Hi Josey

Have you been able to talk to Andy Locke yet to set up a meeting at your office Simon is asking me every day to see if I have heard anything as there is only 7 weeks left until it is due in court. Have you heard anything from the crown yet about the application you put in.

Also, could you send me over the work that has been done on the file, so i can see what has been asked for and see if anything has been left what needs to be asked for please?

Simon said he told Michael that Katie did not want to do a statement as she really does not like courts even when she goes with Simon, she hates it and it makes her really scared. He also said he told Michael about the food was paid for in cash and that he does not have a receipt for this, Simon did think he paid for this by his card but that was not the case as he has checked with his bank. He does know what food shop he went to and he was with a girl but he no longer talks to her. Not sure why Michael has not updated the file to show this.

Lorraine
