Message received to call Simon.

Called Simon on his mobile. Asks after my welfare.

He went on to say that a PC Steve E and Steve from the civic are in collaboration. He has had a call from Louise Brown (he asked me write down her name) making threats to get the MH team out to see him.

Says his neighbour is victimizing him. Doesn't want the police or MH team visiting him to say he has anxiety.

He spoke of writing constitutions, he has incriminating evidence. He has things in black and white that are being used against him.

He was pressured, thought disordered and difficult to follow. He again mentioned HIV but could i not make any sense of what he was saying as it was ramblous.

I have spoken with the AMHP office and i understand a warrant has been granted and a police risk assessment has been forwarded to the police along with the warrant and a date is now being awaited.

I shall email AMHP office to alert them to my conversation today.
