Dear Mrs Cordell

Thank you for speaking with me today, from our conversation we have agreed your complaint is that Enfield Police officers should not have obtained an Anti Social Behaviour Order against your son, Simon Cordell.

Your statement, 'officers wrongly obtained an ASBO' is an generalisation of your complaint. Can you please be specific and explain all the elements of your complaint, reference the ASBO

Please respond to this e-mail with in 7 days,

Complaint type: Make a complaint  
What happened?: This has been going on for years with the met police against my son and family, i have called many times to make complaints yet nothing is done i speak to an inspector and that's it there is no follow up and seems my complaints are lost.

the police don't leave my son alone they lie in statements that can be proved, they have put false information on his PNC record which can be proved, the list goes on and this goes back to when my son was around 15 years old he is 33 now.

they use my son any way they can. as of today's date my son is at breaking point due to the last years and what the police are doing to him.

i would like someone to call me ASAP as this would be a very long section if i included everything. i have been trying to call you for hours today on 0207 161 4200 but it rings then just goes off. 101 also have tried and no one can get hold of anyone.

i need to speak to someone today as my son feels he has nothing left and he is to the point of not wanting to live any longer this is all due to what the police are doing to him.
