Who you are and in what capacity you know the patient, how long you have worked with them: My name is Soobah Appadoo. I am a CPN with the above-named team. I have been asked to compile this social circumstance report in support of above-named patient's Mental Health Review Tribunal (MHRT) appeal against his detention under Section 2 of the Mental Health Act. Mr Cordell was admitted on section 2 on the 26th October 2018.

Mr Cordell was previously under the care of the Early Intervention Team for 3 years. The Early Intervention Team discharged him in June 2018 and at that point he was referred to our team. There is a suggestion on RIO notes that he did not engage well with that team.

I was allocated to Mr Cordell in August 2018. We offered him an appointment at his flat on the 31st August. Mr Cordell rang our office the day before and spoke to me. I informed him that I am his new Care Coordinator. He said that he had been seen for "76 days by his CC" and there was "nothing wrong with me". He said that the reason we want to see him is to "cover for missing signatures?". He said he "will ruin anyone who come to my house" and he has "recording cameras and audios" to ruin us. He said if you come to my house "I f...ing will scar you for life". He used foul languages throughout this contact. He said that I "can take the f...ing referral and stick it up my a..e". He said that he does not want to see us. I could not interrupt him: very verbally aggressive with pressure in speech". I did manage to say that we are a different team from Lucas House and we want him to have a fresh start- He said "I don't f...ing care"

Further to that the MDT advised that we should assess Mr Cordell in clinic due to the potential risks. We then offered him an appointment on the 28th September which Mr Cordell did not attend.
