PC Steve Elsmore States;

That he has spoken to Enfield Council with regards to myself Simon Cordell hiring Generators to them for events also that I had only hired out a human gyroscope to Enfield Scout for the local town fireworks display dated 2013.

Simon Cordell State;

As listed above is the names of some events I was working within and for at the dates in question mainly before the interim stage and while other ongoing court proceeding progressed to which I was being accused of, to which I rightfully was found not guilty in my plea of innocence.

I had a curfew so could not stay with the equipment over night and as a company getting ready to start to trade I could not afford the higher of an experienced employee, so in turn I lost the contracts and faith in the justice system that was the main contribution towards the key elements need to cause myself to lose the contracts I and others had worked so hard to gain, due to the value of the products it was impossible to comet myself to a contract of hire any longer, at the same time the probationary conditions thought the interim stage imposed that represented the ASBO order made it once again even harder to continue forward than it already was.
