Subject: RE: Re: Simon Appeal

Hi Josey

I got the face book events pages for

12/01/2013 Canary Wharf Simon was taken to the Royal London Hospital I found out the hospital called them they have the records.

25/05/2014 Unit 5 St Georges Ind Est White hart Lane, N17 I got emails of the event and what was written on the Facebook event page as to the location and what the event was ca led and the links to the event etc, but event page was deleted. Event was called Chaotic Waves Gully posted in >>2100+ ATTENDING<< TONIGHT!!!☆☆CHAOTIC WAVES//RIGHT WRONGUNS//BASSFACE SOUNDS//HOUSE OF HAVIK PRESENTS THE 1ST YEAR ANNIVERSARY OF CHAOTIC WAVES^FT SKUNK-WORKS ARENA (Then changed to) (Chaotic Waves Gully posted in) A VERY CHAOTIC POPUP!

06 to 08 June 2014 Progress way Enfield the full event page is 225 pages Hippy Fest and the Superintendent from Essex statement which should also then bring up a name for a Superintendent in the MET police he spoke to about Hippy Fest.

20 June 2014 1 Falcon Park Neasden Lane NW10 full event page is 87 pages

19/07/2014 Carpet right A10 Enfield I got Antony Havey Facebook account page I been waiting for nearly a year for him to add me so I could see what his account page showed as he deleted the event page the event was ca led 19th JULY (1.4k attending) The Raving Family That Rave In The Woods he only added me to his Facebook account on the 13/09/2015 and oh yes I got the information from his Facebook account page, which shows him and others talking about the event, and also a person says on his page there is 200 people waiting at Southbury.

Also, it seems that he was one of the people that was at Croydon Party and put on the news and newspapers, he handed homes f in for this on the 30/06/2014 to a police station and was taken to Scotland Yard for interview this is confirmed by his mother on his Facebook account as she was keeping people updated.

He was given bail from Scotland yard but it seems on bail conditions from reading his page and reading between the lines one of them seem to be was not to attend any illegal raves, he got NFA for that one the 04/08/2014 from Scotland yard from what it says on his page,

But tell me this he was arrested on the 19/07/2014 for this event Simon is being blamed for before Simon got there, why when the police saw Simon did, they arrest Simon and de arrest Antony Havey, I sure they would have had his name and done a name check and saw what he was on bail for?

Also, he does not stop there about Scotland Yard.

27/07/2014 Mill marsh Lane Enfield Emails for this one with information and location. Also, this was not outdoors like the police are trying to say and I can prove this

09 to 10 Aug 2014 Mill marsh Lane Enfield the full event page is 108 pages. Also, this was not outdoors like the police are trying to say and I can prove this, also the po ice must have known there were squatters there due to the party on the 27/07/2014

Just say I got information a lot of information to each event they say Simon set up. But Josey you need to under the information and how it works I am very good at computers and t even took me a little while to work out how these people set these pages up and what they are doing with the event pages. So just saying you will print them off is not going to be enough as you are going to have hundreds of pages that will need tagging. You need to see the information and understand t to be able to lay this out how it will need laying out for people to understand it. and how I was able to find it which I started when this case started, and have been saying I had it and the event pages but nothing was done, now some pages have been deleted, but we al know the police can get them don't we.

I even got events to date that these people are still setting up and the po ice are giving green lights to them which mean the police are allowing these parties to go ahead. These parties are in fact still going on every week.

Also, Josey the paper works the police served really does need time to go over it there is times that are off so many things that are wrong here.

The CADs well sorry but the police are trying to on with these they really are and something needs to be done about how they have blacked so much out. But I need to show you for you to understand. And please tell me why a grid ref would need to be blacked out?

But there is a lot of work with the police papers that needs to be gone over which was not done for the trial and Josey this will take time.

That last statement you missed in your email from the office in charge of the case needs to be dealt with also it was too late when we found out about it the day before the trail and that being in Val Tanner from the public order unit at Scotland Yard, but I need to say in a statement what she said to me on the phone as it doesn't work out with what the police officer said in that statement. And also, the phone ca l that DS Chapman from the public order unit at Scotland Yard.

The pubic order unit at Scotland Yard know a lot more Josey and they know it and they are allowing Simon to be blamed for this knowing he never done it that is wrong Josey it really is. was really funny how the office in charge of this case deleted the email he sent to the public order unit why would he have done this why would he have not taken a statement from Val Tanner?

Simon did do a lot of this with me right from the start when this started but Michael kept saying that does not matter, But Josey t does matter I did not understand how a civil case worked unit l the end at trial I did ask but it was not explained to me or Simon.
