10. If not admitted to hospital, outline immediate plans for alternative to admission and how those plans will be co-ordinated

He has agreed that he would write to his insurance company to correct the wrong information they have on him. He has also agreed to deal with his parking penalties. He is also trying to fix his website. Today he was very calm and appropriate in his manner allowing the assessing team to descend on him without warning and ask him a lot of personal questions.

Mr Cordell seemed to have a better understanding of his current situation and attributed it to his involvement with the police and grandmother's loss. He may not benefit from a hospital admission or input from the ECRHT at this stage. His mother had spent most of Sunday with him and he had seemed much calmer now.
