

I was told on the 10/02/2014 when I called that if I ask for a court transcript that this could be done faster than updating the PNC records and I would be able to show the Judge at Woolwich crown court the court transcript for the case that is on my file in error and that should be enough to prove that it should not be on my record. I am there for asking for the court transcript to be sent to me if there are costs for this please email me back with the cost for this to be sent to me and I will get this paid to the court.

Please see attached file for the page in my PNC record which is there in error I have highlighted the case.

If this can be done as a matter of urgency due to the impact this is having on my life.

Many Thanks

Mr Simon Cordell
