

## ECRHTT

T/C was made to Simon's mother this morning to inform her that we were planning to come and Ax Simon this morning. She informed me that Simon remains very paranoid, guarded and abusive to individuals. Currently she said his father is with him .

Having arrived at Simons property i called Simons father on the phone. I asked him whether we could Axe Simon. He said at present was not good, we would aggravate Simon further. I tried to ask him how simon has been howeve he was reluctant to answer fearing simon may know who he is talking too.

Simon was heard shouting in the background.'who the fuck are you talking to? what do they want?get the fuck out of my house et out i dont want anything.'Simon continued to shout abuse at his father. He was heard to have been very paranoid and abusive. Simon's father then said we would not come back and that we should leave simon alone. He was heard trying to calm Simon down in the background.

We were unble to Ax Simon. Given the risks posed by simon and the concerns from his family and nieghbout, Simon is not willing to engage with the HTT or be Ax. I feel that this needs to be discussed with the team consultant for ppossibel MHAA??

## PLAN

Discuss with team consultant for possible MHAA??

If simon is to have a MHAA then a warrant will be required as simon has an extensive forensic history an also at present will not allow anyone to see him.
