

CRHT:

Mother, Lorraine: 0208 245 7454

Father, Ben: 07415 388 734

We spoke initially with mother on phone. She reiterated that Simon has suffered years of harrassment by the police for past offences. Not all true. She has spoken with him today and he has been extremely angry with her and the father. We stated to mother that we will be tactfull and say only that the family were concerned.

We attended the flat around 17.30. There were police outside. They had been attempting to enter as they had received complaints from neighbours due to Simon screaming out in distress. We spoke with the officers and explained that we were from the mental health services. They stated that they had not properly spoken with him and observed him to be holding a small gas cannister, possibly sniffing nitrous oxide for recreational purposes. We all jointly spoke with his mother and she requested that CRHT do not attempt to see him following this as it will antagonise the situation.

19.30: Spoke with lorraine. She stated that a friend is currently with him nad he is calmer. The coincidental timing of the police attending has caused him to blame Lorraine for calling police. He is convinced that she is also conspiring against her. he has stated to her that he is feeling persecuted. he is paranoid and suffereing ideas of reference from the TV constantly.

Lorraine explained that he has had an ASBO put on him due to being aggressive when in court. he has been bailed to his own address c/o a burglary accusation in June 2014.

lorraine spoke of her own mother who has been treated for BPAD and was prescribed clozaril with good effect. Mother is now deceased c/o cancer complications.

Lorraine states that Simon has suffered sexual abuse as part of a paedophile ring when younger. This is the source of his anger and subsequent treatment under CAMHS. He has refused to talk about it for years and has declined any therapy / counselling for this so far. Lorraine states that she does not want him to be asked about any sexual abuse.

I informed mother of the remit of HTT and that he may be potentially prescribed an antipsychotic for his emerging paranoid psychosis. She reiterates that he will most likely refuse all medicine interventions. He has been prescribed medicine for Crohn's disease. He does not take.

We have mutually agreed to plan:

- CRHT to call mother tomorrow am to negotiate another visit to assess

ECRHTT- Referral taken from Simon's Mother as the situation was discussed with Scott Kerr and Helen Moorey and it was decided that the team would go and assess Simon at his home address.

Simon's mother called in to say that he has kicked his father out of the house as he heard him talking with staff from the hub and is now extremely paranoid towards him. He thinks that he is teaming up with his mother against him.

Simon's mother Lorraine expressed that he is not a threat to anyone but himself. It was advised that two members of staff carry out the assessment.
