

On Friday the 12/12/2015 the police went to Kemp hall committee centre looking for Simon again.

And they still pop up now and then just to keep him at a low and not feel safe.

The police know full well what they are doing and know they have been breaking the law.

I would also like to address this issue as I know this is going into court tomorrow re discloser.

I want to seek an injunction against the Met Police under the European Convention on Human Rights.

I want an application put in tomorrow for High Court for an interim order under the Protection from Harassment Act, Article 6 of ECHR is a person's right to a fair hearing.

If information is withheld from the court that would show your son is innocent with the intention of causing a guilty verdict to be returned, that is perverting the course of the justice/conspiracy to pervert the course of justice and, quite possibly, misconduct in public office/conspiracy to commit misconduct in public office on the part of those involved, if police officers, local government officers, civil servants, government officers.

Where a verdict or decision is made by a court as a result of pertinent information being withheld and which no court or judge would have made had that pertinent information been made available, the verdict/decision is said to be perverse. It also goes against natural justice.

Any public authority or person whose function is known to be public, like a police officer, who acts in a way that is incompatible with a persons rights under the European Convention on Human Rights, acts unlawfully according to Section 6(1), Human Rights Act 1998.

The other day, I reckoned up the breaches of ECHR against your family by the Met Police. They have violated at least 22 different rights under ECHR. I suspect there re multiple violations of these rights. It is one of the worst cases of human rights violations by police I have come across. If this were to be revealed in an open court, Sir Bernard Hogan-Howe would be forced to resign or be sacked. His position would be untenable.

There is also evidence of repeated racial discrimination and profiling, as well as harassment.

This is what they are doing by withholding the information from the public order unit at Scotland Yard also known as National Public Order Intelligence Unit. And the Judge needs to know this tomorrow.

Under Article 6 of ECHR is a person's right to a fair hearing. Discloser should be given if the discloser they are trying not to give would cause a guilty verdict in this case it will.

And I have a lot more information that needs to be added. Under the ECHR rules that the court must look at.

The fact is the police have it on their systems that these dates was not Simon but due to how much the police hate Simon and my family they have made up statements that will found him guilty knowing that not to be fact.

They are using CADs from a next party they let go on yet Crown Road parties had been going on for months. And add all the CADs from these parties to the one they are saying Simon and Tyrone set up knowing this is not fact. And again, setting my family up when they have this information at the public order unit at Scotland Yard as to who set this party up and all the others. If this does not show how much the police hate my family, I don't think nothing else will and they are getting away with it and nothing is getting done all we are told is Simon is going to get this ASBO there is nothing he can do but grass up people to show he did not do this why should he have to give names out. The police already have them. The Burglary from 2013/2014 the police let a person get away with insurance fraud, they pinned everything on to Simon but new in the Feb 2013 police allowed people to walk out with loads of things, destroyed the evidence they took from Simon home from the start and did not say anything until the judge found him not guilty a year after it started. Yet he was on 6 bail conditions for nearly a year one of them for failing to surrender which we already know should not be on his record as it was dismissed at court.

My family has had this for years and the police just get away with it all the time since Simon was 15 years old, they have not left off his back which then affected Tyrone and the whole family.

Years of abuse by the police over and over again when will this stop, I can't allow Simon to take any more his health is not up to this any longer. And that's all due to what the police have done over many years to this family. I am not saying Simon has done nothing in his life as I know that not facts. But what the police have done is beyond any reasons.

Yes, I am upset and this time I am not letting this go into court and not letting the judge know what is going on, His PNC has errored the police has not left him alone, the police have lied they set him up. This needs to stop Josey has known how it's been over these years she been there seen it heard it and saw it. something needs to be done
