 t/c received from Simon

he said he got my letter inviting him for assessment

he thanked me for concern shown towards him and made it clear that he did not have mental illness [and would not attend for assessment]

he spoke a lot about his disagreement with the Police and justice system - in fact nothing new from past dealings with him

he said he did not need mental health, thanked me and wished me Happy New Year

he ended the phone call before I could ask him for current contact number

Simon was loud and appeared "paranoid" as usual however there was no apparent evidence of psychotic symptoms

plan

feedback to team and will recommend referral to be closed
