

with the police and Simon on that call and he said he would get the police to stop going to his Flat.

The police did pull Josh and Simon that night on the 23/11/2014 which had now been added to the ASBO application, which also made Simon very scared even more. They asked Simon and Josh what they was up to Simon told the police why they was out on the street that they was scared due to the calls they had for his main door code and said the person that called said it was the police, at this the police officers told him they was in fact the ones that had made the calls to him.

But did not still tell him the reason they wanted to see him at his Flat. I do believe the police was watching and just doing all this to intimidate him as they new he was really not well at this time.

They did a search on both Simon and Josh and did checks then let them go. Simon and josh was not on drugs the pair of them was really scared at what was going on, and Simon was really unstable. The police and inspector at Edmonton Police Station would have all the CADs from the calls that were made on the 22/11/2014 and the 23/11/2014. the way in which this day has been added to this ASBO application is beyond words as if was not for the fact the police was harassing my son still my son would have been in his home with his friend I do believe the police was doing this to make my son more unstable in his health.

The police was going so far with going round his Flat all the time for no reason, when people from the AMHP team went out to do an assessment due to how unstable he was at this time it was late, when they got there they called me and said why are the police there I said I did not know why but I was really upset due to the police was not stopping with him. Simon was going mad and the assessment team told the police to leave him alone. I was still on the phone at the time to the assessment team and they asked the police why they was there, I heard what the police told them why they was there, they said they had a call from 1st they said 112 then they said 122 then they gave a next door number, which I did not hear right they did not know what to say to the assessment team they was mixing everything up. the police left but due to the state Simon was in the assessment team felt it better to leave and not upset him any more then he was already due to what the police was doing just keep turning up at his flat for no reason. All he kept saying is why does the police not leave me alone. i have done nothing wrong.
