

Enfield Assessment Service Referral Screening

Referral discussed with CRHTT manager V.Kisson. Advised for EAS to arrange a DV and if he is willing to engage, then HTT will take him on. A Hague informed.

Discussed with D Morgan " Telephone to Enfield Council Housing (0800 4080160)

Spoke with D Allen " Informed me they are aware of problems/issues with Mr Cordell. He recently accused another resident of purposely making noise to disturb him and he had threatened to strangle her. He appears to be very paranoid about sound.

The resident upstairs is apparently under the care of our CSRT " Bola is the care coordinator and the resident had to be moved to another accommodation for her own safety.

Mr Cordell was seen by Community Safety Unit and given a warning about his behaviour. He presents as very aggressive.

Community Safety Officer is Louise Brown " 0208 379 4467.

Plan " To organise DV jointly with EAS medical team / SW from CRHTT and Community Safety Unit

Enfield Assessment Service Referral Screening

Discussed with A Hague.

Spoke with Mrs Cordell again. Clearly she does not want his son to know that she is requesting help.

She last saw him on Frid and spoke with him regularly on the Telephone.

She told me he is not well. He has locked himself in his room, believing TV is talking about him. He is not eating properly and talks about killing himself. Mrs Cordell became rather irate, stating ' I don't want you to tell him that I am requesting help, just leave him, I have enough problem'.

Plan - Discussed with Team - Referral to CRHTT. MHA assessment could be needed if he does not engage with HTT.

I had telephone contact with Simon's Mother Lorraine Cordell 0208 245 7454, today at 10.35.

She told me Simon is refusing to seek help or attend his GP's surgery. He did not take the medication that was prescribed when he saw Dr Jarvis last March 2014.

It appears that Simon is not consenting to seek help with regards to his mental health.

I have however advised Mrs Cordell that she encourages to visit his GP or she could request another assessment under the MHA 1983 if she has concern that Simon is at significant risk to himself and others. I have also advised that she could ring the police / LAS and Simon could be taken to A&E in an emergency.
