

ECRHTT - BANK

Saw Simon this evening. He welcomed me into the living room.

He was polite, spoke a great deal about his problems with the police and was generally talkative, then apologised for talking too much.

He was kempt and dressed appropriately for the weather wearing a tracksuit.

He said that he was doing ok, that he is taking his medication, however felt that he was not suffering for any kind of mental illness.

I left him his medication as he said he was preparing a meal and once he had finished he would take his medication.

Plan: HV: 03.09.16 PM - s/s medication and monitor mental state.

discuss at TPM monday

Home visit this evening.

His flat was messy but habitable.

Appeared very talkative and demanding to see Rio notes, made by HTT

Said most of notes, he got from previous teams are wrong.

Demanding me to sign his request.

Said he has solicitor who is looking into his appeal/injustice.

Deneid suffering from any kind of mental illness.

Reported no other concerns. Deneid feeling suicidal/having thoughts to self harm or harm others. Said he is eating and drinking okay.

Left medication with him, as he did not want to take it in my presence, saying "there is nothing wrong with him".
