

since this last went to court on the 10/03/2015. I was asking Michael to do things and so was Simon before I got the email from you on the 31/03/2015 telling us Michael had left the company. You did say you would send the data over but we have not got it yet.

We have asked for things to be asked for and I not sure if any of it has been done this has been for a long time now, that's why I asking for an update. I don't want to leave things until the last min and then to be trying to chance up information just before the case is due to be heard.

I know they are not going to want to give us the data this is why we need to keep on their backs this way the judge can be shown how many times data has been asked for. It has been a worry the last times in court as they have said nothing was asked for at some points, even on the 10/03/2015 they even said the request for the public order unit information was only asked for on the 28/02/2015 when we have been asking since 2014 for this information to be asked for they said that's the only things that had been asked for and this is worrying, and is not helping Simon heath at all. Every time its gone to court the barristers have said its down to Simon heath that things have not been done, Josey this is not the case Simon has been to every meeting and done the things he has be asked to do.

If we have to keep taking it back to court to get the information then that is what is going to have to be done. Simon is not well enough to leave this. I was thinking if we did not have the information from the police to take it back to court next week if this can be done.

Please can you get back to me with an update and send over the details of what has been asked for.

This is all making me ill, my heath as you know is not great already and I have many problems.

I am not just dealing with this case for Simon and what the police have done to him over many years which you are aware of how Simon has been treated by the police.

He is really not great also in his heath due to what the police are doing and now has totally locked himself away he don't go out from his flat anymore as he thinks the police are going to kill him, I am trying to deal with this by way of him getting everything for his business, but due to what Michael said to him he will not open it up, and the sections of the ASBO really need to be defined so he can try and carry on with something as I am running out of things to tell him that needs to be done as this is the only way to keep him claim.

I got Tyrone and what the police done to him in Jan 2015, and trying to deal with all his hospital dates.

I also got the appeal for Simon no insurance on the 14/05/2015 and there will be one other date also.

I got 2 complaints running with the police.

And on top of that I got what happened to my mum and trying to deal with all the write ups for
