

I spoke to Kelly Hickmott (East Team) who said the ASBO and the conditions within the ASBO order would cause a problem with obtaining any of the above licences. I told her the full ASBO conditions within the ASBO Order.

That anyone applying for any type of licence would have to go the licensing process and each time the police would be contacted, the police would then conduct a background check to the person who was applying for the licence.

I was told that the process was harder for some licensing than others and for the higher the licence that was being applied for the more checks that are done.

She also emailed me the police officer name Matthew Mcgrath and his email address

www.iralfvrmt.Dnn.polico.uk who deals with licensing within the Lewisham area who I emailed under my friend's email address www.achaelbech100@gmail.com
Please see emails as to what I asked and what he replied to me.

I spoke to Costa and he told me the same thing as Lewisham licensing team Kelly Hickmott told me, that it was be very hard to process an application for someone that had this ASBO order in place.

I was told that any order would be sent to the Pollution Team, police licensing officer and they would do ground checks. That would bring up the ASBO order and in turn they would write a report back to the local Council with risks, there is licensing objectives that have to be followed with every application applied for.

I told him the full ASBO conditions within the ASBO Order.

I did not get the name of the person I spoke to, I have tried to call them today when I was asked to do this updated statement but the phone line was going to voice mail.

I did get told the same as above by the other 2 councils I was told the process that was taken and how the ASBO conditions would have an impact on the report from the local police licensing officer.
