

They could not get the code to the main door and went back to the police station where they seem to have got Simon mobile number and made calls trying to get the code for his main door. They did say it was police and Simon got very scared why the police wanted his door code to get in to see him the police would not give him the reason as to why they needed the main door code or the police numbers they would not give a reason as to why they wanted to see him.

This did not just scare the life out of Simon but also Josh. and Simon just wanted to get out of the flat. Simon made a call to me and told me what had happened I told him to come to my house.

He would not even use his car as he was so scared of what was going on he did not even know for fact it was the police that had made the calls to his mobile.

Him and Josh left the flat and would not even go the way he as a rule uses to get to my house.

They went down Green Street over the train station and walked down Mollison Ave then got on to the river lee and walked along to come out by Ponders End train station where they was meeting his sister Deon in a cab to get them to my house. It was really raining that night and then they got here they was very wet.

I made calls to the police in fact 3 calls as I put a complaint in at what was going on as the police for some reason at this stage kept going to his flat for unknown reasons and he was not stable enough and very scared and was not coping. I did let Josey know what was going on each time.

I do have my phone bill with all the phone calls listed to police via 101 calls via my home phone if this would be needed. This is without all the phone calls Simon made himself to police. And he has some police officers numbers.

In the end an inspector stag I think his name was called and at 1st spoke to Simon, I was still not happy with what was going on so again made a call and asked for the inspector to call me back which he did some time later that day I think, on that call it lasted around 1 hour maybe a little longer I explained everything that was going on
