Hi Josey Michael

I have emailed a few times now and I have had no replies I asked for information and I have not got anything I also asked if information can be put in for and an update and i have not heard anything.

Can I get an update to if anything has been done and if any requests for data has been put in and if it has can you forward me a copy?

Also, at the last hearing on the 10/03/2015 Andy Locke said he wanted a meeting with Simon. Not sure if he meant after we got the discloser from the public order unit.

Regards

Lorraine
