Legal aid has not come in yet for Crown Court. Once it does, I will notify you. I am at court at present.
Can you please confirm any additional evidence you intend relying on so that I can make arrangements to get it printed off?

Thanks

Josephine

Can someone please tell me what is going on, Josey I know you are busy and have a very large case load but time after time I have been told you will deal with things then I get nothing sent to me, but if you have not got the time can you not ask someone in the office to get the case files ready so I can get them I need to know what has been done.

Can you also please forward me the email that you sent to the police office in Essex so, I can see what has been asked for him to write in his statement or has this not been done?

And also, the emails to the court and have you had any update to the legal aid.
