the letter from Sarah Fletcher he himself was upset for some reason as me that she could take time to write this letter but not call us back. So, he then called this time he did get to speak to Sarah Fletcher and yes, he was upset due to what has been going on and said many times he was upset that she had not called and they spoke about the CCTV camera which my</p>

T. <b><u>03/01/2017</u></b>	T. at 10.47pm - Mr Mathiyalagan stated that Mr Cordell followed him and his family up the stairs as they returned from a family outing and was shouting at them about deliberately banging on the pipes and making noise. He also stated that the person sleeping on his sofa was banging on the floor, talked about saving him from getting beaten up by local youths, stated that he caught him and his wife making noise inside their bathroom, called him a lying cunt and asked him to swear on his baby's life that he was not banging.	

	Mr Mathiyalagan stated that the constant harassment from Mr Cordell is making it difficult for them to continue living at Burncroft Avenue and wanted to know if I can contact Waltham Forest to see if they can rehouse them. I promised to speak to Waltham Forest and explain to them that they are victims of anti-social behaviour and to see if they rehouse them.

Mrs Mathiyalagan stated that at about 6.30pm, she was inside her flat with her two-and-a-half- year- old daughter when Mr Cordell aggressively banged on her front door while she was feeding her baby and shouted abuse and threats at her and accused her of making noise. Mrs Mathiyalagan denied making noise at the time and stated that she does not know why Mr Cordell accused her making noise. She stated that she is terrified of moving around inside her flat for fear of being accused of making noise, I asked whether she recorded the incident and she said she did not. She also stated that she did not report the incident to the police as it only lasted for a few minutes. I advised her to log any further incident and to call the police if she feels threatened.

<b><u>AA. 08/02/2017</u></b>	<b><u>AA.</u></b> I visited Mr Mathiyalagan at 117 Burncroft Avenue today to look at the flooring following email from Mrs Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole fiat and ceramic tiles in the kitchen. Mr Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as	

	<p>far as he is aware that the person living below them, we not complained of noise and that he will be the one that will be affected if there are excessive noises from his flat'. He also stated that he has asked the man if they are causing noise disturbances and he said they are not. He also requested that Mr Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block. I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat I then went and knocked at flat 113 but there was no response.</p>

I did not stop to speak to him and he ran after me until I turned left into Green Street, as he was running after my car, he was shouting at people passing by to stop the car. By the time I returned to the office, Mr Cordell had telephoned me several times. I telephoned him back and he wanted to know whether I was the person that	

	<p>posted a letter through his letterbox and I said yes. He asked why did not stop when he ran after me and I told him that I had another visit and did not have the time to stop and talk to him. He stated that he will not attend the meeting at the Civic Centre or any of the council and that I should come to his flat. I offered to have the meeting at a neutral venue like the local library or even at his mother's house, but he refused and shouted to shout abuse and accuse me of taking sides with his neighbours. He denied doing the things that he is accused of doing and stated that he is the victim and that the council have refused to deal with his complaints against his neighbours. He stated that he has been suffering noise disturbances from his neighbours since he moved into his flat and that the council have refused to deal with it, He alleged that the council is conniving with the police to victimise him and threatened to put in a complaint. against me. He continued shouting abuse and will not Set me say a word. I then advised him that I will have to terminate the conversation as we were getting nowhere,</p>

due to something his neighbour said who lives above him, but he had not been out of his home he was in fact in the bath when the police came to his home.  
 Both cases for the **14/08/2016** and the **04/10/2016** were dropped by the CPS this was done on the **15/11/2016** with no case to answer towards my son, yet my son was victimised and had false accusations put against his name and arrested.  
 My son is scared to go home due to what the neighbours are doing and saying and putting false allegations into the police, it seems they really don't want him to live there and will do anything they can to get him out.

I met with Mr Quinton today at the Civic Centre to discuss his complaints against Mr Simon Cordell. Mr Quinton stated that the problems started soon after he moved into the block in April 2016. He stated that soon after he moved into his flat, he went around to SC's flat to introduce himself. After he introduced himself, SC said to him that there is some kind of war going on between him and other neighbours. SC also told him that he's got a load of issues with the police and that he was

			<p>trying to sue them because he felt that they were treating him unfairly. He told SC that he was a musician and that he does not want anything to do with his issues.</p> <p><b><u>1</u></b> <b><u>The 1st Injunction Order / Lemmy / pub Book Issue: 1!</u></b> <b>M:</b> George Quinton Council History / Banging on Ceiling / Bike case / Nfa! / <b>Page Numbers:</b> 36,37,38 <b><u>16/12/2016: Forged BACKDATED</u></b> <b>K</b> <b><i>11/01/2017: Correct</i></b> <i>I met with Mr Quinton today at the Civic Centre to discuss his complaints against Mr Simon Cordell.
