Subject: RE: Subject Access Request

Dear Gary Quan

It is not a PNC check I want I all information that the police hold on me whenever the police have had contract with me, which has been a lot.

A PNC check will only show limited information as to if I was charged and found guilty, any NFA's, and found not guilty.

I want a lot more data then that as I want everything that the police hold on me. Which I believe is your department that deals with this.

I will also be putting in a request to ACRO but that will be on top of the request I have asked in my application to you.

If you look at the application the data I want is listed right after that on page number 1 and 2 that data is not a PNC check, I do understand it is a large amount of data I am asking for as I want everything the police hold on me across all systems.

Regards

Simon Cordell
