- Amal: Went over history with us, paranoia surrounding neighbours, has been arrested with alleged threats to kill neighbours and their children

Interview with the patient:

Simon came into the room loud and frustrated that he is held here under section.

Simon is not engaging with questions, talking rapidly about his business ventures, lots of derailing talking about unrelated themes.

Saying he was held hostage in a call and was held illegally. Repeatedly talking of a CD he has which holds a recording proving that the warrant was illegally served.

Claims he has bought a lot of expensive equipment to start his new festival, and his new business ventures. Says he got the money from selling some of his own possessions such as scramblers and inheritance from his Nan.

Simon denies any wrongdoing categorically. Saying that he is being persecuted, says the section 2 is wrong and was conducted illegally.

Denies he was assessed under MHA. Denies that anyone spoke to him with regards to a mental health assessment.

Simon began accusing his mother of trying to get him put away because she has not written a full appeal letter. Became extremely irate, shouting at his mother saying 'is this what I mean to you, I will never speak to you again'

Admits being on bail for threats to neighbours. 8/10/16 is his court date. Claims he is being set up. Says to us he was accused of saying 'fuck you I will kill you' to neighbour but denies this ever happened. Claims the police continually changed their story regarding where he was when this incident occurred.

Asked about energy levels - reports being up every morning at 6am, says he works all the time.

Reports physical health is good. Simon has Crohn's disease.

Claims he is not a danger to himself or others.

Says the police are claiming he is other people.

When explained that he is held under section 2 and won't be released as there is an ongoing period of assessment Simon became extremely angry, stood up, pacing up and down the room, shouting loudly, does not think he is unwell.

Simon then left the room for a period of time, heard shouting in the corridor, then asked to return to room, said he would calm, he quickly started shouting at mother and uncle who also shouted back. Explained we wanted to give anti-anxiety medication called lorazepam, Simon became very irate saying we were trying to 'stich him up' we were trying to 'end his life'. Extra nurses had to be called and Simon had to be escorted from the room.

Collateral from Mother

Mother also claims that the police unplugged the CCTV outside his house. Claims that son is not paranoid about the police, claims they have persecuted him for over 20 years, always send 15+ police to his house when they want to speak to or arrest him. Claims there have been numerous arrests of Simon where he has been innocent but they have charged him. Claims that he should not have been found guilty of throwing an illegal party for his friend.

Reports got carbon monoxide poisoning in 2014, feels that's when his health deteriorated.

Mother does not want Simon to receive injections. We have explained we cannot guarantee this, and there may be some emergency situations we need to give injections where we will not be able to guarantee that we can inform
