Hi Simon,

Thanks for the email Is there any chance we could also book Your bouncy castle for the same weekend, please advise price for both activities. We are checking we can get an electricity supply as generators are not allowed.

Both activities will need to in place on Friday between 4pm and 8pm. The park will then be secured and security guards will patrol through the night. The show is open to the public between 10am and 6pm both days.

We are very happy to organise the activities ourselves including set up and tear down if that keeps the price down. Taking down is always chaos and if you want we can tow from park and return to your address.

As far as the fireworks is concerned can you quote for your big generator for the day please. Our display is on Saturday 2nd November in Enfield Town Park.

Many thanks

Darren
