

EAS screening

Police notification received regarding contact on 31.5.18. Reported to have made threats to kill his neighbour and her children.

He was arrested for threats to kill and breach of an injunction - outcome not known.

Contacted by phone - no answer then he called me back.

Long conversation.

Mood labile- calm , polite to irritable, aroused, accusing

Difficult to follow content - sounded thought disordered

Rambling about previous contact with MH services - difficult to follow.

Legalise references , human right act. Believes his rights were breached & that he has proof of injustice / illegal treatment

Reference to being part of several companies . Health worker and government are part of different companies

Thinks he has been "set up".

" if I give you an amp I'll get 5 years"

"I've been illegally detained in my home for 9 years"

"The government is trying to push me out of the country"

"They are trying to lable me as having a disease"

"I'm not a super grass"

Neighbour upstairs has MH problems (her name is familiar to me from previous team). He blames MH services for allowing her to live there and cause him problems.

Has placed cameras in every room to record evidence of things which happen - will use this to defend himself

States he is preparing a case for the supreme court, also has built a website to record injustices

Constantly collecting evidence

States he initially trusted Goode but felt let down when he was later assessed under MHA

Would be prepared to meet someone from EIS if they visited him at home - would like to discuss some of the evidence he has gathered.

Does not want CRHTT - thinks they acted illegally in the past " giving me medication when I was not section 117".

Plan - forward referral to EIS
