Enfield AMHP service:

Completed a MHA assessment today as planned.

He talked about his current situation in a more eloquent manner. No medical recommendation from both the doctors. There is no need for any involvement from the mental health service at present. He was given information about how to contact the service if he required in the future. He seemed to be aware of the process and said that he had used crisis service in the past. AMHP report will be uploaded shortly and the bed manager was told about the decision.
