Hi Darren

The Space Ball will be a cost of £120 for both days.

please see attached

Many Thanks

Simon

Hello Simon,

I'm sorry but we won't be able to use the bouncy castles for the Town Show as the organisers have given the all the inflatable concessions to one company.. thanks for your time on this..

We still want to use your spaceball.

Ref the generator for 2nd Nov. We would be interested in a dry hire for the day. We have a team of electricians on site doing the sound, light and laser show. We need to keep the cost down. We would also be able to supply the fuel ourselves, we run our other generators on red diesel. Please let me know if you can supply the genny on this basis and what the dry hire price would be..

Many thanks

Darren Leonard

Hi Darren

sorry for the late reply thank you for the email as we talked the cost for the

Space Ball for the event for both days.

Bouncy Castles for the event for both days is one kids from up to 3 years old, one adventure playground 5 years old and above, and a 12x12 which is all ages.
