

I have just spoken to the ICO and they have told me to put a case into them, as i have asked for an update and not been given one.

I have been told by the ICO there is strict guidelines on the 40 day limits given to comply with the request staffing issues does not bare any weight to be outside the 40 day guidelines.

Due to me needing this information due to a court case the ICO will be able to process my dispute much earlier then they would do due to this reason.

I read the email you sent me and the ICO believe it is very un-professional for an email to be sent like this when the guidelines for SAR are very clear.

To Whom It May Concern:

I am writing this email to see if there is any update as to the time my subject access request will be completed, the 40 days time limit is up, I know I asked for an update before and we sent the below email it does not tell me how long it will take,
I do understand the presser and the case load you have got but you should be able to tell me when I should hear back regarding my request, or how long you are be hide,
