LETTER TO FOLLOW

Seen at home visit today after reports of gradual deterioration in mental health over last year.

Diagnosis : First Episode Psychosis with some paranoid and grandiose symptoms, history of several months

FH major mental illness

Risks: good self-care: has withdrawn socially: potential risk of self-neglect if mother withdraws her daily support: he engaged with us well ambivalent about contact with services but willing to engage with EIS.

No current thoughts intent or plan to harm self or others.

Plan

Would not meet criteria for detention under the MHAA.

Referred promptly to Early Intervention in Psychosis service for assertive approach to management.

Given number given 0208 702 3800.

We will then close to EAS.

Reason for change
