

Continuation of Statement of Douglas Skinner.

These youths would be trying to find the location of the rave. Due to this and to prevent disorder in the area I requested the Commissioners Reserve of TSG be called out to deploy to Enfield Borough and patrol the area. I also informed Cordell that as the organiser of the rave it was my opinion that his actions would result in breaching the peace in the surrounding area. This could result in damage to property, both the premises and surrounding area and violence breaking out. As a result of this to prevent of breach of the peace I arrested Cordell. He was taken to Edmonton Police Station and released at 0400hrs when I was satisfied a breach of the peace would be unlikely to now occur.

By removing Cordell (the organiser) the other people present left the premises and eventually drifted away from Southbury Road. The music equipment was loaded into a van at the scene. However, it could not leave the car park as the gate was chained and padlocked. At about 0200hrs the van was able to leave by driving over the pavement between the barriers. No further raves happened on the borough that night.
