Hi Simon,

I still need a copy of your public liability insurance and risk assessment for the space ball. Please forward this asap.

Many thanks

Darren

Hi Darren

sorry for the late reply thank you for the email as we talked the cost for the

Space Ball for the event for both days.

Bouncy Castles for the event for both days is one kids from up to 3 years old, one adventure playground 5 years old and above, and a 12x12 which is all ages.

I will do all of these for £300 this will include a man for the space ball and the Space Ball as this event is for the Enfield Scouts.

can you tell me the power for this event and how it will be powered.

Also the 70KVA generator with all leads and distribution board for Saturday 2nd November in Enfield Town Park, will be a cost of £300 for the generator plus fuel but the fuel would need to be paid up front which i would say is around £50. the generator has all its Electrical-Certificates.

For Saturday 2nd November in Enfield Town Park there will be an Electrician with me for safely reasons the Electrician cost will be £80.

I will send my public liability insurance and Electrical-Certificates and risk assessment when needed.

Can you please confirm the prices, and dates.

Many Thanks

Simon

Hi Simon,

Thanks for the email. Is there any chance we could also book your bouncy castle for the same weekend.. please advise price for both activities. We are checking we can get an electricity supply as generators are not allowed.

Both activities will need to in place on Friday between 4pm and 8pm. The park will then be secured and security guards will patrol through the night. The show is open to the public between 10am and 6pm both days.

We are very happy to organise the activities ourselves including set up and tear down if that keeps the price down. Taking down is always chaos and if you want we can tow from park and return to your address.

As far as the fireworks is concerned can you quote for your big generator for the day please. Our display is on Saturday 2nd November in Enfield Town Park.

Many thanks

Darren

Hi Darren

Thank you i did send this to the wrong email please see below.

After speaking to you today about the space ball you want to hire i can confirm that i can do the dates of 07/09/2013 and the 08/09/2013 at the Price of £60 per day and i will send someone down to manage it. Can you confirm the hours that you will need the space ball to be hire for please.

Also as said when we talked i would love to get involved with you with the Enfield Fire works night for the power and anything else you need. Also what would be the power requirements you will need for this night.

Please can you reply to this email to let me know you got it.

Many Thanks

Simon
