

The assessment team went to Simon flat the next day with no luck to getting to see him they spoke to him at the door but Simon would not open the door, they could clearly see he was not stable at all and did not want to push it. So, left he kept saying the police just need to leave him alone he not done anything and was not leaving his flat.

The assessment team left it around 5 days to a week I think before they tried again this time Simon did let them in and spoke to them this was on the 25/11/2015.

On Friday the 12/12/2015 the police went to Kemp hall committee centre looking for Simon again.

The police are still popping round now and then just to keep him at a low and not feel safe. This can be the only reason the police keep doing this. They know his health is not good due to everything over the years the police has been doing to him they have not left him alone since he was a young age. I am not saying my son has done nothing wrong in his life as that is not true but the way in which the police have carried on it like nothing I have every seen, this has put the whole family in a state, this being worse over the last 2 years Simon health has got worse over the last 2 years and this is due to what the police are doing.

There was also a complaint put in to the IPCC on the 11/11/2014 about the police and what they were doing and about the ASBO and his PNC record.

from 2013/2014 there was an issue with my son's insurance not showing up on the MID database, as the court will be aware as the police have said this in the ASBO, it was recorded on the police system and we had tried to work out what the issue was by calling the MID database people and the police and his insurance company many times. I also wrote many emails, even the police tried to work out what was wrong. But this did not stop his vehicles getting seized at the weekend when his insurance company was closed. The police was always told when he got stopped to check there systems as they would see there is an error and that showed on the police system, my son always carried his insurance documents to show police. But police still seized his vehicles they did not care what was said on the police system or my son had his insurance documents.
