

Jessica: When a client purchases a vehicle, they have 14 days to make us aware. If they didn't within 14 days they don't make us aware then they're not covered but anything like this happened we do need proof to show that he had only had it within the 14 days otherwise it would not cover it we need to obviously we would not ask for proof normally but say if he has like pulled over now we would ask because he could just say he bought it yesterday or a week ago and we would still cover him.

PC G So it definitely does not cover him on the if he literally going around with tools in the van doing jobs that is not something he is covered for Jessica Certainly not

PC G: That's not something he is covered for Jessica: No certainly not

PC G Can I just get your name obviously for my notes
