I am a police officer attached to the Anti Social Behaviour Team as part of the Community Safety Unit based at Enfield Civic Centre.

This is a statement of hearsay evidence compiled from police records to be relied upon in regards to an application as allowed by Section 1(c) of the Crime and Disorder Act 1998 as amended by the Anti Social Behaviour Act 2003 against Simon CORDELL born 21st January 1981, of 109 Burncroft Avenue, Enfield. EN3.

I have looked at the following police databases, Police National Computer (PNC), Crime Reporting and Information System (CRIS) and Criminal Intelligence (CRIMINT). The PNC holds information concerning arrests, case progression and previous convictions; it also holds information about vehicle ownership. CRIS is the database police use to record crime and document the investigation. The CRIMINT database holds intelligence provided by Members of the Metropolitan Police Service or information they have been told by members of the public.

This statement aims to show supporting evidence of the course of behaviour by Simon CORDELL I will be providing the hearsay evidence obtained from these police indices as this information has either been witnessed first hand by the officers themselves or passed on by independent witnesses. There is an operational need to protect the identity of some witnesses who, for example, are too frightened due to fear of reprisal by the Defendant to give evidence. Those witnesses who names are known and were content for their identity to be disclosed are given in the statement. In the case of the information obtained from these police indices coming from named Members of the Police Service it is felt that it is neither practicable nor proportionate to require each witness to be called individually to give evidence in court.

Simon CORDELL is known to police and has 28 previous convictions. A copy of his PNC is available with this application.

Illegal Raves

Illegal raves are a strain on society; they break down communities and cause residents and members of the public harassment, alarm and distress due to noise nuisance and the amount of individuals that come into the area. These raves are usually poorly run and cause damage not only to the buildings being used but to the environment. The properties being used for such events are commonly disused buildings; the organisers have no idea as to whether these buildings are safe. Recently there have been a number of deaths at raves; the most recent was a young 15 year old male who died at a Rave in Croydon which was believed to be attended by around 2000 revellers. Raves are notorious for drugs being present. These illegal events have a huge impact on Police. Officers are called to the venues and also there are a huge number of calls from members of the public and residents complaining. This type of illegal event cannot be tolerated and action must be taken to disrupt these events and if a court order is not granted then Simon CORDELL is free to continue to organise such events. Simon CORDELL has openly admitted to officers that he runs such events and has even bragged about it to Police.

Reports involving Simon CORDELL:

1. On 10th August 2014, Officers arrived at Millmarsh Lane, there was numerous young people milling around trying to locate the rave which was eventually found on the North footway just by the Greggs factory. It was a small strip of concrete completely open to the air with a large amplified sound system at the far end obstructed from view of the street by vegetation. Simon CORDELL was at the gate and immediately shut it on Police arrival. Eventually, Mr CORDELL agreed to let me and A/PS AMES onto the property to confirm there was no damage or theft offences being committed. Simon CORDELL's silver Ford Focus VRM MA57LDY was present and contained at least three massive nitrous oxide tanks. When queried he admitted he had seen the news article about the dangerous effects of this and how the Government would probably

regulate it. There was about 30 people in so in discussion Mr CORDELL was told it was an illegal rave and I would be seeking Supt authority to seize the sound equipment. Mr CORDELL began to pack away his equipment stating it was a birthday party only but he was going. Whilst stood waiting for him to leave a group of about 100 teenagers turned up on mass and immediately became confrontational stating there were going to storm the rave. As we had good numbers the group initially dispersed but tried to go via a back entrance to the venue which led to arrests when scuffles with Police started. The group the completely moved off but returned about 20 minutes later in even bigger numbers. The situation quickly escalated as the group started throwing cones and general road furniture towards Police. Luckily dogs were on hand and the crowd was dispersed after numerous missiles were thrown at Police and a number of arrests were made. The group then hung around and got on trains only to try and enter Progress Way and the previous rave site. It was only large numbers of TSG that prevented the group forcing their way in. Again, Simon CORDELL and his silver Focus were present. Eventually, the group began to move off. The net result was at least 4 arrested for various public order and one officer injured who may required a stitch or two to his arm. Simon CORDELL's attitude is that he is a modern day business man and the actions of the group had nothing to do with him. It was fortunate more officers were not injured.

2. On 27th July 2014, Police drove down MILLMARSH LANE, ENFIELD, because information had been received that a rave would be taking place that evening. Police drove down and found the rave, which was on a piece of land between Greggs and Pugh Charles Glass. This appeared to be a driveway that was over grown, but had a gate on it, which people at the rave had the key for. Police spoke to the people inside and they did not know if they had any first aiders there and they said that they had one fire extinguisher on the site. The people there let police in and there was no alcohol there, but they had water to drink. The rave was outside on open land. There was a big stack of speakers which was being powered by a van belonging to Simon CORDELL. Police saw the van drive out with Simon CORDELL driving it. The rave was a 20th birthday party for one of the people there. The rave was organised by Simon CORDELL and was connected to another rave on ALMA ROAD.

3. On Thursday 24th July 2014 at around 1625 hours, plain clothes officers from YE Gangs Unit had cause to stop the following male on ALMA ROAD EN3. Simon CORDELL. He was driving a silver Ford Focus vrm MA57LDY on which he is insured, but is not the registered keeper. He was stopped as he was driving about

1" from the bumper of the car in front of him and his driving was erratic. He claimed to know the other driver; this male however approached officers saying he had been driving like that behind him since YR. CORDELL was obstructive as usual, refusing to get out of his vehicle etc. He stated that his solicitor has a big case going where all his criminal records will be wiped as Police have unlawfully picked on him for years etc. Of interest he stated that he has 4 brand new speaker systems at home which he is happy to loan people for raves etc and that he is inundated with requests to run raves. He stated that he has 20,000 followers on one social media network and 70,000 in another. He says that he could organize a rave and get 20,000 people at it without any problems what so ever, and that he gets lots of requests from anarchist type groups etc to run raves for them. Of note he claims Occupy London, Black Block and other anarchist groups have been asking him to organize one for Notting Hill Carnival so that they can "Cause carnage and mayhem".

4. On 19th July 2014 at 2205 hours Police were called to the Carpet Right show room on the A10 Great Cambridge Road Enfield regarding a possible rave in the empty premises. There was about 20 people inside the premises with sound equipment which they were about to set up. When officers arrived they blocked the front of the venue to stop anyone else getting in. The main organiser was spoken to by Police. This male was Simon CORDELL. He admitted to organising the party and said he was expecting several hundred people. Whilst dealing with CORDELL Police were told that crowds were gathering outside Southbury Road train station waiting to be told where the rave was. After a long conversation with CORDELL he was arrested to prevent a breach of the peace and taken to Edmonton Police Station C/N 01YE3597/14 refers. As a result of his arrest the people inside the venue all left. The music system was loaded into a white van VRM PE52UHW. The owner and driver of this vehicle was Elliot LAIDLER. He stated it was the first time he had worked for CORDELL. The van could not leave the car park as the key for the padlocked gate could not be found. However after two hours the vehicle was able to leave by driving over the pavement. CORDELL was released at 0400 as a breach of the peace was no longer likely to take place. Clearly CORDELL makes a living by organising raves in North London. Of note is when officers searched the car park after everyone had left they found a set of keys by the electronic steel shutters. These keys opened the shutters to the premises and on the key fob attached to the keys was a PIN number for the alarm system. This is how youths gained entry to the premises. It is possible that CORDELL has obtained them via the security company or an ex employee.

8. On 25th May 2014 at 23:21 hours, Police were called to Unit 5 St Georges Industrial Estate, White Hart Lane N17 by the security guard at the venue stating 'suspects were on premises'. Police attended the venue and a large group of approx 20 young males and females, between 18-35 years of age and of mixed origins ran out of the rear of the industrial estate through an alleyway leading to Thetford Close N13. Several males were still inside the premises claiming to be squatters. The remote viewing CCTV at the venue was contacted and the alarms had just been activated and it had footage of several suspects causing damage to the security cameras and door locks at the venue upon opening the premises. After several minutes and upon hearing Police organising entry to the premises in order to search for suspects concerned in Criminal Damage the remaining occupants ran out of the rear doors to the venue. The front shutter then opened and a White Ford Transit vehicle VRM CX52JPZ attempted to exit the premises. The driver an IC3 male gave the particulars of Simon CORDELL. He stated that he had just attended the venue to give his friends some food as they were squatting. The rear of the Transit van contained a set of large speakers and music equipment but CORDELL insisted he used the equipment for festival work and was not setting up for a Rave. Several young males and

9. On Sunday 20th April 2014 Cannabis 420 day was being held in Hyde Park W2. Police noticed a white Ford Transit Van CX52JRZ with a trailer on tow and a large generator on the trailer. The driver admitted that he was asked to attend to supply support to a band that was going to attend the event. The driver gave his details as Simon CORDELL. Vehicle had been driven onto park roads within Hyde Park and was asked to leave prior to large numbers attending the event. He did so but will be one to watch out for next year should this vehicle return to the park for next year's event.

10. On 24th May 2013 at about 2030 hours Police responded to reports of a suspect on at the Old Ponders End Police Station. On Arrival Police contained the area. Simon CORDELL was seen exiting an alleyway to the side of the Police station at the rear of the Kinder Garden Centre. In the car park to the rear of the premises was a Silver Ford Focus MA57LDY. Whilst waiting to gain access Joshua HOLLY-FIELD popped his head over the boarding to the premises and climbed over on Police request. He was detained and searched with nothing found on his person. When asked why he was in the ground of the premises he stated "Squatters rights, I haven't done anything wrong, you can speak to my lawyer who is with your colleagues round the front". This lawyer turned out to be Simon CORDELL. Whilst officers checked for signs of break-ins it was established through HOLLY-FIELD that they were looking for a place to set up rave over the bank holiday period. The Focus was searched in the presence of CORDELL as it smelt strongly of cannabis with a negative result. CORDELL stated that when he sets up raves he attracts in excess of 500 people over a 3 day period. CORDELL is planning to set up a rave and actively looking for the premises.

11. Cris 4208625/13 - Relates to a public order matter. On 7th April 2013, Police were called to Ellesmere Street E14 where an informant had seen a group of males load a flat screen TV into the rear of a white Ford Transit panel van VRM CX52JRX. The informant was a local resident and was particularly concerned as her neighbour had been recently burgled. The vehicle was in Ellesmere Street junction of Upper North Street there could see there were 4 males sat in the front cab. The person in the driving seat was a light skinned IC3 male. opened the car door to speak to the driver and he said "What the fuck do you want, you can't stop me". We identified ourselves as Police Officers by displaying my warrant card and he continued to say you have no power to stop me what are your powers. It was explained why we were there and why we had stopped him. He remained aggressive saying that we did not know how to do our job and that we had no powers to search him. The other males in the van were telling the male to calm down and let us get on with it. He was still aggressive saying that he was all legit saying that we had no reason to be there. He then turned off the engine and jumped out the van and walked toward the pavement. We explained he was detained for the search and he continued to shout "Don't you fucking touch me, I can walk around". He continued to question our grounds and I again explained them to him. An elderly member of the public was walking past and he shouted at him "Oi mate the fucking Police want to search you coz they think you may be a burglar". The male turned round looked in disgust and walked off again. CORDELL continued to walk around by our vehicle and it was again explained he was detained for search as he was walking away from him Police took hold of his right arm. As this happened he shouted "Don't fucking touch me". He was continually aggressive. He was shouting "Get the fuck off me" and members of the public were at their windows trying to see what was going on. PC ASTON was trying to take out his left arm while PC SCOTT was trying to take out his right. He was shouting "Get the fuck off me" continually and another unit arrived. Handcuffs were applied in the rear stack position as he was still being aggressive and uncooperative. As he calmed down it was again explained why he was being searched and he said "you can't fucking touch me". He was searched under section 1 of pace and nothing was found. The van was searched and again nothing was found. The others males were searched under the same powers and nothing was found. PC ASTON did check on the van and the pnc stated that it had no insurance. CORDELL stated he had traders which could not be proved so the van was seized. He said "you are not fucking taking my van". At 1446 he was arrested for no insurance and section 5 of the public order act as he could not provide a valid name or address. CORDELL was later charged with no insurance and Section 5 public order.

Further to my recent statement dated 11th August 2014 and in relation to my application for an Anti Social Behaviour Order with regards to Mr Simon CORDELL, I wish to add the following information.

I am aware that at the interim hearing on 5th November 2014 at Highbury Corner Magistrates, Mr CORDELL made certain representations in relation to his company "Too Smooth".

I have searched the Police systems as I am aware that Mr CORDELL stated that he had a curfew so was not leaving his house between certain times. The last bail conditions that I can find were issued at Woolwich Crown Court in April 2014 and had no curfew attached.

I have discussed entertainments licenses with the Police and Council licensing officers and they have informed me that if Mr CORDELL was to use a venue that was already licensed, he would not need to apply for regulated entertainment unless he wished to extend the event above and beyond the hours that the licensed premises already holds.

However, he could apply for a temporary event notice (TEN) to extend existing hours or indeed apply for an event in an unlicensed premise. The drawback to a TEN is that it limits numbers to no more than 499 people at any one time.

Police and Council can object to TEN applications within 3 days of the application being submitted.

Signature: [Signature] Signature witnessed by: [Signature]

Continuation of Statement of Steve ELSMORE.....

The Police licensing officer has checked, in my presence, the Borough of Enfield's licensing system where applications get lodged and has confirmed that Simon CORDELL has never applied for anything regarding entertainment.

I have spoken to Enfield Council with regards to Simon CORDELL supplying generators to them for certain events and cannot find anything to confirm that he has. Should he have supplied such generators then these would have been for legitimate events, certainly not Rave's in disused warehouses. I have managed to ascertain that the Town Show and Fireworks is not organised by the Council and is organised by Enfield District Scouts. They have confirmed that Simon CORDELL did supply them with a Human Gyroscope for the Town Show in 2013. It was apparently them that approached Mr CORDELL after seeing the Gyroscope parked up. Apparently Simon CORDELL did not supply any equipment for the fireworks.

A Companies House check has been conducted under the name of "Too Smooth" and Mr CORDELL'S postcode and there is nothing registered that can be found. Further checks can easily be made should Mr CORDELL be able to provide a Company Number.

On Wednesday 10th December 2014, officers attended Kempe Community Hall to try and obtain more information with regards to Simon CORDELLS role. The hall is managed by the Kempe Hall Community association and is currently run by Diane JOHN, unfortunately she was unavailable due to being sick. Officers managed to speak with her assistant, Hayley, who stated that she was not sure of what Simon CORDELLS role was. She did however state that CORDELL was a member of the committee at the hall and that he had turned up Monday of that week to attend the committee meeting. Prior to that Monday she stated that she had not seen him for around 2 months. CORDELL had told them that he had been ill

Since my previous statement there have been other information reports. I have copied and pasted the details of the information reports directly onto this statement

I was in the company of my colleague PC Colin HEDGES 113YE.

KEMPE HALL is situated next to BULLSMOOR LIBRARY on KEMPE ROAD, EN1.(KEMPE HALL, 46 KEMPE ROAD, ENFIELD, EN14QW.)

Continuation of Statement of Steve ELSMORE.....

Whilst at the Community Hall numerous local residents had varying reasons to attend the hall, and the manageress had a friendly rapport with all of them.

She is obviously a popular and respected key community member.

Recently the Elsing Estate has become one of Safer Estates priority patrol areas.

This is mainly due to youths congregating on KEMPE ROAD, EN1. They tend to loiter on a village green like area flanked on one side by a parade of shops and KEMPE HALL on the other.

The majority of the youths are unknown to officers and when spoken too politely engage in conversation. However amongst them are known GMG members, who noticeably stand out from the others by their surly countenance.

As the Manageress and KEMPE HALL are such an integral part of the community the SAFER ESTATES arranged the meeting as means of introduction.

We were informed that the hall can be hired by its members for varying functions.

We were also informed that the local youths were allowed to use the hall as a youth club. Wednesday - 1800hours to 2200hours.

The Manageress told us that she has not encountered any problems with the youths who attend.

We did, however, warn her that the group who attend the youth club could consist of gang members and that if she should have, at a later date, any concerns, to notify SAFER ESTATES. We also recommended the use of a knife arch at one of these meetings.

The Manageress seemed keen to liaise and work with SAFER ESTATES in resolving any issues that could occur at the youth club.

Also present at this meeting was the following MALE -

**Simon CORDELL**

Mr CORDELL has in the past, been known to police. He appeared to be there in an advisory capacity, and when we made delicate enquiries as to why Mr CORDELL was there we were informed by the Manageress that "he is helping us".

Mr CORDELL had an entrepreneurial persona with his brief case and lap top. He spoke of his events Management Company called "TOO SMOOTH" and presented a thick catalogue consisting of all manner of to hire equipment for the purposes of holding outdoor events - speakers, canopies, band stands etc.

Continuation of Statement of Steve ELSMORE.....

Out of curiosity I asked Mr CORDELL where he stored such a huge collection of equipment and he told me that he had "THREE lockups", and further explained that he had just spent £5,000 on a generator.

Mr CORDELL has a wide ranging vocabulary which initially impresses. However, when he expounds one of his many theories, he does so at great length, loosing his narrative flow.

By the time he has eventually finished what he has to say it is completely incomprehensible. Leaving the listener utterly bemused.

He was with a FEMALE associate who seemed to be a friend of the hall Manageress. CORDELL and the FEMALE showed us a project they were working on.

The project was outlined on Mr CORDELL S laptop. What we were shown was a proposal document of massive length and detail. This proposal was to be a presentation to be made to ENFIELD COUNCIL

I asked Mr CORDELL and the FEMALE if they could ex verbally explain what the project was about.

I was told that they plan to organise a local community festival consisting of local businesses and organisations. If, having successfully done this in ENFIELD they would then go on to do a festival in all 33 boroughs of LONDON.

There was no denying that the proposal document was extensive and impressive. However when asked, Mr CORDELL had not actually got a date to make the proposal to the relevant authority at ENFIELD CIVIC CENTRE.

I asked where, if given permission, the 'festival' would be held and he told me LEA VALLEY Leisure Centre, PICKETTS LOCK.

When given the opportunity to speak to the Manageress alone she tactfully asked how long she had known Mr CORDELL, she told officers that she had only just met him that day.

SAFER ESTATE'S concerned that even though Mr CORDELL presents himself in a business like manner (and it could be a possible that he is at KEMPE HALL on legitimate business) he is, none the less, well known to police for holding and organising "ILLEGAL RAVES".

And, was doing so as recently as AUGUST 2014.

Further to my recent statements in relation to Simon CORDELL and my ASBO application, I wish to add the following information.

It is mentioned that Loraine CORDELL has spoken to a Police Officer called Val TANNER regarding raves and her son.

I have spoken to A/DS Val TANNER who has confirmed that Loraine CORDELL has contacted their unit in the past. A/DS TANNER works in the Public Order Investigation unit and states that she deals with Post Event Investigation involving large scale demonstrations. She said that her unit had assisted in June 2014, with regards to the Croydon Rave (Operation Blue Iris) due to the large scale of the investigation but have very little to do with Raves as a whole.

A/DS TANNER states that she has inputted a Crimint regarding a Rave that was due to take place on 19th July 2014 in Barking. This rave was due to be at one location but was due to be moved to another location which had not been disclosed. A/DS TANNER states that she has had no involvement with Simon CORDELL and any Raves within The London Borough of Enfield. She confirms that she has spoken to Lorraine CORDELL but has not provided her with any information in relation to her son or Raves within Enfield.

In relation to the number of calls made to Police and the number made to the council noise team. Usually over the weekends the Council provides two of their officers on duty to deal with out of hour's noise nuisance calls. This is for the whole of the London Borough of Enfield. It would be my view that the majority of caller's first point of contact would be

Continuation of Statement of

STEVE ELSMORZ

Police, rather than the Council. In most cases Police, would refer the caller to the out of hour's noise team at the relevant council. However, in the case of a Rave, Police would not continue to advise this every time as Police would investigate. Both Police and Council would both be well aware of the situation.

I am obviously aware through my dealings with this case that Simon CORDELL has said he is a member of the committee at Kempe Hall. I am aware that Kempe Hall has recently been taken back into the possession of Enfield Council due to the way that it was being run. Gang members were regularly attending the venue and causing issues. On 18th March 2015, officers conducted a search of the grounds of Kempe Hall and found was a firearm. These incidents amongst others have resulted in the hall being closed for the time being.

Since the interim Anti Social Behaviour Order has been made there has been a huge decrease in the number of Raves reported within the London Borough of Enfield. Simon CORDELL has seemed to keep a very low profile. I have checked Police systems and Simon CORDELL has hardly been sighted since the Interim Anti Social Behaviour Order was continued in March 2015.

Should others be involved in the illegal Rave scene within the Borough of Enfield then I confirm that Police will actively pursue them within the constraints of the law.

On SATURDAY the 7th JUNE 2014 I was on duty in full uniform, working as YE3N section Supervisor. At 0203Hrs approximately I attended a disused warehouse at Progress Way EN1, where an illegal rave was being held. I attended with Inspector Hamill YE1N and representatives from the Environmental Health Office at Enfield Council, approaching the gates and asking to 'speak with the organiser'.

There I spoke with a man who I recognised as Simon Cordell, from previous illegal rave events on Enfield Borough. I would describe him as a light skinned black male, AA35 and at the time he was wearing a white long sleeved T shirt and Grey bottoms, he is approximately f509 tall and of medium build. He refused to provide his details to the council representatives in order that a noise abatement order could be served, however he was provided with a copy. Approximately 10 minutes later we left the scene having risk assessed the incident.;

I returned to the venue approximately two hours later, I again asked to speak with the organiser however none came forward. I asked the two men on the door, who appeared to be party goers to let me in to have a look around. I walked around and there was extremely loud drum and bass music playing, with approximately 100 people dancing. Party goers observed me in Police uniform and ran away into the large open area, presumably because of drug misuse matters - there was significant evidence to suggest illegal drugs were being used such as discarded self seal bags, and empty canisters consistent with 'laughing gas' use.

At approximately 0630Hrs we received a call to nearby Woodgrange Gardens, to reports of a male assaulted. Following an initial investigation this individual matched the description of a male earlier observed on the warehouse roof. It appeared that he had fallen off of the roof and into some bushes and his injuries were consistent with a fall from height. He was heavily under the influence of alcohol and quite probably illegal drugs. He went to North Middlesex Hospital with the London Ambulance Service. *Charles Miles 724YE*

On Friday 6th June 2014 I on duty in full uniform working as the Duty Officer for the Borough of Enfield. My working hours for this evening were 2200hrs to 0700hrs. During the early hours of the 7th June I was made aware of a potential Rave that was in progress in a discussed Industrial Building on Progress Way. I have had a CAD created reference 1047/7June and dispatched officers to the location to access numbers, crowd dynamics and gather information around times the vent is likely to run until and also to make contact or identify the potential organiser. Officers have reported back that Tyrone Benjamn and Simon Cordell where at location and the believed the event organisers. There were approximately 200 people in attendance, the event was covered by security officers who had stated that they were volunteers and not licences through SIA. Officers have spoken with staff to confirm that all fire escapes where clear, that there were sufficient fire extinguishers in place and that there were first aid kits available. The event was also being powered by generators. Staff were forthcoming with information, but refused to allow offices inside the venue. Due to call demand during the shift and low policing numbers it was inappropriate to enter the premises to seize the equipment and close the event, but deployed officers to conduct regular visits to the venue, where number at their peck where 500 but reported to be quite and peaceful. Local authority noise team were contacted reference T548832. The event was expected to run until 0700hrs on Saturday 7th June with plans for the event to continue again later in the evening on the 7th June. During the course of the shift we received a total of calls from local residence complaining about the noise of the rave. On Saturday 7th June 2014 I was again on duty in full uniform working as the Borough's Duty Officer for the hours of 2200hrs to 0700hrs. As with the previous evening I was made aware again of a Rave at an empty Warehouse of Progress Way. As with the previous evening, I have posted officers to make regular visits to the venue to access numbers, crowd dynamics and general intelligence around the event. During the course of the number numbers at the event were around 300. At 0200hrs I have attended the venue with A/PS Miles and two environmental officers. The entrance to the venue was located off progress way, down the side off "Tops Tiles". The warehouse was at the bottom of this side road behind a metal gate. The gate padlock had been removed and a

security officer was opening the gate to allow access. As myself and A/PS Miles and the EO have approached the gate they have closed the gate preventing us access. I have introduced myself and asked to speak with the event organisers, to which a member of staff has disappeared into the venue and returned with a male who I would describe as light skinned black male, Approximate age of 35, wearing a white long sleeved t-shirt, grey bottoms. I recognised this male as Simon Cordell. I have introduced myself and asked if we could speak at the bottom of the road where the noise levels would allow us to talk. We have all moved to the bottom of Progress Way where I have introduced myself and explained the purpose of the visit and asked "It's Simon isn't it?" to which he has replied "Yes" I have then further asked "Simon Cordell" to which he has indicated that it was but not verbally confirmed the answer. I have introduced the two EO's the Simon who have explained the purpose of their visit and the fact that they were going to serve a noise abatement order, they have produced the paperwork and asked the male for his name to which he has refused to provide his details. It was explained that without the name of a person from the venue the EO's are unable to serve the paperwork. As we have been unable to progress this line of action, I have made the request to Simon Cordell to turn the music down. During the course of the 8th June we had approximately 40 calls complaining about the noise. During the course of the shift police had contact with several groups that had been attendance at the Rave, all of which where extremely intoxicated and by their behaviour had clearly been using drugs, which they confirmed they had used, but on police contact did not have any drugs on them. As officers where not permitted access into the venue it is unknown the extent of drug and alcohol abuse which may or may not have taken place within., however, a call from a member of public CAD 2410 of 8th June received at 0535hrs stated that drugs were openly being sold. In relation to any additional calls and increase in demand as the result of this illegal event taking place, at 0310hrs on the 8th June PS 92YE noticed a male from the roof of an adjoining building to the venue. The venue backs onto that of the Police parade site which meant as officers enter and left the premises they had a full and unobstructed view of the rear of the Rave premises, officers have attended the venue, however, the male had already come down from the roof. Staff where given advise as to ensuring that people do not get onto the roof again. At 0504hrs CAD 2290 8th June police were called to a male assaulted in the street. Officers and LAS have attended the location of WoodGrange Avenue where the male had injuries of suspected broken wrists and a bloody mouth, he initially stated that he had been attacked from behind but on investigation it transpired that this male had been one of the people seen on the roof earlier and had fallen whilst getting down.

On Saturday the 19th July 2014 I was on duty employed as the Duty Officer for Enfield Borough. At about 2210hrs a call came in stating that there were about 20 persons pulling into an estate and the informant thought they were trying to set up a rave. The crowd were by an empty building called Carpet Right and had actually gained entry to the rear of the premises. I instructed officers to go to the venue and try to stop anyone else gaining entry to the premises. I made my way to the scene. There was a metal gate across the entry to the car park but this had a thick chain and a padlock around it so that it could not be opened. I walked to the rear of the premises where there were several vehicles and about 15 persons. I saw large black boxes which had speakers and sound systems inside them. I received a call from our control room stating they believed up to 100 persons were going to arrive at Southbury Road train station to attend a rave at this location. As a result of this intelligence I believed that the premises were going to be used for a rave.

I saw a male I knew to be Simon Cordell who came out of the building. I have known Cordell for over 20 years. I had previously dealt with him at a rave on the 7th of June which he organised in Progress Way Enfield which lasted for several days. I spoke to him at that rave during the morning as police had received numerous complaints re the noise over a twenty four hour period. Groups of youths from this rave were also committing mass shoplifting offences from the petrol station opposite, as a result of these offences the petrol station had to close its shop. Several buildings on the industrial estate were also damaged and thousand of pounds of damage were caused.

Outside Carpet Right I spoke to Cordell. He admitted that he was just organising a party for some friends and that was all. I explained to him that we were expecting 100 plus people to turn up at Southbury Road and to be told where the rave was happening. I explained to him that as the organiser of this rave I was holding him responsible. I then received a call stating that large numbers of youths were arriving in Southbury Road.

Continuation of Statement of Douglas Skinner .....

These youths would be trying to find the location of the rave. Due to this and to prevent disorder in the area I requested the Commissioners Reserve of TSG be called out to deploy to Enfield Borough and patrol the area. I also informed Cordell that as the organiser of the rave it was my opinion that his actions would result in breaching the peace in the surrounding area. This could result in damage to property, both the premises and surrounding area and violence breaking out. As a result of this to prevent of breach of the peace I arrested Cordell. He was taken to Edmonton Police Station and released at 0400hrs when I was satisfied a breach of the peace would be unlikely to now occur.

By removing Cordell (the organiser) the other people present left the premises and eventually drifted away from Southbury Road. The music equipment was loaded into a van at the scene. However it could not leave the car park as the gate was chained and padlocked. At about 0200hrs the van was able to leave by driving over the pavement between the barriers. No further raves happened on the borough that night.

This statement is completed in addition to one made on the 15th August 2014. I have been asked to clarify how I know that Simon Cordell is an organiser of raves. As stated in my previous statement I have known of Cordell for over 20 years. On the 7th June 2014 I was the Duty Officer for Enfield Borough. I was tasked to visit an ongoing rave at Progress Way EN1 and speak to the organiser to see how long it would be carrying on for.

I went to the location which was made up of several industrial buildings. I walked through the estate until I saw a white van. Inside this van was a male I recognised to be Cordell. As I got closer to the van he got out and waked towards me. We shook hands and said hello and talked about how I remembered him as a youngster over twenty years ago.

I asked him if he was the organiser and he fully admitted to me that he was. He stated that the rave was winding down as there weren't many people there. I said that if it continued for another night then the likelihood was that police would stop it as the numbers were low and resources could deal with it. He told me that it would not be continuing for another night and would be stopping that afternoon. I had a walk around the area and then left. The rave did stop that afternoon.

On the 19th July I again came across Cordell at an empty industrial unit which people were arriving at. Cordell told me that he was organising a party for some friends. I told him that I was aware that over 100 people would be arriving close by for a rave and await directions on where the venue was. The location was this venue and it was going to be a rave that he was the organiser. He admitted to me that he was the organiser. As a result has was arrested to prevent a breach of the peace. He asked if the music equipment which was in a van could be removed however the gate was padlocked. Cordell stated that he had padlocked the gate and had the keys however the keys could not be found.

On Saturday 09th August 2014 I was on duty in full Police uniform driving a marked police vehicle in the company of A/Insp King when at 2221 hours we were informed of CAD 9717 which related to some intelligence received that stated there was likely to an illegal open air rave in the region of Millmarsh Lane, Enfield, EN3. As this was very new information we attended the location as quickly as possible so that we could assess whether there was a possibility of ending the rave before it began.

We arrived in Millmarsh Lane at 2232 hours and straight away I could see a number of small pockets of young people walking east along Millmarsh Lane. These groups particularly stood out as the area is an industrial estate and is usually very quiet at time of night.

We worked out these youths were making their way to an open air area next to the Greggs Bakery. This area appeared to be the ground on which a building used to stand. It was fenced off and the front gates were chained shut with a motorcycle chain and a padlock. I could here music coming from the venue and I could see small numbers inside and a couple of tents.

We exited our vehicle and approached the gates in order to speak with the organiser.

Manning the gate was a mixed race, IC3 male I know as Simon CORDELL. I was aware of a lot of intelligence on our indices that suggests Cordell is known to be the organiser of most of the raves that have been happening in the Enfield area.

We asked if we could come in to the venue and speak with him. Cordell refused initially stating that there was no rave. He stated that it was a private 'conference.' He stated that there have been a few people camping on the land as they had nowhere else to go. He stated that they are having a few friends over for a private party. After persuasion Cordell allowed A/Insp King and I entry to survey the area.

Inside I could see around 20 - 30 people milling around, 2 small camping tents, a large set of speakers and sound system and a supply of bottled water.

Cordell was informed that the rave was going to be closed down and despite a slight resistance to this by him

trying to quote legislation at us he agreed to pack up and leave. He was reluctant but co-operative at this stage. We restricted access to any new comers to the venue and asked for a few more units to come to the location to help with dispersal of the small numbers that were in attendance and deter any new arrivals.

The venue had more or less emptied but the organisers were still packing their equipment away. As this was happening a crowd of approximately 100 people arrived in Millmarsh Lane at the same time. This appeared odd to me that so many people turned up all at once. The crowd appeared to be angry at the fact that Police had interrupted their evening and were shouting and advancing on officers. One of the group shouted, "Lets just storm it." Cordell appeared to have realised that this crowd was in attendance and half emerged from the venue and appeared to be encouraging the crowd to act up and try to force their way into the site. After a short time however, the crowd started to disappear. They moved back towards the junction of Millmarsh Lane and Mollison Avenue. A/Insp KING asked some the officers present to follow them up to the junction and restrict access to Millmarsh Lane.

Once this had happened, reports came over the radio that more numbers were arriving and that more officers were going to be needed in order to control the group. There were also reports of missiles being thrown at officers. A/Insp King and I went to the junction of Mollison Avenue. I could see a large crowd of 200 - 250. Crowd was very verbal and on the whole were advancing towards officers. There were a number of members of the crowd that were throwing traffic cones, traffic beacons and bottles at officers. I ordered the officers to form a cordon across the road and a number of officers also drew and racked their batons as a show of force and a deterrent. I did this also. A/Insp KING had asked for a dog van to attend the scene and the dog and handler assisted in driving the crowd back. TSG commissioners reserve was also on route.

There were two members of this crowd, a male and a female, that persisted and did not back down and leave. These two were detained and subsequently arrested by officers. The male had to be restrained on the floor. Following this exchange the crowd started to move back towards the Brimsdown British Rail station. This is where they stayed for the remainder of the incident. The odd one or two members of the crowd came forward and was verbal but otherwise they slowly dispersed on to the trains and left the area.

A/Insp King instructed 2 Police units to remain at the junction of Millmarsh Lane and Mollison Avenue in order to keep revellers away from the location.

This incident caused major disruption to the public by temporarily closing Mollison Avenue which is a major artery into North East London. It drew response team officers away from there core buisness which not only impacted on Enfield Borough but also on surrounding boroughs who had to relinquish resources to assist Enfield.

On Saturday 9th August 2014 I was on duty in full uniform posted as Acting Inspector. Shortly before 2230hrs I was informed via our GPC that Intel had been received via social media that there was going to be a large illegal rave somewhere in the region of Millmarsh Lane, Enfield, EN3. I was advised that this was being advertised on Facebook by "Every Decibel Matters" who run unlicensed events. At this time I was in company with Ps Ames 123YE and we made our way to the location. On route I informed the control room of what was potentially occurring and accepted the offer from some units to attend the location to assist me. On arrival in Millmarsh Lane it was obvious that something was about to happen. There were a number of groups of teenagers who were milling around clearly looking for something. Millmarsh Lane is an industrial road with two major 24hr factories but borders residential areas which are divided apart by Mollison Road. At this time on a Saturday the streets were very quiet so these groups stuck out. After a brief search I noticed two metal gates next to the Greggs Factory which suddenly closed as we passed them. We stopped and I got out and approached the gates. Although dark, street lighting was on and I could see a male was using a chain and lock to secure the gates. I could hear music coming from further inside. Stood by the gate I immediately noticed an IC3 male who I know to be Simon CORDELL. I recognised Mr Cordell as I have previously spoken to him recently at illegal raves where I have seen him setting up sound equipment and subsequently taking it away when confronted by Police. I explained to Mr Cordell why we were there but he immediately denied it was a rave. Mr Cordell stated first it was a private conference but then said it was a birthday party. When asked about permission to be there he stated friends were squatting on the land and they had said he could stay. I explained to Mr Cordell that I needed to come onto the site to see what was going on as for all I knew he could be damaging it or stealing from it. Eventually after promising I would not remove anyone squatting and only myself and Pc Ames would come in, Mr Cordell agreed that we could come in. Near to the gate was a silver Ford Focus index MA57LDY which I knew was Mr Cordell's. The boot was open and I noticed it contained three large thin industrial gas bottles. From experience I knew this was likely to contain nitrous oxide which is currently used on the rave scene as a

legal high. As we passed the car Mr Cordell quickly lowered the boot. I queried Mr Cordell about the gas and pointed out that it was on the news earlier how Nitrous oxide was dangerous and Mr Cordell stated that the Government would probably ban it soon like everything else. Mr Cordell was polite and showed us around the site which appeared to be a large concreted area that was completely open to the air. There was a large sound system to the rear which was amplified though I could not see any power source. There was a number of people wearing yellow hi-vis jackets who Mr Cordell stated were first aiders and there was a pallet of water near to the sound system as well as a couple of tents closer to the gates. I could see no obvious Toilet facilities nor shelter from what had been forecast as a stormy night. Inside the venue mostly just stood around in small groups were about 30 people, mostly teenagers. Mr Cordell stated he was an entrepreneur and was awaiting licences from the council so that he would soon be legitimate. When I explained all the "ingredients" for a rave were present Mr Cordell began to try and argue his point that it was not a rave and that it was a private party. I spoke at length with Mr Cordell explaining the legal situation and how by definition this was a rave and that ultimately there were too few people present at the time to stop police and so on this occasion I could act and close the rave. Whilst on an industrial estate it was my opinion that such was the proximity to local housing and my knowledge of the volume music is played and the duration it is played for, often throughout the weekend that a rave would constitute serious disruption. Mr Cordell was clearly not happy but did not want his equipment seized so agreed to start packing up the sound equipment. Whilst talking with Mr Cordell there were small groups of teenagers arriving at the site and entering via a break in the fence, (the gates still being shut at this time). I got P's Ames to get units to us to prevent further people trespassing on the land and to discourage people from attending the location and exited the venue to await Mr Cordell's exit with the sound equipment. Whilst waiting I radioed for the on-call Superintendent so I could get the various Rave legislation approved so that I could seize the sound equipment and enforce a rave cordon on Millmarsh Lane to prevent people entering. Whilst stood by the venue a number of people began leaving, most were laughing but the odd one was blaming police for stopping the event. Suddenly there was a huge number of mainly teenagers walking towards me from the direction of Mollison Avenue. Apparently this group had all arrived together from the nearby railway station. Straight away some of this group headed straight towards us saying they were going to storm the place. I had been joined by a few team officers and we advised them that the rave had been closed down and they would not be allowed to enter. There was some verbal confrontation but the large group which was up to 100 strong moved off round the corner with some overheard saying they would break in round the corner. As they began to move off Mr Cordell stood by the break in the fence and shouted words to the effect of, "Come on, there is more of you". I quickly went up to Mr Cordell and told him to stop or I would arrest him to prevent a breach of the peace. At this Mr Cordell went back and stayed away. The large group did indeed try to get into adjoining premises that they thought led to the rave venue but were stopped by officers and moved off back into Millmarsh lane, although one officer Pc Wale was injured during a struggle. I requested the attendance of as many units as possible including dogs and TSG as the

group were becoming more hostile towards officers despite there being no music now and being informed of the closure. A short while later officers I had positioned at the junction radioed that there was now an even bigger crowd advancing on them. I arrived at the junction to see a very large number of people, now upto 200 walking with purpose towards officers stood in the road. Suddenly objects began to get thrown from the crowd towards police. I saw traffic cones, cone lights, bottles and stones begin to land near Officers so that they had to quickly move out of the way. I again heard phrases similar to "storm them". Fearing imminent violence I drew and extended my baton as did my colleagues. I could hear shouts of "get back" but the crowd continued to throw items, some of which were landing on cars that had been temporarily stopped due to the group. We had been joined by two dog units who took the lead in dispersing the crowd. At this point there were two arrests to my left and along with the dogs this seemed to make the crowd withdraw. I told my officers and the dogs not to follow the crowd as they were now by the train station with nowhere to go as the barriers were down. There was a tense stand off for some time but the group eventually got onto trains and left the area. I was informed by another unit that Mr Cordell had also left with his equipment. I tasked arriving TSG with local reassurance patrols but shortly after they started I was advised that most of the group were wandering around near to Ponders End. I tasked TSG with following this group and was informed by their Inspector that their unmarked unit had overheard talk that the rave was now going to be South West of the original location. I was aware that TSG subsequently saw Simon Cordell by the Crown lane Industrial Estate where he has held a rave before and had stopped the group from forcibly breaking into this location. Finally after close to three hours later, the group dispersed and I was informed that social media was indicating the rave would now be Epping Forest. The whole incident took a vast number of resources to police and there were two arrests for drugs possession and two for drunk and disorderly behaviour. One officer was injured with a deep cut to his elbow requiring first aid by the Police FME and emergency calls whilst answered were subject to delay.

Further to my statement dated 15/08/2014 regarding an illegal rave on Saturday 9th August 2014 I have been asked to clarify the role that Mr Simon CORDELL had during the incident.

On the night I first noticed the location of the rave as a male quickly locked the gates upon apparently seeing my marked police vehicle. This male was Mr Simon CORDELL and it was him that initially said I could not enter and it was him who was very much in charge of deciding if Police were going to be let in. Indeed, having been let into the venue by Mr Cordell I had a number of conversations with him about whether what I saw constituted a rave and part of Mr Cordell's argument to stop me closing it down included telling me that it was a private party but that ultimately it didn't matter because he was applying for licences from the council and soon his events would be legitimate and could not be closed. The conversation was very much that this was his event and he would keep running them no matter where he had to go. It was Mr Cordell who showed me around the venue pointing out first aiders and piles of bottled water in an attempt to convince me this was a legitimate party. Having explained that I was going to order the rave closed or seize the sound equipment it was Mr Cordell who passionately argued against this whilst maintaining he did not want his sound equipment seized. Eventually, it was Mr Cordell who told other persons present that the event was closing and told people in yellow jackets to start packing up the equipment. Aaron King Ps 91YE [Signature]

On THURSDAY 24th JULY 2014 I was on duty in plain clothes as operator of an unmarked police vehicle in company with APS 212YE MARTIN, PC 151YE ROBERTSON, and PC 229YE O'NEILL. At around 1625 hours on Alma Road EN3 we had cause to stop a silver Ford Focus vrm MA57LDY due to the manner of its driving. The driver was a male I know to be Simon CORDELL dob21/01/1981. I know him as I have dealt with on a number of previous occasions. He was initially hostile about having been stopped, but once he had calmed down he engaged in conversation with us. He stated that he is staying out of trouble now, and he does not get involved in any of the things he used to. He stated that he has 4 brand new speakers at home which are suitable for use at raves, but he does not use them and has offered to lend them to any "youngsters" to use. He went on to say that they are not interested though as these days they just want to steal everything. He said he gets inundated with requests to run raves all the time, but he doesn't get involved now. He claims to have 20,000 followers on one social media site, and 70,000 on another. He said he could organise a rave and get 20,000 people at it with no problems whatsoever, and he gets requests from anarchist type groups to run raves for them. He went on to say that he had been asked by Occupy London, Black Block and other anarchist type groups to run a rave at Notting Hill Carnival for them so that they could cause carnage and mayhem, but he had refused. Whilst on public order duty at Notting Hill Carnival I saw Mr CORDELL walking through the area I was deployed around TAVISTOCK ROAD. He was pushing a wheelie bin, and he was approached by members of a group of around 10 - 20 people who had been waiting at a junction near our location. This group had been playing drum and bass music and had told officers they were heading to an event but were awaiting the location. It was somewhere between 2200 - 2300 hours when I had seen the group, and Mr Cordell.

On Friday 12th September 2014 I attended the address of Simon Cordell in Burncroft Avenue EN3 with A/PS 556YE PETRUCCI, PCSO NASSEER and PCSO TILLEY.

I knocked on Simon Cordell's front door at 1230 hours and he opened the door and asked what we wanted; I asked him if he was Simon Cordell, to which he replied, "Yeah." I stated to him that I was here to issue him with a summons to attend Highbury Corner Magistrates Court on 6th October 2014 at 1:30pm. Mr Cordell stated, "What is this for?" I informed him that it was for an ASBO; I showed him the summons and the folder and as I went to hand him the folder and the summons Cordell stated, "I'm not accepting that, I'm not having that." Cordell then placed the folder on the floor, outside his door, in the hallway. I stated to him that he does not have to accept it and that I have already informed him of the date, time and where to go. Mr Cordell then shut the door before I could hand him the summons, so I posted it through his letter box. Mr Cordell was also told to inform his solicitor of this.

Mr Cordell was a light skinned, mixed race male, with short black hair and was of medium build.

This statement refers to an illegal rave which took place between 6th June and 8th June 2014 on the industrial Estate near Woodgrange Avenue.

On Thursday 14th August 2014, I spoke with a resident who lives in Woodgrange Avenue, Enfield. The resident is an elderly female and both she and her husband are retired.

She has stated that on Saturday 7th June 2014, she contacted Police regarding a rave that was happening on the industrial estate close to her home address. Her reason for contacting Police was because the music noise was horrendously loud and this was disturbing their peace and had been going on for sometime. She states that both her and her husband were extremely distressed about this whole incident because something similar had happened in the past.

She states that lots of youths had been jumping over fences and she was very concerned and frightened about this and feared that something would happen to them or one of their neighbours. This made them both extremely anxious, nervous and made them worry.

This lady is worried that an incident like this could happen again. She did not want to provide Police with a direct statement as she is frightened that the organisers could trace where they live and make their lives even more of a misery. She is extremely concerned that something like this may happen again in the future.

He mentioned that an Ambulance had to attend an incident that happened in the street, apparently someone had fallen off a roof and the ambulance could not gain access. The ambulance men had to attend on foot.

He states that he had discussions with local neighbours during that weekend, who stated that youths had been climbing over fences, and causing damage to the fences.

He stated that this whole incident caused both him and his wife a great deal of distress over this particular weekend.

I am a police officer in the London Borough of Enfield and have been tasked to contact residents of the borough who had called police to inform them of an illegal rave that took place over the FRIDAY 7th JUNE 2014 and SATURDAY 8th JUNE 2014, in a warehouse in PROGRESS WAY, ENFIELD

On TUESDAY 19th AUGUST 2014 I contacted the caller of CAD 10471/07JUN2014 by telephone, who was happy to give an impact statement regarding how the illegal rave effected her and her husband over the above dates mentioned.

The caller wishes to remain anonymous. I will refer to her as Complainant "A". The original notes taken for the below statement are present in my pocket book serial 370/14, page 1.

Complainant "A" said "It was a warm evening and we had to keep the windows shut because of the noise. The next day we could not even go out into the garden because of the noise. It kept me and my husband up all night, and made us very anxious the next day. The illegal rave totally ruined our weekend".

This concluded what complainant "A" said regarding this matter. [Signature]

I spoke to the resident at number [redacted] regarding the illegal party. I live here with my wife and children. This party has had a very negative impact on our lives in that we could not sleep. The music was so loud that it penetrates through the double glazed glass. The music went all through the night and into the next day. I was unproductive at work the next day because of the lack of sleep. My children all between the ages of 11 and I did not get any sleep, they were restless because of sleep deprivation. My wife was very tired the next day. On the Sunday we had to leave the house in order to get away from the noise and pollution.

I am a resident living at [redacted] Woodgrange Gardens and have lived at this address for 28 years. I am retired and live with my wife who suffers from Dementia. As a result of the noise which takes place at the Warehouse, my wife and I have suffered a lot. As a result of my wife's condition it is hard for me to get her to sleep and the noise from the party has made it 100 times worse. The party normally goes on from about 8pm until the next day. The noise is so severe that even though my house is double glazed, the noise penetrates through the wall. On the last occasion we had people spilling beer from the warehouse onto our roads and they are very noisy. This is a lovely area, but things change when the party is on.

On Wednesday 20<sup>th</sup> August 2014 at about 12:00 hours I was with Pc McMillan when we attended Woodcreech Gardens in Enfield and spoke to residents about a rave which had recently taken place at a nearby Warehouse. We both conducted a door to door enquiry and spoke to the following residents:  
I spoke to resident (2) one who wish not to be named. This resident is (3) eight months pregnant and also has a very young child. She informed me that as a result of the noise coming from the rave, she and her young child could not sleep for the whole weekend. Also at home was her elder mother who also did not get any sleep for the weekend. She described the music as very loud, annoying which vibrated the windows and doors all weekend. She further stated that at one point she thought of finding somewhere else to stay for the weekend.

On Wednesday 20th August 2014 between 12:00 and 13:00 hours I was on duty with Pc McMillan 7594E when we attended WOODCRANGE GARDENS and spoke to residents about a rave which took place at a nearby warehouse recently. Resident (2) - Ino informed us that the rave had a devastating effect on her and her family. This resident does not wish to give her name, however she told us that she is a shift worker and for the entire weekend she did not get any sleep, because of the loud music and people from the rave making noise outside all night. On the mornings after the rave, there were people in cars sleeping and drinking alcohol. There were people vomiting all over the road and young men urinating on the streets. She found the crowd very aggressive and intimidating and there were men peering over the walls into the houses which was quite scary.

This statement refers to how an illegal rave held in Progress Way Enfield, impacted upon me and my families lives during the period between Saturday 7<sup>th</sup> June, and Sunday 8<sup>th</sup> June 2014

I am the above named person and what I say in this statement is best to my knowledge and memory from the dates mentioned. Progress way is approximately a fifth of a mile away from my address as the crow flies. My address is known to police.

On Saturday 7<sup>th</sup> June 2014 at approximately 01:20hrs me and my family were woken by a very loud thumping music. I could hear that the music was coming from the direction of an industrial estate on Progress way. It was so loud and deafening. It was a hot evening and even with all the doors and windows closed I could <sup>hear</sup> a constant thumping noise that led me to have no sleep all night. I even had to wear ear plugs, but they didn't help me at all. I called the police for the first time to report this, but they said

they were aware as other people had already called to report this. At approximately 2pm the music stopped for 15 minutes, and then started again through to the morning. I contacted the police again shortly after the music started and they referred me to the noise nuisance team. Unfortunately there was no one there to answer the call. The music carried on all night and into the next day. It totally wrecked my weekend. At 1000hrs Saturday morning, we left our home to go a family gathering and returned back in the early hours of Sunday 8<sup>th</sup> June 2014 at around 0100hrs. On our return I could not believe that the music was still playing! I could not believe that I may have to suffer another night of no sleep. I felt miserable and cranky, this effected my family due to the fact I had no sleep. The music continued until the early hours of Sunday morning, causing me to get no sleep. I contacted the police again and also spoke to a member of the noise nuisance team at the council who told me there was very little they could do due to the vast numbers of people in attendance at this illegal rave. This type of illegal rave is not the first time it has been held at Progress Way, one took place over Christmas 2013 which kept us up as well! I really hope the person organising this type of event stops as he is causing so many problems for me and residents of Enfield. ~~On 11<sup>th</sup> June 2014~~

On Wednesday 11<sup>th</sup> June 2014 I had occasion to attend

## Information

[REDACTED]

On arrival at millmarsh Lane there were numerous young people milling around trying to locate the rave which was eventually found on the North footway just by the Greggs Factory. It was a small strip of concrete completely open to the air with a large amplified sound system at the far end obstructed from view of the street by vegetation.

Simon Cordell was at the gate and immediately shut it on police arrival. Eventually, Mr Cordell agreed to let me and APS Ames onto the property to confirm there was no damage or theft offences being committed.

Simon Cordell's car a silver ford focus VRM MA57LDY was present and contained at least three massive nitrous oxide tanks. When queried he admitted he had seen the news article about the dangerous effects of this and how the Government would probably regulate it.

There was about 30 people in so in discussion Mr Cordell was told it was an illegal rave and i would be seeking Supt authority to seize the sound equipment. Mr Cordell began to pack away his equipment stating it was a birthday party only but he was going.

Whilst stood waiting for him to leave a group of about 100 teenagers turned up on mass and immediately became confrontational stating they were going to storm the rave. As we had good numbers the group initially dispersed but tried to go via a back entrane to the venue which led to arrests when scuffles with police started.

The group then completely moved off but returned about twenty minutes later in even bigger numbers. The situation quickly escalated as the group started throwing cones and general road furniture towards police. luckily dogs were on hand and the crowd was dispersed after numerous missiles were thrown at police and a number of arrests were made.

The group then hung around and got on trains only to try and enter Progress Way and the previous rave site. It was only large numbers of TSG that prevented the group forcing their way in. Again, Simon Cordell and his silver Focus were present. [REDACTED]

The net result was at least 4 arrests for various public order and one officer injured who

may require a stitch or two to his arm.

Simon Cordell's attitude is that he is a modern day business man and the actions of the group had nothing to do with him. It was fortunate more officers were not injured.

## Information

On SUNDAY 27th of JULY 2014 police drove down MILLMARSH LANE ENFIELD, because information had been received that a rave would be taken place that evening. Police drove down and found the rave, which was on a piece of land between GREGGS and PUGH CHARLES GLASS.

This appeared to be a drive way that was over grow, but had a gate on it, which the people at the rave had the key for.

Police spoke to the people inside and they did not know if they had any first aiders there and they said that had one fire extinguisher on the site.

The people there let police in and there was no alcohol there, but they had water to drink. The rave was outside on open land. There was a big stack of speakers, which was been powered by a van belonging to Simon CORDELL.

Police saw the van drive out with Simon CORDELL driving it.

The rave was a 20th birthday do for one of people there.

The rave was organised by Simon CORDELL and was connected to another rave on ALMA ROAD.

## Information

On THURSDAY 24th JULY 2014 at around 1625 hours plain clothes officers from YE Gangs Unit had cause to stop the following male on ALMA ROAD EN3:-

Simon CORDELL  
dob 21/01/1981  
MALE  
IC3  
F509  
109 BURNCROFT AVENUE EN3 7JQ  
PNCID-97/99378V

He was driving a silver Ford Focus vrm MA57LDY on which he is insured, but is not the registered keeprr. He was stopped as he was driving about 1" from the bumper of the car in front of him, and his driving was erratic. He claimed to know the other dirver, this male however approached officers saying he had been driving like that behind him since YR!

CORDELL was obstructive as usual, refusing to get out of his vehicle etc. He stated that his solicitor has a big case going where all his criminal records will be wiped as police have unlawfully picked on him for years etc.....

Of interest, he stated that he has 4 brand new speaker systems at home which he is happy to loan people for raves etc, and that he is inundated with requests to run raves. He stated that he has over 20,000 followers on one social media network, and 70,000 on another. He says that he could organise a rave and get 20,000 people at it without any problems what so ever, and that he gets a lot of requests from anarchist type groups etc to run raves for them.

Of note is that he claims Occupy London, Black Block, and other anarchist groups have been asking him to organise one for Notting Hill Carnival so that they can "cause carnage and mayhem".

## Information

CAD 10635/19 July refers,

At 2205hrs police were called to the Carpet Right show room on the A10 GREAT CAMBRIDGE ROAD ENFIELD regarding a possible rave in the empty premises. There was about 20 people inside the premises with sound equipment which they were about to set up. When officers arrived they blocked the front of the venue to stop anyone else getting in. The main organiser was spoken to by police.

This male was Simon CORDELL 26/01/1983 of 109 BURNCROFT AVENUE ENFIELD EN3. He admitted to organising the party and said he was expecting several hundred people. Whilst dealing with CORDELL police were told that crowds were gathering outside SOUTHBURY ROAD train station waiting to be told where the rave was. After a long conversation with CORDELL he was arrested to prevent a breach of the peace and take to EDMONTON POLICE STATION C/N 01YE3597/14 refers.

As a result of his arrest the people inside the venue all left. The music system was loaded into a white van VRM PE52UHW. The owner and driver of this vehicle was Elliot LAIDLER of 32 GRANTHAN ROAD E12. He stated it was the first time he had worked for CORDELL. The van could not leave the car park as the key for the padlocked gates could not be found. However after two hours the vehicle was able to leave by driving over the pavement.

Two other vehicles were also able to leave. VRM LD53OKB which has a KIA registered to The Floor Sanding Company 5 WARWICK ROAD EDMONTON N18 and VRM R659YEX a fiesta registered to Bradley DAVIS 79 MEADOW ROAD BARKING.

CORDELL was released at 0400hrs as a breach of the peace was no longer likely to take place. Clearly CORDELL makes a living by organising raves in NORTH LONDON.

Of note is when officers searched the car park after everyone had left they found a set of keys by the electronic steel shutters. These keys opened the shutters to the premises and on the key fob attached to the keys was a PIN number for the alarm system. This is how youths gained entry to the premises. These looked official keys to the venue. It is a mystery how they came into the possession of the youths. It is possible that CORDELL has obtained them via the security company or an ex employee. They have been book into the 66 at YE under the reference [REDACTED]

## Information

On 25/05/2014 at 23:21hrs Police were called to UNIT 5 ST GEORGE'S INDUSTRIAL ESTATE WHITE HART LANE N17 by the security guard at the venue stating 'suspects were on premises'.

Police attended the venue and a large group of approx. 20 young males and females, between 18-35 years of age and of mixed origins ran out the rear of the industrial estate through an alleyway leading to THETFORD CLOSE N13.

Several males were still inside the premises claiming to be squatters. The remote viewing CCTV at the venue was contacted and stated that the alarms had just been activated and it had footage of several suspects causing damage to the security cameras and door locks at the venue upon entering the premises.

After several minutes and upon hearing Police organising entry to the premises in order to search for the suspects concerned in Criminal Damage the remaining occupants ran out of the rear doors to the venue. The front shutter then opened and a WHITE FORD TRANSIT VEHICLE VRM CX52JPZ attempted to exit the premises. The driver an IC3 M gave the particulars of Simon CORDELL DOB 26/01/1981 of 109 BURNCROFT AVENUE EN3. PNCID 97/99378V. CORDELL stated he had just attended the venue to give his friends some food as they were squatting. The rear of the TRANSIT VAN contained a set of large speakers and music equipment but CORDELL insisted he used the equipment for festival work and was not setting up for a 'Rave'. CORDELL produced insurance documents but due to the day/hour officers were unable to verify details. CORDELL did not match the description of the IC1 Male suspects and was advised to leave the venue.

Security guards remained at the premises in order to secure them. Several young males and females continued to arrive at the venue dressed in 'suitable evening attire' for a Rave and then promptly left upon seeing Police.

He remained aggressive saying that we did not know how to do our job and that we had no power to search him. The other males in the van were telling the male to calm down and let us get on with it. He was still aggressive saying that he was all legit saying that we had no reason to be there. He then turned of the engine and jumped out the van and walked to ward the pavement. We explained he was detained for the search and he continued to shout 'Don't you fucking touch me, I can walk around' He continued to question our grounds and I again

I am Steve Elsmore, a Police officer attached to the Anti Social Behaviour Team within the London Borough of Enfield. I make this further statement regarding an ASBO matter in relation to Simon CORDELL.

On 16th May 2016, I was asked to check timings in relation to the schedule that is due to be served on the court.

Whilst searching for timings for Crimint HTRT00376798, I found an incident log attached to this Crimint. I do not recall previously seeing this log. Usually the inputting officer would put an indicator on the Crimint to say that there is an attachment. On this occasion there is no indicator referring to this attachment. It is possible that I may have previously missed this attachment due to the volume of incidents that I was searching through.

The attachment itself is an incident report from Canary Wharf Group and the incident summary states - Trespassers on site - illegal rave - forced entry shed 4 - Police tasked - no action - group left site. This is dated 12 January 2013.

The incident log details what action was taken by Canary Wharf Group during this particular incident. It also provides detail on the impact to the residents. On page 5 of the incident log there is an entry that states "P BOUZON (CW178) informs the ECC that the vehicle registrations that he gave me are actually the 2 vehicles that gained access through the fence and are located within the Shed 4 area".

One of the vehicles is MA57LDY. This vehicle was registered to Simon CORDELL as per the Crimint Report.

All external doors have now been closed, so the building is as secure as we can make it until we review and carry out more work on Monday morning.

This comment also applies to the damaged fence.

I am now taking a replacement padlock and chain to replace the one cut off during the break in, to the gate where concrete Jersey Blocks have now been positioned.

I shall leave the key with the patrol guard(s), who are now in place and collect this from them on Monday morning.

Leaving site now, though available on the phone if needed.
