

also recalled an incident when the perp spat in her face. It's been one issue after the other she advised  
The recent event which took place a week ago. She was on her way out to attend her appointment with her  
CRN when he apprehended her and threatened to kill her. She was pretty shaken from the incident that instead  
of attending her appointment, returned home immediately. She advised that she contacted the police but,  
wasn't taken seriously as they assumed she was drunk at the time of the call. She advised that she wasn't in  
the list drunk but, just the way she spoke due to her condition. She still wasn't taken seriously and had to  
abandon the call.

She found this very frustrating and advised that it was not the first time this would happen to her. Her GPN  
also confirmed her statement and expressed her dissatisfaction at the way she was treated.

| felt completely let down by the police and became frightful for her safety especially, as she knows the  
perpetrators has shells in his flat.

I observed in her flat that her floors were very creaky, I was made aware by Dawn that most of the flats in the  
block are like that. Unfortunately, the creakiness exacerbates the noise level in the flats and cause more  
problems than usual.

I advised that I will contact the police to make further enquiries. I will also contact MHT to enquire if Mr Cordell  
is known to them. At some point the perpetrator will need to be interviewed and a warning letter issued on him.  
I will contact the repairs team and try to arrange a surveyor to visit her flat and see what assistance can be  
offered

I further advised that her case will be investigated and an officer will get back to her to discuss further with  
her. Her CPN and TMO will be kept informed of updates

Bola Quadri has already put in place a safe guard alert.
