

It does show the Harrogate Gazebo for the catalogue for focus and it's the website URL archive dated 11 March 2011. It does take a little while to load from the archive servers but does load and you can see the items of gazebos that focus was selling on the 11 March 2011 you have to look down the list to see the Harrogate Gazebo information.

If you load the URL and then right click on the page and select Save As in the menu you can save it to your computer also.

The only thing I cannot find is the original receipt for Simon Gazebo that was at his home when the police come.

Dear Simon / Lorraine

Your case has been listed tomorrow for a mention hearing. You are both welcome to attend if you so desire but you are not required to attend.

As you have not been able to provide me with the original receipt of internet link for the Focus catalogue I have edited the defence case statement accordingly.

I now attach the amended defence case statement which I have instructed your barrister to serve at tomorrow's hearing. This will trigger secondary disclosure in the case and I will be hoping to offer you an appointment in four weeks time for a conference with your barrister.

If you have any further requests to vary your bail then please provide me with adequate notice as the courts tend to want the CPS and solicitors to attempt to agree the variation administratively before resorting to the court.

Please do not hesitate to contact me should you have any questions.

Regards

Josephine
