Dear Josey/Michael

I still have not had a reply to the below email and have not had the paper work sent to me about the public order unit that you sent and as said before I would like to see what data has been asked for to see if there is anything else that would be needed could you please send it over.

Could you also tell me if a request for the information we asked for below from Essex police has been sent off yet as we would like that data. and if it has could you please send what has been written to them.

I do know Simon has spoken to Michael today and ATM we are writing up a detailed email about the reasons what he would like defined by the court that will be with you over the next few days.

Regards

Lorraine

Dear Michael/Josey

I just wanted to get an update as to if any information had come in from the Public Order Unit at Scotland Yard yet.

Also, could you please forward me what was sent to them so I can see what data was asked for?

Also, could you please put a request for data into Essex police? This data would be for the date leading up to the 06/06/2014 for the party called Hippy Fest.

We would also need the data for the 06/06/2014 as to what the police did on this day, which should come back that they sent police helicopters out in the Essex area to find the location of the private party, that police helicopters did find the location and within around 10mins police was at the location.

Essex police officer found the person they were looking for and handed a police dispersal order for the people that was there at the location and also an order that he could not setup within the next 24 hours. We would need a copy of any paper work served by police on that day.

We would need all names of police officer who attended we would also need all information the police noted and any names of person that they took of any people that were there.

We would also need the information leading to the police knowing about this party and that should link to the Public Order Unit.

Police will never have Simon name on any paper work they hold, as Simon was never in
