

on with the 2nd session of treatment but did not notices the mistake on the dose of chemo i was giving my mother. I called the hospital 2 times after the 2nd session of chemo had started and was told to just give her more tablets to start the diarrhoea, 9 days into the 2nd session I demanded my mum needed to be in hospital we was told after hours on the phone to the hospital to take her to A&E by the on call oncologist doctor. I took my mother to A&E on the 27/08/2014 where they took her in right away and done blood tests. They could see how ill she looked she could now not even walk by this time. They stopped the chemo right away as I believe this is when they saw the mistake on the drug dose. We were told they needed to get fluids into my mother and she was taken to the ward. We were not told my mother was in acute kidney failure. On the 28/08/2014 it was the Macmillan nurse who told my sister about the dose of chemo. And on the 29/08/2014 it was also the Macmillan nurse that told the family about acute kidney failure, the family asked my mothers oncologist doctor 4 times about the acute kidney failure on the 29/08/2014 and was told 4 times that it was not nothing to do with her Kidneys it was the cancer.

On the day of the 29/08/2014 a drug was put onto my mother chart of Codeine Phosphate. The family left the hospital at around 19:15 and I always went back to the hospital around 21:00 to 21:30 on returning to my mother's room I could hear there was something really wrong. The nurse asked if my mother had been like this all day I told her no she was fine when I left at 19:15. My mother went down hill very fast this night all the family came to the hospital my mother passed away 9 hours after being given the drug Codeine Phosphate. Codeine Phosphate should never have been given to someone on Clozapine there are only 2 out comes and one of them is death. We are still waiting for causes of death.

On the 07/06/2014 a member of the family Dwayne Edwards was having a going away party as he was due to travel the world for 12 months. Most of the family was there including my son Simon Cordell. The party was held in a hall I did not stay long as my mother was not well but she did want to go for a few hours due to not seeing Dwayne for many months, we stayed around 2 hours and then I took my mother to my home where she stayed with me.

On the date of 22/11/2014 Simon was at home with his friend josh, they were working on bits for the company to try and take Simon mind of things Simon at this stage was really unwell and unstable.

It would seem police was at Simon Flat outside tiring to get in this was late at night.
