

## ENFIELD AMHP MENTAL HEALTH ACT SERVICE

Dr Al-Allaq, Amal (EIS) and I visited Simon's home for the purpose of undertaking a Mental Health Act assessment. Simon was very angry that we had attended unannounced stating that when I last visited I did not say I would come back and that he felt he was forming a good working relationship with the team. He went on to say that he has been targeted by the police who are stopping him from working. He described organising several illegal Raves which the police shut down. He presented as manic with pressure of speech but when Dr Al-Allaq questioned him about this, he started talking slower stating that we were busy people so he was talking fast to get all the information out. He said that the police have arrested him over 1,000 times and that he is on a 10 year curfew to not leave the house after 8.00pm. He has insulted CCTV cameras outside the house and stated that he is recording our visit and will make a formal complaint and take it higher. He said that he has lost thousands of pounds in earnings due to police harassment. He said that the police have contacted the DVLA who are monitoring him. He said he has files and files of information which proves that he is being harassed and monitored by the police. He gave an account of going to court about this and has documents that prove he is being harassed and targeted by the police. He said that he has been to see a psychologist in the East Community Support and Recovery Team and that the psychiatrist said he is not mentally well. Simon refused to allow the assessing team into his property stating that we have to send him an appointment letter. He said he is recording us on CCTV and will have evidence of our conversation.

Simon presented as paranoid, suspicious, and grandiose with flights of ideas, clear evidence that he is suffering from a mental disorder.

## Plan

Obtain a Section 135 (1) warrant to enable us to gain police assistance to enter his property for the purpose of carrying out a Mental Health Act assessment (1983).

Simon Cordell had called raising concerns regarding an unannounced visit with two females and one male today.

He felt very threatened and intimidated and would like to make a complaint about this incident.

I mentioned that you will be calling him after your assessment this afternoon and record the conversation.

I told him that we are a service to support him and not making him any other way.

If you can please kindly give him a call back on

0208 245 7454

Thank you
