 Simon kept himself occupied in his bed space, he has appeared fairly quiet on the ward. Minimal engagement with staff but pleasant on approach.

Ate and drunk adequately during meal time.

No concerns reported from Simon. Nursed on general observation.

 Enfield AMHP Service

T/C to Lorraine Cordell mother on 07807333545. She confirmed that she will be available tomorrow and can attend the Ward at 2.00pm.

She told me at length about her concerns that her son had been misdiagnosed and that the evidence against him that he has mental illness is based on information from Enfield Council who she considers have been supporting allegations from his neighbours, ignoring his complaints that the neighbours are causing him serious noise nuisance. She said she had attended a court hearing on 9th August when Enfield housing had been giving evidence to evict Simon from his flat. Lorraine said that the Court was impressed with her copies of her evidence that disputed the Evidence from Enfield and no Eviction notice was granted. She told me he has colour CCTV that could give documentary evidence that he was in his flat when instances occurred outside.

She also said that in the past Simon had agreed to remain in hospital but had been discharged two days later due to lack of beds.

She told me that Simon had been given leave to visit his dog who since Simon's admission was found to have cancer and has undergone major surgery. She had felt he needed time to be with the dog, to which he is devoted, and planned to take him to visit her home today.

We agreed to meet on the ward tomorrow Wed 14.11.2018 at 2.00pm

Dr Rao Independent S12 agreed to meet us on the ward at 2.00pm.

Dr Greensides agreed that he would be available on the ward. Simon has been very calm on the ward until the matter of him taking medication was raised. He thought there was sufficient evidence for a new med rec for Section 3 to be completed which he will be doing.
