

opened the car door to speak to the driver and he said "What the fuck do you want, you can't stop me". We identified ourselves as Police Officers by displaying my warrant card and he continued to say you have no power to Stop me what are your powers. It was explained why we were there and why we had stopped him. He remained aggressive saying that we did not know how to do our job and that we had no powers to search him. The other males in the van were telling the male to calm down and let us get on with it. He was still aggressive saying that he was all legit saying that we had no reason to be there He then turned off the engine and jumped out the van and walked toward the pavement We explained he was detained for the search and he continued to shout "Don't you fucking touch me, I can walk around". He continued to question our grounds and I again explained them to him. An elderly member of the public was walking past and he shouted at him "Oi mate die fucking Police want to search you coz they think you may be a burglar". The male turned round looked in disgust and walked off again. CORDELL continued to walk around by our vehicle and it was again explained he was detained for search as he was walking away from him Police took hold of his right arm. As this happened he shouted "Don't fucking touch me". He was continually aggressive. He was shouting "Get the fuck off me" and members of the public were at their windows trying to see what was going on. PC ASTON was trying to take out his left arm while PC SCOTT was trying to take out his right. He was shouting "Get the fuck off me" continually and another unit arrived. Handcuffs were applied in the rear stack position as he was still being aggressive and uncooperative. As he calmed down it was again explained why he was being searched and he said "you can't fucking touch me". He was searched under section 1 of pace and nothing was found. The van was searched and again nothing was found. The others males were searched under the same powers and nothing was found. PC ASTON did check on the var. and the pne stated that it had no insurance. CORDELL stated he had traders which could not be proved so the van was seized. He said "you are not fucking taking my van". At 1446 he was arrested for no insurance and section 5 of the public order act as he could not provide a valid name or address. CORDELL was later charged with no insurance and Section 5 public order
PC SCOTT.
