Trade Mark search £33.29+vat

An online search may identify existing registered Trade Marks which are the same or similar to your registered company name.

The Company Warehouse offers a quick service to complete a search of all UK registered Trade Marks to give you, not only reassurance and peace of mind, but a clear indication on which classes are available to you to protect in the future. Failure to complete a thorough search can result in a loss of government fee if an application is later declined.

Our service includes;

- A detailed search of the online Trade Mark database held at the UK Intellectual Property Office (patent office)
- Emailed results explaining pending or registered Trade Marks for the same or similar name to your business brand.
- It includes all UK trade marks but also international registered marks covering the UK.
- Guidance of the results found and areas of business they protect.
- Information regarding your options available to register and protect the name.

If you have any further question or would like us to complete the report please call me on the number below.
