

t/c I spoke with Simon's mother Mrs Loraine Cordell with Simon's permission in preparing my report for the Tribunal. I informed her that I was preparing Tribunal report on Simon and wanted to include her views about Simon being on section and also medication.

Mrs Cordell's views were that "I don't think he [Simon] needs to be on section; he is not a danger to himself or other people" Mrs Cordell said as far as she knows Simon is willing to work with the doctors and take his medication. Mrs Cordell would not say her views if Simon changes his mind and her response summed up as "we cross the bridge when we get there".

**Met with Simon this morning on Haringey Assessment ward and assessed him in preparation of my report to the tribunal.**

Simon recognised me immediately. He was warm, welcoming, polite and co-operative throughout the meeting. He stated about half a dozen times that he is willing to work with the services and also willing to accept medication. He gave me a letter he wrote to indicate his views and willingness to work with doctors and staff.
