

When to my unexpected attention I received a phone call on my personal mobile telephone. When I asked whom the caller was I received a name of a gentleman who claimed the name of Goody and the occupation of this gentleman is an amp Mental health worker, the nature of the reason given for the call was proclaimed to be about the appoint that was previously arranged months prior with my personal GP as dated above. I clearly remember when speaking to Goodies on the phone that of an appointment being pre arranged at my own home address, as also noted above in this document.

On the agreed date that the appointment was made was 00/00/2015, the gentlemen whom I had previously had the telephone conversation with arrived at my home address with another team member who I know no to be called (Sandra) I invited them into my home, the flat was clean as I new I had been expecting guest and also because of the general fact I keep a strict house upkeep policy, and as for this policy I like to have nice essential utilities and personal accessories on this day my cupboards were full of food and also that of my fridge and freeze, this was checked by Sandra and goodie to my surprise.

The meeting started to take place once I had asked every person to make them self's feel at home, the meeting started to initialise and I found myself and goodies conversation started to lead towards what I had been up to prior to the visit, I explained that I was in the process of establishing my own company.

Once the meeting had started, we all started to settle into conversation within the average time duration of 5 minutes, the ladies phone who's name is Sandra started to ring she then asked every person, if she can quickly answer the call, as she answered her phone she walked into my front entrance corridor, myself and goodie continued to chat about positive things that I had been applying my time to, when Sandra walked back into the room after finishing her call, she asked if the meeting can be stopped, as she had to leave due to her telephone conversation. Goodie explained to myself that he was happy with my mental heath assessment and that he was going away on holiday for four weeks and that he would like to have a follow up meeting once he gets back from his work holiday leave, I explained I would be very happy to meet with himself again, as it was a pleasure to chat with himself.

At this stage in my life I had worked hard to achieve in a positive view and it had taken me many years to save and buy what I new to be needed to start the company I wanted to build I would have not been able to start without the help of my family.

I can clearly note that of the facts that by 2010 I had things in place and needed to start on my next step with building my website so I order my domain name <http://toosmooth.co.uk> on the 22/07/2010, my mother was going to try and help build the website as money was an issue and to build the type of website that was needed would have cost a lot of money.

The development of the Website took much longer than anticipated; this was due to the building process and also my mother's health.

The coding beside the website is of a large scale due to the 4 databases that was needed.

By 2012 the website was coming along I order 2 other domains <http://toosmoothentertainment.co.uk> and <http://toosmoothentertainment.com> 22/05/2012 these were ordered, I had also started looking ahead to the summer of 2013 to start bridging out with contacts and doing some unpaid work in the local community so to get my company name known in the public, and help my local community.

I had planned to order the company name just before the work started in 2013.

The following day after of Goodie attending my private home, I was again at home working on my company I remember this date to be 00/00/2015 as for I was programming parts of my website and finding things reasonably hard to achieve, I noticed a knock on my front door and went to see who it was, when I noticed a large group of people, when asking whom them persons were I was told the name of élan, she stated that her occupation was from the mental heath department so I opened up my front
