Free Start-Up Support Programme Launched

Over 30 people attended the launch of Enterprise Enfield and Enfield Libraries [Enterprising Libraries New Biz Programme](#) at an event on the 18th February at Edmonton Green Library. Attendees took the opportunity to hear about the benefits of enrolling on this new scheme which offers free advice, guidance, training and support to help people start and develop their own businesses. Pam Tuttiet, Community Engagement Manager at **Enfield Libraries** and Des Johnson, CEO **Enterprise Enfield** spoke about the impact the project will have in empowering budding entrepreneurs to get off to the right start. Local award-winning entrepreneurs, Garry Kousoulou of [Loving Social Media](#) / [Goodlooking Optics](#) and Katy Davies of [KatyBakey](#), also gave inspiring talks on their own personal journeys into business. The free business support services offered include:
