I spoke to the resident at number [redacted] regarding the illegal party. I live here with my wife and children. This party has had a very negative impact on our lives in that we could not sleep. The music was so loud that it penetrates through the double glazed glass. The music went all through the night and into the next day. I was unproductive at work the next day because of the lack of sleep. My children all between the ages of 11 and 7 did not get any sleep, they were restless because of sleep deprivation. My wife was very tired the next day. On the Sunday we had to leave the house in order to get away from the noise and pollution.
